

# Jackie And Cassini A Fashion Love Affair

**John Glatt**

**Jackie and Cassini** Lauren Marino,2016-10-04 The bestselling author of *What Would Jackie Do?* turns her loving lens on Jacqueline Kennedy's Secretary of Style selection of Oleg Cassini, launching a powerful partnership that influenced global fashion for decades. As the glamorous Kennedys took the White House in 1961, Jackie appointed famed designer- and family friend-Oleg Cassini, as her personal Secretary of Style. From classic pillbox hats to casually elegant daywear and empire dresses, Cassini created an enduring look for the stylish Mrs. Kennedy, and she became a fashion muse for the ages. Meanwhile, women across the country enthusiastically copied her look-one that endures today and that transformed Jackie into one of the most beloved style icons of all time. *Jackie and Cassini* showcases the fashions and details the collaborations of an extraordinary teaming of designer and muse.

[What Would Dolly Do?](#) Lauren Marino,2018-04-24 A spirited homage to Dolly Parton that captures the unique humor, no-nonsense wisdom, flash, and sass of one of America's most iconic stars. One of twelve children raised in a shack in the foothills of the Appalachian Mountains, Dolly Parton grew to become an international superstar famous for classic songs such as *Jolene*, *9 to 5*, *The Coat of Many Colors*, and *I Will Always Love You*. She is a reflection of the American dream, a role model for the ages, and a mentor to a whole new generation of entertainers. There is much to be learned from her unique brand, her big heart and spirituality, her grit and work ethic. This lively, illustrated book--part biography, part inspiration, part words of wisdom and life lessons--highlights the very best of the Dolly Mama, from her quotable Dollyisms, unrelenting positivity, and powerful spirituality, to her belief in the human ability to overcome adversity. Drawing on Dolly's two

autobiographies, cookbooks and songs; as well as artifacts; books by her family members; biographies; and decades worth of television, print interviews and performances, *What Would Dolly Do?* shows you how to tap into your Inner Dolly with confidence, faith, and humor.

*Bobby and Jackie C.* David Heymann, 2009-08-04 From New York Times bestselling author C. David Heymann, an in-depth and controversial look at the much talked about but never fully revealed relationship between Jacqueline Kennedy Onassis and Robert F. Kennedy. Few writers have immersed themselves in the world of the Kennedys as completely or successfully as C. David Heymann, whose Jackie Kennedy Onassis biography, *A Woman Named Jackie*, reached #1 on the New York Times bestseller list, sold more than a million copies in hardcover, and was hailed by *People* as the Best Book of 1989. Now he draws on his impressive list of sources and impeccable insight to reveal the truth behind one of the most tantalizing relationships in American history. Readers have long been fascinated by the rumored love affair between Jackie Kennedy and Bobby Kennedy. With *Bobby and Jackie*, they will finally get behind-closed-doors access to the emotional connection between these two legendary figures. An open secret for decades among Kennedy insiders, their affair emerges from the shadows in an illuminating book that only the author of *The Georgetown Ladies' Social Club* and *American Legacy* could produce. This is the book that readers will be talking about for years to come.

*Free, Melania* Kate Bennett, 2024-07-02 The first behind-the-scenes look at the life of the most enigmatic First Lady in US history. Melania Trump is an enigma. Regardless of your political leanings, she is fascinating—and one of the most groundbreaking First Ladies in history. A former model who speaks five languages, her upbringing in a former communist country spurred a relentless drive for stability. A reluctant pillar in a controversial presidential administration, she ran the East Wing like none of her predecessors ever could. But who is she really? In *Free, Melania* we get an insider's look at Melania Trump, from her childhood in Slovenia to her days in the White House, and everything in between. We get a behind-the-scenes look at her relationship with Donald, and her role in Trump family dynamics, including her strained relationship with Ivanka. We get a rare glimpse into her famous clothing choices (including the message behind her controversial jacket, "I Really Don't Care, Do U?", worn on a visit to the US-Mexico border), and how a publicly quiet Melania actually speaks very loudly—if you just know where, and how, to listen.

*Creative Careers in Fashion* Debbie Hartsog, 2010-06-29 Want to become a fashionista—for real? Get this book! Fun and entertaining, *Creative Careers in Fashion* reveals how the fashion industry works—and explores the vast range of career opportunities in the field. Focusing on the most creative jobs, including accessory, costume, and fashion design, as well as make-up artists, wardrobe consultants, textile designers, and colorists, this book showcases the practical information that will help readers find the perfect job and get it. Included are details on salary ranges, educational and experience requirements, where jobs are located, and new trends. Cameo interviews with real-life fashion professionals offer insider tips.

