

Behind The Green Curtain

Lizzy Hershberger

Behind the Green Curtain T. Ryle Dwyer, 2010-09-03 Behind the Green Curtain goes beyond any previous book in examining the myth of Irish wartime neutrality.

Behind the Green Curtain Stu Whitney, Bob Kourtakis, 1990 Here Whitney and Kourtakis examine Michigan State football, on and off the field in the Perles years. They interviewed professors, athletes, and coaches to bring the MSU football program and its controversial coach to life. Profiles of some key players whose tangles with their opponents and sometimes the law this fascinating reading.

Behind the Pine Curtain Gerri Hill, 2006-06-01 Jacqueline Keys was ostracized from her small hometown of Pine Springs, Texas when she was seventeen, sent away because she was gay. Her family was the largest employer in the county, owning Pine Springs Lumber, and her father was mayor of this small town. Her mother could not accept the fact that her only child was gay, could not tolerate the gossip about her family. So, with a hundred dollars in her pocket and a one-way bus ticket out of town, Jacqueline was told not to come back until she had come to her senses. And that included being prepared to marry the son of a business associate of the family. Fifteen years later—long after she'd hitch-hiked to Los Angeles, long after she'd worked nights to put herself through college, and long after she'd written her first best seller, No Place For Family—Jacqueline is persuaded to go back to the tiny town of Pine Springs after her father's death. The quick trip she'd envisioned for the funeral turns into weeks as she learns her father's business is suddenly hers to manage. And she is also again face-to-face with the woman who, as a teen, had been Jackie's first crush. She and Kay had been inseparable as kids, and later as teens. They find themselves falling back into their old habits, and Jackie is soon fighting the same feelings she'd had when she was seventeen. But living behind the pine curtain, Kay is afraid of her love for Jackie, afraid of what her family will say, afraid of how the town will react. Jackie refuses to hide, refuses to crawl back into the closet, so once again, she leaves Pine Springs...alone.

Behind the Green Curtain Bruce Anderson, Bruce McEwen, Ronald Rhea, Mark Scaramella, Tim Stelloh, 2012-08-01 Another collection of true crime stories from the pages of the Anderson Valley Advertiser, Mendocino County's newspaper of record.

The Boy Behind the Curtain Tim Winton, 2017-05-04 Eclectic and impassioned, a collection that affirms the power of the written word.' - Observer The Boy Behind the Curtain is a portrait of a life, a place and a man. In this deeply personal

collection of true stories and essays Tim Winton shows how moments from his childhood and life growing up have shaped his views on class, faith, fundamentalism, the environment, and – most pressingly – how all his experiences have made him a writer. From unexpected links between car crashes and faith, surfing and writing, to the story of his upbringing in the changing Australian landscape, *The Boy Behind the Curtain* is an impassioned, funny, joyous, astonishing collection of memories, and Winton's most personal book to date.

Behind The Curtain 2 Marc Levitre, 2012-06 In *Behind the Curtain 2*, author Marc LeVitre pulls back the curtain once again to reveal the Truth as seen in mainstream movies. These films have been chosen because they have impacted LeVitre on a spiritual level. He delves into such themes as coming-of-age, dealing with the cruel world, sports, the despicable, and Disney. LeVitre also analyzes film that should have been in the first book but were not because they were then too complicated or were not on his radar, and he adds to and/or corrects comments made in the first book. LeVitre, in most cases, ties films to Scripture. However, his Holy Spirit again has led him to explore areas of his life in a few instances. The author had believed the first book would be the last, for about a week. Then God inundated him with what appears in this volume. Since the beginning, LeVitre, a pastor's son, has been looking for the moral of the story, and by doing so, has been entertained, but more importantly, has been enlightened. LeVitre has been proud to call New Hampshire home since 1968.

Behind the Curtain Christian Thee, 1994 Describes, in text and look-through and pull-up illustrated panels, the onstage and backstage activities during a performance of the opera *Hansel and Gretel*.

Behind the Red Curtain Hong-My Basrai, 2020-03-30 *Behind the Red Curtain*, a Memoir is a true-life account told in the voice of a growing teenager. In this harrowing tale of coping and survival, the author walks readers into the metamorphosed world of a Vietnamese family inside fallen Saigon during the period following the end of the Vietnam War. No details were spared within and without this broken world after an abrupt change of regimes of international consequences. Within the context of this bigger drama is the author's private journey of coming of age in an uncertain time.

Seen and Not Heard Katie May Green, 2015-10-01 Edward Gorey meets *Downton Abbey* in a deliciously ghostly caper about mischievous children who won't stay inside their gilded portrait frames. Welcome to Shiverhawk Hall It's a big old house full of treasure, mystery, and stories. Here, just look up on the wall. See these beautiful paintings? These are children who used to live here long ago: the DeVillechild twins, the Pinksweet tots . . . my, they look like such good children. So very well behaved. But wait a minute, did you see that? One of their eyes seemed to blink Did you hear that? A rustle A whisper The tiniest scratch Can it be that when darkness falls, the children on the walls at Shiverhawk Hall climb out of their paintings and run amok?

