Fluent Forever (Revised Edition) Gabriel Wyner, 2024-12-31 The bestselling guide to learning a new language and remembering what you learned, now revised and updated “A brilliant and thoroughly modern guide . . . If you want a new language to stick, start here.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Gitars Zero* Gabriel Wyner speaks seven foreign languages fluently. He didn’t learn them in school—who does? Rather, he mastered each one on his own, drawing on free online resources, short practice sessions, and his knowledge of neuroscience and linguistics. In *Fluent Forever*, Wyner shares his foolproof method for learning any language. It starts by hacking the way your brain naturally encodes information. You’ll discover how to hear new sounds and train your tongue to produce them accurately. You’ll connect spellings and sounds to images so that you start thinking in a new language without translating. With spaced-repetition systems, you’ll build a foundation for your language in a week and learn hundreds of words a month—with just a few minutes of practice each day. This revised edition also shares fresh strategies that Wyner has refined over years of study. You’ll learn to • use your interests to curate vocabulary that you’ll actually be excited to study • fast-track fluency, with a new appendix devoted to conversation strategies with native speakers • compile the best language-learning tool kit for your budget • harness the science of motivation and habit building to turbocharge your progress • find the perfect level of difficulty with reading and listening comprehension to stay engaged and avoid frustration With suggestions for helpful study aids and a wealth of free resources, the intuitive techniques in this book will offer you the most efficient and rewarding way to learn a new language.

How to Learn a Foreign Language Paul Pimsleur, 2013-10 In this entertaining and groundbreaking book, Dr. Paul Pimsleur, creator of the renowned Pimsleur Method, the world leader in audio-based language learning, shows how anyone can learn to speak a foreign language. If learning a language in high school left you bruised, with a sense that there was no way you can learn another language, *How to Learn a Foreign Language* will restore your sense of hope. In simple, straightforward terms, Dr. Pimsleur will help you learn grammar (seamlessly), vocabulary, and how to practice pronunciation (and come out sounding like a native). The key is the simplicity and directness of Pimsleur’s approach to a daunting subject, breaking it down piece by piece, demystifying the process along the way. Dr. Pimsleur draws on his own language learning trials and tribulations offering practical advice for overcoming the obstacles so many of us face. Originally published in 1980,

How to Learn a Foreign Language is now available on the 50th anniversary of Dr. Pimsleur's publication of the first of his first audio courses that embodied the concepts and methods found here. It's a fascinating glimpse into the inner workings of the mind of this amazing pioneer of language learning.

Keep Talking Friederike Klippel,1984 Here is a practical tool for teaching communication in the language classroom, suitable for use with students from elementary to advanced level. Language Curriculum Design John Macalister,I.S.P. Nation,2009-09-10 Crystal-clear and comprehensive yet concise, this text describes the steps involved in the curriculum design process, elaborates and justifies these steps, and provides opportunities for practicing and applying them. The description of the steps is done at a general level so that they can be applied in a wide range of particular circumstances. The process comes to life through plentiful examples of actual applications of the steps. Each chapter includes: examples from the authors' experience and from published research tasks that encourage readers to relate the steps to their own experience case studies and suggestions for further reading that put readers in touch with others' experience Curriculum, or course, design is largely a 'how-to-do-it' activity that involves the integration of knowledge from many of the areas in the field of Applied Linguistics, such as language acquisition research, teaching methodology, assessment, language description, and materials production. Combining sound research/theory with state-of-the-art practice, Language Curriculum Design is widely applicable for ESL/EFL language education courses around the world.

Learning Tagalog - Fluency Made Fast and Easy - Course Book 1 + Free Audio Download Frederik De Vos,Fiona De Vos,2012-07 PART OF A SET, which includes: Course Books 1-3, Workbooks 1-3, Essential Tagalog Grammar (a comprehensive grammar reference) and the Course Audio (7 CDs, or downloadable MP3s). Together, this fully integrated suite of learning materials provides all the essential elements you need to learn Tagalog in a fast, fun and easy way and to speak Tagalog fluently. At a pace of 15-30 minutes a day, you'll progress very quickly. In just 6 months (roughly 70 hours),

you'll be able to understand and participate in everyday Tagalog conversations. --- Lively Stories, Literal and Natural Translations, Pronunciation Marks --- Through lively stories and dialogues taken from everyday life in the Philippines, you'll learn useful Tagalog sentences from day one. In the dialogues, every Tagalog sentence is broken down into manageable chunks. Every word has a literal translation, and every sentence has a natural translation, showing you what each word means and how the sentence fits together. This will greatly help you understand how Tagalog works. It will also save you a lot of time, because you don't need to look up words. All Tagalog words and sentences in the learning materials have translations and pronunciation marks, so you'll know what every word means and how to pronounce it. --- Whole Language Learning --- The dialogues are also an ideal way to learn the whole language intuitively, with all its nuances, emotions, typical expressions and choice of words. By learning vocabulary and expressions in a meaningful context, you'll remember them more easily and you'll be able to use them in the right situations. --- Comprehensive Grammar Reference, Lesson Notes --- The cultural and grammatical notes in the lessons, paired with the comprehensive grammar reference, will give you an in-depth understanding of the language, using short, simple explanations and plenty of practical examples. You'll find the grammar reference a valuable resource, even long after you have reached fluency. --- Course Audio --- By listening to the audio tracks and repeating them out loud, you'll learn the correct Tagalog pronunciation and natural intonation. Doing this will also help you memorize the sentences. --- Workbooks --- The exercises in the workbooks are very effective at reinforcing the vocabulary and sentence patterns you have learned in the lessons. They are also a great way to test your progress. You can check your answers against the answer key provided at the end of each workbook. --- Well-thought-out Structure, Learner's Perspective --- The course has a well-thought-out structure that introduces useful material early on while still being easy to follow. It has been co-authored by a non-native speaker and carefully designed from the perspective of the learner. --- Level --- Learning Tagalog: Fluency Made Fast and Easy is suitable for beginners as well as intermediate learners. Advanced learners can take it as a refresher. --- Free videos and downloads --- For free videos, free downloads and more information, visit LearningTagalog.com.

Spoken English Learned Quickly Lynn Lundquist, 2002-01-01 Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb. SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study - all students use the same course, and are immediately immersed in normal, spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses. www.spokenli.com gives two free demonstration lessons.

Fast and Fluent; Memory Hacks to Learn Any Language Akhila Phadnis, Meghna, Chandrika, 2019-05-20 If learning a new language is really difficult, can you explain how you know the English language, which has more than 100,000 words? This

book aims to help readers understand how they learn and remember language. It is especially helpful for those who believe that learning a new language is difficult and time-consuming, not to mention the intense effort involved in memorizing new words and usage rules. Turning this assumption on its head, Akhila Phadnis and Meghna Chandrika Narendran show how easy it, in fact, is, providing pointers and exercises that serve as memory hacks to enhance our ability to absorb and retain vocabulary, as well as the underlying rules of grammar. What is more, it unravels basic rules that can be applied to any language and can even be used to improve proficiency in languages already known. The worksheets provided at the end of the book serve to boost and consolidate the skills imparted in every chapter. Fast and Fluent will not only help you pick up a new language fast, it will also help you communicate effectively in any language of your choice.
