Chase Darkness with Me Billy Jensen, 2019-08-13 ***With an exclusive behind-the-scenes conversation between Billy Jensen and retired detective Paul Holes on the Golden State Killer, their favorite cold cases, and more*** Have you ever wanted to solve a murder? Gather the clues the police overlooked? Put together the pieces? Identify the suspect? Journalist Billy Jensen spent fifteen years investigating unsolved murders, fighting for the families of victims. Every story he wrote had one thing in common—they didn't have an ending. The killer was still out there. But after the sudden death of a friend, crime writer and author of *I'll Be Gone in the Dark*, Michelle McNamara, Billy became fed up. Following a dark night, he came up with a plan. A plan to investigate past the point when the cops had given up. A plan to solve the murders himself. You'll ride shotgun as Billy identifies the Halloween Mask Murderer, finds a missing girl in the California Redwoods, and investigates the only other murder in New York City on 9/11. You'll hear intimate details of the hunts for two of the most terrifying serial killers in history: his friend Michelle McNamara's pursuit of the Golden State Killer and his own quest to find the murderer of the *Allenstown Four*. And Billy gives you the tools—and the rules—to help solve murders yourself. Gripping, complex, unforgettable, *Chase Darkness with Me* is an examination of the evil forces that walk among us, illustrating a novel way to catch those killers, and a true-crime narrative unlike any you've read before.

Savage Appetites Rachel Monroe,2020-07-07 A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim’s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women’s complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “corrective to the genre it interrogates” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

RedHanded Suruthi Bala,Hannah Maguire,2021-09-14 2021 Listeners' Choice British Podcast Awards Winner What is it about killers, cult leaders, cannibals, cults, and criminals that capture our imaginations even as they terrify and disturb us? How do we responsibly consume these kinds of stories as entertainment, and more importantly, what can we learn from them? *RedHanded* rejects the narrative of killers as monsters and that a victim was in the wrong place at the wrong time, and instead tells the stories we want to hear in a way that challenges perceptions and asks the hard questions about society, gender, poverty, culture, and even our politics. After meeting at a party in London where they both discovered they listened to the same murder podcasts, Hannah Maguire and Suruthi Bala drunkenly promised to one day start their own true crime podcast together and the rest is history. From the hosts of the hit true crime podcast *RedHanded* (dubbed by Rick & Morty creator Dan Harmon as the best true crime podcast I’ve heard, ever), Hannah Maguire and Suruthi Bala have amassed a cult following of spooky bitches amounting to an incredibly strong 63k downloads per episode and 728k backlist downloads every month in the US alone. With candor, humor, interviews with experts, research on real-life cases, and an unflinching dissection of what makes a killer tick, Bala and Maguire take us through the societal, behavioral, and cultural phenomena that make victims -- and their murderers -- our collective responsibility and to find out once and for all: what makes a killer tick?

Silver Screen Fiend Patton Oswalt,2015-10-13 Between 1995 and 1999, Patton Oswalt lived with an unshakable addiction. It wasn't drugs, alcohol or sex: it was film. After moving to L.A., Oswalt became a huge film buff (or as he calls it, a sprocket fiend), absorbing classics, cult hits, and new releases at the New Beverly Cinema. Silver screen celluloid became

Patton's life schoolbook, informing his notion of acting, writing, comedy, and relationships. Set in the nascent days of L.A.'s alternative comedy scene, Oswald's memoir chronicles his journey from fledgling stand-up comedian to self-assured sitcom actor, with the colorful New Beverly collective and a cast of now-notable young comedians supporting him all along the way--

Met Her on the Mountain Mark I. Pinsky,2022-04-05 In June of 1970, the body of 24-year-old Nancy Morgan was found inside a government-owned car in Madison County, North Carolina. It had been four days since anyone had heard from the bubbly, hard-working brunette who had moved to the Appalachian community less than a year prior as an organizer for Volunteers in Service to America. At the time of her death, her tenure in the Tar Heel State was just weeks from ending, her intentions set on New York and nursing school and a new life that she would never see. The initial investigation was thwarted by inept police work, jurisdictional confusion, and the influence of local corruption. Fourteen years would pass before an arrest in the case would be made, but even then, a pall would be cast over the veracity of the evidence. *Met Her on the Mountain* is the culmination of former Los Angeles Times staff writer Mark Pinsky's efforts to solve the 40-year-old mystery

once and for all. An exhaustive piece of investigative journalism, Pinsky's work, now with a new postscript, dissects this modern Southern Gothic tale and takes readers on a journey to convince them that the truth of Morgan's murder is within reach.

My Friend Dahmer (Movie Tie-In Edition) Derf Backderf, 2017-10-03 "A well-told, powerful story. Backderf is quite skilled in using comics to tell this tale of a truly weird and sinister 1970s adolescent world.â€ —R. Crumb NATIONAL BESTSELLER Named a BEST OF 2012 by Time, The Village Voice, A.V. Club, comiXology, Boing Boing, Publishers Weekly, MTV Geek, and more! "ASTOUNDING.â€ —Lev Grossman, Time You only think you know this story. In 1991, Jeffrey Dahmer—the most notorious serial killer since Jack the Ripper—seared himself into the American consciousness. To the public, Dahmer was a

monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, a haunting and original graphic novel, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. With profound insight, what emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. This new paperback edition will coincide with the release of the movie adaptation of *My Friend Dahmer* and will include additional bonus content from the author archives.

But the sisters quickly discover that the wedding business isn't all rings and roses. There are brides whose moods can change at the drop of a hat; grooms who want to control every part of the process; and couples who argue until their big day. As emotions run high, the de la Rosa sisters quickly realize one thing: even when disaster strikes—whether it's a wardrobe malfunction or a snowmageddon in the middle of a spring wedding—they'll always have each other.