Behind Putin's Curtain Stephan Orth, 2019-05 Journalist Orth delivers a jaunty description of his travels...[that] armchair travelers will enjoy. --Publishers Weekly Funny, insightful, and mind-bendingly entertaining. Stephan Orth is a fearless and

fabulous tour guide to the real Russia and its people. --Lisa Dickey, author of *Bears in the Streets: Three Journeys across a Changing Russia*

Behind the Curtain Jonathan Wilson, 2012-04-09 'EPIC' Financial Times 'PERCEPTIVE' The Sunday Times 'BLISSFUL' Daily Telegraph 'FASCINATING' Independent on Sunday 'TERRIFIC' Henry Winter 'EXCELLENT' Simon Kuper The fascinating story of football in Eastern Europe following the collapse of the Berlin Wall, from the award-winning author of *Inverting the Pyramid* From the war-ravaged streets of Sarajevo, where turning up for training involved dodging snipers' bullets, to the crumbling splendour of Budapest's Bozsik Stadium, where the likes of Puskás and Kocsis masterminded the fall of England, the landscape of Eastern Europe has changed immeasurably since the collapse of communism. Jonathan Wilson has travelled extensively behind the old Iron Curtain, viewing life beyond the fall of the Berlin Wall through the lens of football. Where once the state-controlled teams of the Eastern bloc passed their way with crisp efficiency - a sort of communist version of total football - to considerable success on the European and international stages, today the beautiful game in the East has been opened up to the free market, and throughout the region a sense of chaos pervades. The threat of totalitarian interference no longer remains; but in its place mafia control is generally accompanied with a crippling lack of funds. Jonathan Wilson goes in search of the spirit of Hungary's 'Golden Squad', charts the disintegration of the footballing superpower Yugoslavia, follows a sorry tale of corruption, mismanagement and Armenian cognac through the Caucasuses, reopens the case of Russia's greatest footballer, Eduard Streltsov, and talks to Jan Tomaszewski about an autumn night at Wembley in 1973... **BEHIND THE CURTAIN** is the definitive story of football in Eastern Europe.

Behind Blue Curtains Lizzy Hershberger, 2021-03-09 When Lizzy Hershberger turns fourteen, her schooling ends at eighth grade, and she has no choice but to leave home to work as an unpaid maid for another family. To avoid being rejected by her ultra-conservative Swartzentruber Amish family and community, Lizzy is forced to abandon her dreams because they are too worldly. After being raped by a man who becomes a deacon in her community, Lizzy makes her first attempt at jumping the fence to pursue a non-Amish lifestyle. But without any modern life experience or education, Lizzy considers whether the risks of this unpredictable and dangerous world are worth losing the ties to her Amish friends and family forever. Almost thirty years later, after she has created a new life for herself, her small community is rocked by disturbing sexual assault allegations. Lizzy must decide whether to keep silent for her newly-created family's sake or come forward against the church to advocate for the Amish children she left behind. In 2019, Lizzy Hershberger successfully brought her abuser to justice in an extraordinarily rare case addressing sexual abuse in the Amish church. She faced death threats and intense pressure to stop telling her story. Lizzy refused to back down, and she forged ahead to spark a national movement bringing awareness to the prevalence of sexual assault in isolated communities protected by religious liberties. This gripping true crime memoir reveals the truth behind one of America's most revered and secretive religious sects-hidden behind the

blue curtains of the Amish lifestyle.

Dunkirk, 1940 Robert Carse,1970

Cheap Coffee Karl Wienhold,2021-04-09 What's behind your morning cup of coffee? How much do you really want to know? This book will undoubtedly ruin any tidy, simple, black-and-white interpretation of how the coffee business and international supply chains function. Cheap coffee is a top-to-bottom presentation of the mechanics and economics of the coffee supply chain from the perspective of each stakeholder group and a multi-perspective analysis of its sustainability, lack thereof, and efforts toward it. It is a practical and digestible synthesis of an extensive collection of academic works and studies that few in the coffee industry have taken the time to internalize. It focuses especially on smallholder coffee producers, the most vulnerable stakeholder group.

Tramp Marne Davis Kellogg,2012-02-08 If Susan Isaacs had lived in the American West as an American WASP, she would have created Lilly Bennett. By turns sassy and tough, tender and vulnerable, Lilly, a no-longer-so-young Wyoming belle with degrees in criminology and toxicology, is a private investigator and the marshal of Bennett's Fort, a town owned literally lock, stock, and barrel by her cousin. Shod by Chanel, clad in designer suits, and wearing ladylike white gloves, Lilly is an unlikely but highly efficient detective--as she proves when confronted with solving the murder by poisoning of Cyrus Vaile, the incredibly rich, disgustingly lecherous old patron of the local repertory theater. It happens on the night of his birthday celebration, in full view of Lilly and most of his repertory family, any one of whom might have a pretty good motive for wanting Cyrus dead. And with so much flamboyant emotion obscuring the facts like a theatrical fog, it isn't easy for Lilly to cut through the glycerin tears and get at the unvarnished truth. In Lilly, her eccentric extended family (who made their money in two black crops--oil and Angus cattle), and her dashing suitor Richard Jerome (an ex-Morgan banker turned opera impresario and professional team-roper), Marne Davis Kellogg has invented a fascinating cast of ongoing characters. In Tramp she has created a witty, twisty mystery that shows off each of their talents to perfection.

The False Promise of Green Energy Andrew P. Morriss,2011 Green energy promises an alluring future---more jobs in a cleaner environment. We will enjoy a new economy driven by clean electricity, less pollution, and, of course, the gratitude of generations to come. There's just one problem: the lack of credible evidence that any of that can occur. --

De Valera: Rule David McCullagh,2018-10-26 In this, the concluding volume of David McCullagh's monumental new life of the revolutionary and statesman, we join De Valera in 1932 as he takes the reins of power in the first Fianna Fáil government, and follow him as he confronts one challenge after another - the Economic War, the drafting of Bunreacht na hÉireann, the Emergency, the North, the declaration of the Republic, economic stagnation in the 1950s - and sets about gradually remaking a sovereign Ireland in his own image.Beautifully written and deeply researched, McCullagh's De Valera is

a provocative and nuanced portrait of Ireland's most enigmatic leader, as well as a balanced assessment of his role in shaping our national self-image.
