Harmony Heinrich Schenker, 1954 Harmony, Heinrich Schenker's first published work, originally appeared in German in 1906 as *New Musical Theories and Phantasies*, by an Artist. Its unusual title indicates what was to be the rationale of Schenker's lifework, that artistic problems call for artistic solutions. Schenker's dedication to the formulation of a complete musical theory above the commonplace theoretical discussions was, in essence, his quest for a pattern in nature for music as art. Schenker's theory draws upon a profound understanding of the works of the masters and every proposition is illustrated by a living musical example.