Comprehensive, practical, and inspiring, *Creative Careers in Fashion* is the complete guide to finding a new career in an exciting industry. • Start a new career with help from industry insiders • Dozens of creative careers for students, career changers, anyone looking for their new parachute • Resources include detailed school and college listings Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

**JFK and Mary Meyer: A Love Story** Jesse Kornbluth, 2020-01-21 “A breezy, tantalizing view of the woman who, through wiles and a complete lack of scruples, briefly transcended the role of presidential mistress—and may have paid for it with her life.” —The New York Times John F. Kennedy said he needed sex every three days or he got a headache. In the White House, he never had a headache. Kennedy met Mary Pinchot in 1935, when he was eighteen and she was sixteen. Twenty years later, when she was living in Virginia and married to Cord Meyer, a high-ranking CIA official, she was Jack and Jackie Kennedy's next-door neighbor. In 1962, she was an artist, divorced, living in Washington—and Kennedy's first serious romance. Mary Pinchot Meyer was more than a bedmate. She was Kennedy's beacon light: his sole female adviser, spending mornings in the Oval Office, and, at night, discussing issues. After the 1964 election, Kennedy said, he would divorce Jackie and marry her. After the assassination, Mary didn't believe Lee Harvey Oswald acted alone, and she shared that view, loudly and often, in Washington's most elite circles. Her ex-husband urged her to be silent, but when the report of the Warren Commission was released, she was even more loudly critical. On October 10, 1964, two days before her forty-fourth birthday, as she walked in Georgetown, a man shot her in the head and the heart. That night, Mary's best friend called her sister. “Mary had a diary,” she said. “Get it.” The diary was filled with sketches, notes for paintings—and ten pages about an affair with an unnamed lover. Her sister burned it. In *JFK and Mary Meyer: A Love Story*, Jesse Kornbluth recreates the diary Mary might have written. Working from a timeline of Kennedy's presidency and every documented account of their public relationship, he has written a high-octane thriller that tracks this secret, doomed romance—and invites readers to solve Mary's murder.

**Presidential Sex** Wesley O. Hagood, 1998 With profiles on Bill Clinton, Thomas Jefferson, FDR, JFK, Lyndon Johnson, and Eisenhower, this book describes the impact that freewheeling sexual behavior has had upon first families, election campaigns, political careers, and the nation itself.

*A Year in High Heels* Camilla Morton, 2011-05-26 If your resolutions tend to look much the same from one year to another

and you are suffering from the suspicion that someone, somewhere is having more fun than you, then you need something to revitalise your lust for life. *A YEAR IN HIGH HEELS* is here to help. This book will guide you through the months with a perfectly co-ordinated combination of culture and challenges. With a monthly muse to inspire, and a suggested title for that soon-to-be-formed book club, dumbing down is so last season. Erin O'Connor, Diane von Furstenberg, Matthew Williamson and others share their secrets about their favourite places - so the next time you check in you'll know what to check out - while Dita von Teese, Anya Hindmarch and Christian Lacroix show you how to undress, how to go green and how to appreciate opera. Eclectic, practical and fantastical, *A YEAR IN HIGH HEELS* is crammed with fascinating stories, inspiring ideas and surprisingly sensible advice. Forget who, when, why and what to wear. Get ready to wow!

**Hermes** Alice Charbin, Rachael Canepari, 2020-03-03 An elegant collection of Alice Charbin's whimsical illustrations from her 18-year collaboration with Hermès For 18 years, illustrator Alice Charbin has been inviting people to escape to the whimsical world of Hermès, where the brand's iconic orange box frequently shapeshifts and appears in the most unlikely of places. *Hermès: Heavenly Days* brings together 300 of Charbin's best drawings from the collaboration in a beautiful package that's perfect for every bookshelf and coffee table. From Christmas in the North Pole to spring time in the streets of Paris, these winks from the house of Hermès will make readers of all ages smile and see life . . . in orange!

**Bookish Broads** Lauren Marino, 2021-02-09 A boldly illustrated celebration of literary history's most revolutionary, talented women writers Women have written some of our most extraordinary literary works while living in societies and cultures that tried to silence them. These women dared to put pen to paper to express the multifaceted female experience. In *Bookish Broads*, Lauren Marino celebrates fierce, trailblazing female writers, reworking the literary canon that has long failed to recognize the immense contributions of women. Featuring more than 50 brilliant bookish broads, Marino cleverly illuminates the lives of the greats as well as the literary talents history has wrongfully overlooked. Each intimate portrait delves into one woman's works and is accompanied with vibrant illustrations by Alexandra Kilburn depicting each literary legend in her element and time. "Marino's chronicle of women wordsmiths invites readers to better appreciate the influence of past writers on their modern counterparts and to embrace a more inclusive, global view of the female experience . . . *Bookish Broads* illuminates the transformative legacy of women writers and invites us to join a story still unfolding." —Charleston Post and Courier

