Shirley Jackson, Influences and Confluences Melanie R. Anderson,Lisa Kröger,2016-05-20 The popularity of such widely known works as The Lottery and The Haunting of Hill House has tended to obscure the extent of Shirley Jackson's literary output, which includes six novels, a prodigious number of short stories, and two volumes of domestic sketches. Organized around the themes of influence and intertextuality, this collection places Jackson firmly within the literary cohort of the 1950s. The contributors investigate the work that informed her own fiction and discuss how Jackson inspired writers of

literature and film. The collection begins with essays that tease out what Jackson's writing owes to the weird tale, detective fiction, the supernatural tradition, and folklore, among other influences. The focus then shifts to Jackson's place in American literature and the impact of her work on women's writing, campus literature, and the graphic novelist Alison Bechdel. The final two essays examine adaptations of *The Haunting of Hill House* and Jackson's influence on contemporary American horror cinema. Taken together, the essays offer convincing evidence that half a century following her death, readers and writers alike are still finding value in Jackson's words.

We Have Always Lived in the Castle Shirley Jackson, 1967-10 THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s

Examining War and Conflict around the World David Jerome Ph.D., 2019-12-02 This volume addresses 10 issues pertaining to war and conflict, such as ethics of war, national security, and refugees, and examines how countries around the world are facing these issues. To truly explore war and conflict, one must consider why the peoples and the leaders of the world behave the way that they do toward one another. For instance, why are refugees, in a variety of circumstances, treated so inhumanely in times of conflict and unrest through no fault of their own? How are women and those in the LGBTQ community treated in terms of service to their country? *Examining War and Conflict around World* includes ten chapters, each addressing a specific issue relating to war and conflict as it pertains to a variety of countries, including anti-Americanism, military robots and drones, nuclear weapons and proliferation, and torture. Each chapter begins with an introduction to the issue. Following the chapter introduction, each chapter highlights that issue in eight countries. Chapters provide historical perspective, but the book addresses each of the issues in a contemporary context. This work will provide an overview for all readers of ten very important topics that address matters relating to war and conflict in the twenty-first century.

Shirley Jackson: A Rather Haunted Life Ruth Franklin, 2016-09-27 Winner • National Book Critics Circle Award (Biography) Winner • Edgar Award (Critical/Biographical) Winner • Bram Stoker Award (Nonfiction) A New York Times Notable Book A Washington Post Notable Nonfiction Pick of the Year Named one of the Best Books of the Year by Entertainment Weekly, NPR, TIME, Boston Globe, NYLON, San Francisco Chronicle, Seattle Times, Kirkus Reviews, and Booklist In this “thoughtful and persuasive” biography, award-winning biographer Ruth Franklin establishes Shirley Jackson as a “serious and accomplished literary artist” (Charles McGrath, New York Times Book Review). Instantly heralded for its “masterful” and “thrilling” portrayal (Boston Globe), Shirley Jackson reveals the tumultuous life and inner darkness of the literary genius behind such classics as “The Lottery” and *The Haunting of Hill House*. In this “remarkable act of reclamation” (Neil Gaiman), Ruth Franklin envisions Jackson as “belonging to the great tradition of Hawthorne, Poe and James” (New York Times Book Review) and demonstrates how her unique contribution to the canon “so uncannily channeled women’s nightmares and contradictions that it is ‘nothing less than the secret history of American women of her era’ ” (Washington Post). Franklin investigates the “interplay between the life, the work, and the times with real skill and insight, making this fine book a real contribution not only to biography, but to mid-20th-century women’s history” (Chicago Tribune). “Wisely rescu[ing] Shirley Jackson from any semblance of obscurity” (Lena Dunham), Franklin’s invigorating portrait stands as the definitive biography of a generational avatar and an American literary genius.

Ebony, 1980-11 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

In Search of the Black Fantastic Richard Iton, 2008-06-06 Prior to the 1960s, when African Americans had little access to formal political power, black popular culture was commonly seen as a means of forging community and effecting political change. But as Richard Iton shows in this provocative and insightful volume, despite the changes brought about by the civil rights movement, and contrary to the wishes of those committed to narrower conceptions of politics, black artists have continued to play a significant role in the making and maintenance of critical social spaces. Iton offers an original portrait of the relationship between popular culture and institutionalized politics tracing the connections between artists such as Paul Robeson, Lorraine Hansberry, Richard Pryor, Bob Marley, and Erykah Badu and those individuals working in the protest, electoral, and policy making arenas. With an emphasis on questions of class, gender and sexuality-and diaspora and coloniality-the author also illustrates how creative artists destabilize modern notions of the proper location of politics, and politics itself. Ranging from theater to film, and comedy to literature and contemporary music, *In Search of the Black Fantastic* is an engaging and sophisticated examination of how black popular culture has challenged our understandings of the aesthetic and its relationship to politics.

Storming Heaven: A Novel Denise Giardina,2010-07-05 This is the story of the miners and the union they wanted, of the people who loved them and the people who wanted to kill their dreams. Annadel, West Virginia, was a small town rich in coal, farms, and close-knit families, all destroyed when the coal company came in. It stole everything it hadn't bothered to buy—land deeds, private homes, and ultimately, the souls of its men and women. Four people tell this powerful, deeply moving tale: Activist Mayor C. J. Marcum. Fierce, loveless union man Rondal Lloyd. Gutsy nurse Carrie Bishop, who loved Rondal. And lonely, Sicilian immigrant Rosa Angelelli, who lost four sons to the deadly mines. They all bear witness to nearly forgotten events of history, culminating in the final, tragic Battle of Blair Mountain—when the United States Army greeted ten thousand unemployed pro-union miners with airplanes, bombs, and poison gas. It was the first crucial battle of a war that has yet to be won.

The Sundial Shirley Jackson,2014-03-27 In *The Sundial* Shirley Jackson, author of *We Have Always Lived in the Castle*, blends family politics and apocalyptic terror to create a disturbing world of sinister relations and the macabre. 'An amazing writer' Neil Gaiman Mrs Halloran has inherited the great Halloran house on the death of her son, much to the disgust of her daughter-in-law, the delight of her wicked granddaughter and the confusion of the rest of the household. But when the original owner - long dead - arrives to announce the world is ending and only the house and its occupants will be saved, they find themselves in a nightmare of strange marble statues, mysterious house guests and the beautiful, unsettling Halloran sundial which seems to be at the centre of it all. Shirley Jackson's chilling tales have the power to unsettle and terrify unlike any other. She was born in California in 1916. When her short story *The Lottery* was first published in *The New Yorker* in 1948, readers were so horrified they sent her hate mail; it has since become one of the greatest American stories of all time. Her first novel, *The Road Through the Wall*, was published in the same year and was followed by five more: *Hangsaman*, *The Bird's Nest*, *The Sundial*, *The Haunting of Hill House* and *We Have Always Lived in the Castle*, widely seen as her masterpiece. Shirley Jackson died in her sleep at the age of 48. 'The world of Shirley Jackson is eerie and unforgettable ... It is a place where things are not what they seem; even on a morning that is sunny and clear there is always the threat of darkness looming, of things taking a turn for the worse' A. M. Homes 'Shirley Jackson is unparalleled as a leader in the field of beautifully written, quiet, cumulative shudders' Dorothy Parker 'Shirley Jackson's stories are among the most terrifying ever written' Donna Tartt
