Rainbow Valley L. M. Montgomery, 2015-01-13 Anne's family grows ever larger—and ever more joyful—in this artfully packaged edition of the fifth book in the Anne of Green Gables series. It's been fifteen years since Anne Shirley married Gilbert Blythe, and they are still blissfully happy, delighting in their six children: Jem, Walter, Nan, Di, Shirley, and Rilla. After a holiday in Europe, Anne returns to find that a new minister has arrived in Glen St. Mary. John Meredith is a widower with four young children: Jerry, Faith, Una, and Carl. The children have not been properly brought up since the death of their mother, with only their absent-minded father and their old and partially deaf Aunt Martha to take care of them. Anne instantly takes them under her wing, and they become best friends with her children. The group goes on many adventures together, but always has the best time in their favorite spot: Rainbow Valley. This addition to the renowned Anne of Green Gables series makes a wonderful gift and keepsake.

Rilla of Ingleside L M Montgomery, 2019-06-03 Anne's children were almost grown up, except for pretty, high-spirited Rilla. No one could resist her bright hazel eyes and dazzling smile. Rilla, almost fifteen, can't think any further ahead than going to her very first dance at the Four Winds lighthouse and getting her first kiss from handsome Kenneth Ford. But undreamed-of challenges await the irrepressible Rilla when the world of Ingleside becomes endangered by a far-off war. Her

brothers go off to fight, and Rilla brings home an orphaned newborn in a soup tureen. She is swept into a drama that tests her courage and leaves her changed forever.

The Fragrance of Sweet-Grass Elizabeth R. Epperly, 1993-01-01 Anne Shirley is the best known of a memorable group of heroines created by Lucy Maud Montgomery, a group that includes Emily Byrd Starr, Valancy Stirling, and Pat Gardiner. These characters are at the centre of Epperly's book, the first full-length critical study of all L.M. Montgomery's fiction. Epperly contends that Montgomery was a master of the romance genre, and through her use of literary allusions, repetitions, irony, and comic inversions she deftly manipulated the normal conventions of romance novels. By studying the fictional biographies of the heroines and their pursuit of romance, Epperly questions the ways romance shapes what we consider valuable in our imaginings and experience.

The Blythes Are Quoted Lucy Maud Montgomery, 2010-10-26 The Blythes Are Quoted is the last work of fiction by the internationally celebrated author of Anne of Green Gables. Intended by L.M. Montgomery to be the ninth volume in her bestselling series featuring her beloved heroine Anne - and delivered to her publisher on the very day she died - it has never before been published in its entirety. This rediscovered volume marks the final word of a writer whose work continues to fascinate readers all over the world. Adultery, illegitimacy, revenge, murder, and death - these are not the first terms we associate with L.M. Montgomery. But in The Blythes Are Quoted, completed at the end of her life, the author brings topics such as these to the fore. Intended by Montgomery to be the ninth volume in her bestselling series featuring Anne Shirley Blythe, The Blythes Are Quoted takes Anne and her family a full two decades beyond anything else she published about them, and some of its subject matter is darker than we might expect. Divided into two sections, one set before and one after the Great War of 1914-1918, it contains fifteen short stories set in and around the Blythes' Prince Edward Island community of Glen St. Mary. Binding these stories are sketches featuring Anne and Gilbert Blythe discussing poems by Anne and their middle son, Walter, who dies as a soldier in the war. By blending together poetry, prose, and dialogue in this way, Montgomery was at the end of her career experimenting with storytelling methods in an entirely new manner. This publication of Montgomery's rediscovered original work - previously published only in severely abridged form as The Road to Yesterday - invites readers to return to her earlier books with a renewed appreciation and perspective

Rainbow Valley L. M. Montgomery, 2014-04-16 It was a clear, apple-green evening in May, and Four Winds Harbour was mirroring back the clouds of the golden west between its softly dark shores. The sea moaned eerily on the sand-bar,

sorrowful even in spring, but a sly, jovial wind came piping down the red harbour road along which Miss Cornelia's comfortable, matronly figure was making its way towards the village of Glen St. Mary. Miss Cornelia was rightfully Mrs. Marshall Elliott, and had been Mrs. Marshall Elliott for thirteen years, but even yet more people referred to her as Miss Cornelia than as Mrs. Elliott. The old name was dear to her old friends, only one of them contemptuously dropped it. Susan Baker, the gray and grim and faithful handmaiden of the Blythe family at Ingleside, never lost an opportunity of calling her Mrs. Marshall Elliott, with the most killing and pointed emphasis, as if to say You wanted to be Mrs. and Mrs. you shall be with a vengeance as far as I am concerned. Miss Cornelia was going up to Ingleside to see Dr. and Mrs. Blythe, who were just home from Europe. They had been away for three months, having left in February to attend a famous medical congress in London; and certain things, which Miss Cornelia was anxious to discuss, had taken place in the Glen during their absence. For one thing, there was a new family in the manse. And such a family! Miss Cornelia shook her head over them several times as she walked briskly along.

Rainbow Valley (Annotated) Lucy Maud Montgomery, 2021-03-20 *Rainbow Valley* by L. M. Montgomery is the seventh in the Anne of Green Gables series. This story takes place in the conservative community of Glen St. Mary in Nova Scotia. The story unfolds when the town busybody, Mrs. Marshall Elliot, who everyone calls Miss Cornelia, is on her way to Ingleside, the residence of Anne Blythe and her husband, Dr. Gilbert Blythe. The Blythes had just returned from a long vacation to Europe. Their four eldest children were sent to Anne's childhood home in Avonlea and Green Gables. The two younger children stayed behind with Susan, the family's nanny. Miss Cornelia was anxious to see Anne but also to gossip about the new Presbyterian

minister. Miss Cornelia was one of the church members who decided on John Meredith as their new minister. There were issues with Mr. Meredith but the problems with other candidates were considered worse. Mr. Meredith was a widower and had four children who he moved into the church's manse with his elderly Aunt Martha. The problem with John Meredith was his remoteness and his dreamy attitude. However, he did come alive when he gave the Sunday morning sermon. The old maids in the area had not failed to notice that the new minister was quite handsome and, as a widower, quite available.
