Leonard Kreger

Riding With the Queen Jennie Shortridge,2003-10-07 Take the long way home... Full of big dreams of the fast life, Tallie Beck hit the road at the age of seventeen to become a rock 'n roll star—and vowed never to look back. Now, at thirty-four, she's little more than a down-and-out singer who smokes and drinks too much and knows better than to make promises she can't keep. Dumped by her latest band and low on cash, Tallie has no choice but to go back to Denver. Back to her crazy mother, and her resentful younger sister, Jane, who's never forgiven her for leaving. But seeing her family again after all these years stirs something unexpected in Tallie. And after so many miles on that long, exhilarating, scary—and often lonely—road, she's looking back to trace some wrong turns, and figure out the way to where she really wants to go...

The Complete Book of 2010s Broadway Musicals Dan Dietz,2020-09-10 This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Rewind, Play, Fast Forward Henry Keazor, Thorsten Wübbena, 2015-07-31 Due to shifts in the contexts of the production and presentation of the music video, more and more people start to talk about a possible end of this genre. At the same time disciplines such as visual-, film- and media-studies, art- and music-history begin to realize that despite the fact that the music video obviously has come of age, they still lack a well defined and matching methodical approach for analyzing and discussing videoclips. For the first time this volume brings together different disciplines as well as journalists, museum curators and gallery owners in order to take a discussion of the past and present of the music video as an opportunity to reflect upon suited methodological approaches to this genre and to allow a glimpse into its future.

Dear Catastrophe Waitress Brendan Halpin, 2015-03-31 Mark and Philippa find themselves the subjects of hit breakup songs in different decades and different countries, suffering years of romantic disappointments as a result. Their lives take very different paths, but when their paths cross in adulthood, they may find their biggest humiliation leading to their deepest connection.

Dungeons and Drama Kristy Boyce, 2024-01-09 When it comes to romance, sometimes it doesn't hurt to play games. A fun YA romcom full of fake dating hijinks! Musical lover Riley has big aspirations to become a director on Broadway. Crucial to this plan is to bring back her high school's spring musical, but when Riley takes her mom's car without permission, she's grounded and stuck with the worst punishment: spending her after-school hours working at her dad's game shop. Riley can't waste her time working when she has a musical to save, so she convinces Nathan—a nerdy teen employee—to cover her shifts and, in exchange, she'll flirt with him to make his gamer-girl crush jealous. But Riley didn't realize that meant joining Nathan's Dungeons & Dragons game...or that role playing would be so fun. Soon, Riley starts to think that flirting with Nathan doesn't require as much acting as she would've thought...

Shadows & Dreams Andrea Smith, 2024-08-26 DREAM SERIES #1 “That was definitely hot,” I said, propping myself up on an elbow to look at him, “going all ‘Christian Grey’ on me like that.” Who? he asked, totally clueless... I wasn't prepared for what was in store for me when I took a summer position at Sinclair Stables before my junior year of college. After all, it

could only help with my chosen field of equine studies, right? My first encounter with Trey Sinclair wasn't a pleasant one to say the least. I didn't realize he was taking time away from his law firm in Atlanta to oversee his family's business in Bristol Virginia over the summer. He was definitely an alpha who liked exerting his power . . . and his prowess. And then there was all this weirdness going on there. Like something from a Hitchcock movie! I was there with baggage I didn't realize I had! Trey Sinclair turned out to be my protector . . . and so much more! Adult Content. 18+

The Downward Spiral Leonard Kreger,2010-06 The Downward Spiral: Beginnings and Endings tells a story about numerous characters and their lives and how they cope with the ups and downs of the world they live in. One scene in particular is pivotal and brings them together on a snowy day in Schaumburg Illinois. Life will change forever for some in this tale. Music plays a large part along with the day to day life that people live and their jobs they report to and how they communicate with others and how they deal with loss. It focuses on a mother and a husband and then a son. Then it becomes just a mother and son. They go through life with problems like everyone and you see how they deal with them and how they get through the difficult times. The arguments they have and the love that they find and lose. You see how a boy grows up into a teenager and see his likes and dislikes and what he seems to want in life. A mother who deals with things not always going her way and just adjusting to it and hoping things turn out for the best. We learn about other characters who have smaller roles in this tale but they are as well very important and you fell for them and what they have in relationships and their careers and their families. They are out doing the most normal tasks and talking with friends and communicating with their pets. They are dealing with the snow and the winter in the Midwest. A world can be cruel and it can tear things apart if you're not careful. They have no idea what is to come but they are real people with problems and issues and some are in love and some are in the process of fixing their mistakes and they will be in the same place on a cool snowy February Saturday. Beginnings and Endings, this is true in many senses as this novel goes on. Lives and relationships and love and events they all are part of this cycle. Some of these things end and some of these begin. This world is filled with sadness and darkness and then at the same time it is filled with some happiness and the characters are set to these feelings and that day. A boy and his mother wait outside and wonder what just happened and you have no real answer for him. What do you say? That wasn't what you expected to see and you didn't expect to hear screams. Her husband, his father picks them up and they drive off with a new sense of life and a feeling of sadness has taken over them.

Working on a Dream David Masciotra,2010-01-28 Working On a Dream is a powerful and engaging study of this songwriter and performer's art. Springsteen has consistently summoned his creative power and artistic vision to indict political developments and demand the cultivation of a more compassionate and progressive society.

Crafting the Scene Will Hong,2022-06-01 Bringing together an understanding of cinematic technique and creative choices, this book explores how directors make the technical choices to tell a story in the best and most effective way. Analyzing examples from films throughout, it demonstrates how to practice analysis and application to take your storytelling to the next level through creative choices. This book provides a model to bridge the gap between theory and practice by analyzing famous scenes and breaking them down not solely for critical value and within historical context, but primarily for practical value and application. Author Hong illustrates how an understanding of dramatic storytelling and the dramatic context behind scenes allows filmmakers to produce impactful and powerful stories. Foregrounding reading film and media to allow you to engage with films in a critical and perceptive way, this book will help you make films to connect with your audience. Through looking at complete scenes as the primary unit of drama, it teaches how to analyze story movement across a scene to build better stories, pulling practical lessons from these famous moments in cinema to enable better work across preproduction, on set, and during post-production. Serving as a guide through a single semester-long class focused on direction and production, this book is aimed at advanced students and aspiring filmmakers. It is essential reading for filmmakers wishing to build on their creative and technical skills and enrich their storytelling.

Dylan's Autobiography of a Vocation Louis A. Renza,2017-10-19 This book is open access and available on www.bloomsburycollections.com. It is funded by Knowledge Unlatched. Many critics have interpreted Bob Dylan's lyrics, especially those composed during the middle to late 1960s, in the contexts of their relation to American folk, blues, and rock'n'roll precedents; their discographical details and concert performances; their social, political and cultural relevance; and/or their status for discussion as “poems.” Dylan's Autobiography of a Vocation instead focuses on how all of Dylan's 1965-1967 songs manifest traces of his ongoing, internal “autobiography” in which he continually declares and questions his relation to a self-determined existential summons.