**Dreaming in French** Alice Kaplan, 2012-02-29 "Alice Kaplan's triple portrait of three iconic mid-century American women dazzles beyond our evergreen fascination with [their] wildly disparate lives." —Patricia Hampl, *New York Times* Notable author *A year in Paris* . . . since World War II, countless American students have been lured by that vision—and been transformed by their sojourn in the City of Light. *Dreaming in French* tells three stories of that experience, and how it changed the lives of three extraordinary American women. All three women would go on to become icons, key figures in

American cultural, intellectual, and political life, but when they embarked for France, they were young, little-known, uncertain about their future, and drawn to the culture, sophistication, and drama that only Paris could offer. Yet their backgrounds and their dreams couldn't have been more different. Jacqueline Bouvier was a twenty-year-old debutante, a Catholic girl from a wealthy East Coast family. Susan Sontag was twenty-four, a precocious Jewish intellectual from a North Hollywood family of modest means, and Paris was a refuge from motherhood, a failing marriage, and graduate work in philosophy at Oxford. Angela Davis, a French major at Brandeis from a prominent African American family in Birmingham, Alabama, found herself the only black student in her year abroad program—in a summer when all the news from Birmingham was of unprecedented racial violence. Kaplan takes readers into the lives, hopes, and ambitions of these young women, tracing their paths to Paris and tracking the discoveries, intellectual adventures, friendships, and loves that they found there—experiences that would continue to influence them for the rest of their lives. “An elegant and entertaining work.”  
—Minneapolis Star-Tribune

**The Ruling House of Monaco** John Glatt, 1998 A history of the Grimaldi family, rulers of the principality of Monaco, and a discussion of the many problems that have faced each of the three children of Prince Rainier and his wife, former US film star, Grace Kelly. It traces the decline of a tragic dynasty.

Grace & Power Sally Bedell Smith, 2011-08-15 Unlike so many other books, *Grace and Power* rejects gossip and conspiracy theory to tell the story of John and Jackie's three years in the White House soberly, comprehensively and sensitively, from beginning to sudden end. Sally Bedell Smith's book on John and Jackie Kennedy was hailed by authoritative reviewers on both sides of the Atlantic as the most distinguished and well-written book on a perennially fascinating subject for years. In the US the hardback was high on the New York Times bestseller list for weeks. It is an immensely poignant chronicle of pivotal historical events seen from the inside out, from within the private home of the President and First Lady. Amidst the superficial opulence of their social circle, we see the Cuban Missile Crisis and the burgeoning American civil rights movement from the perspective of an invalid president often barely well enough to appear in public. Together with his young wife, abandoned by her husband's relentless womanising, nevertheless changed the politics and style of America. *Grace and Power* is the classic account of that time.

*What Would Dolly Do?* Lauren Marino, 2018-04-24 A spirited homage to Dolly Parton that captures the unique humor, non-nonsense wisdom, flash, and sass of one of America's most iconic stars. One of twelve children raised in a shack in the foothills of the Appalachian Mountains, Dolly Parton grew to become an international superstar famous for classic songs such as *Jolene*, *9 to 5*, *The Coat of Many Colors*, and *I Will Always Love You*. She is a reflection of the American dream, a role model for the ages, and a mentor to a whole new generation of entertainers. There is much to be learned from her unique brand, her big heart and spirituality, her grit and work ethic. This lively, illustrated book--part biography, part inspiration,

part words of wisdom and life lessons--highlights the very best of the Dolly Mama, from her quotable Dollyisms, unrelenting positivity, and powerful spirituality, to her belief in the human ability to overcome adversity. Drawing on Dolly's two autobiographies, cookbooks and songs; as well as artifacts; books by her family members; biographies; and decades worth of television, print interviews and performances, *What Would Dolly Do?* shows you how to tap into your Inner Dolly with confidence, faith, and humor.

*Jacqueline Bouvier Kennedy Onassis* Barbara Leaming, 2014-10-28 "Provocative . . . Jackie's post-1963 actions make a new kind of sense . . . With a diagnosis of PTSD in mind, incidents once criticized . . . can be reassessed." —USA Today The instant New York Times and USA Today bestseller! The untold story of how one woman's life was changed forever in a matter of seconds by a horrific trauma. Barbara Leaming's extraordinary biography is the first book to document Jacqueline Kennedy Onassis' lonely and valiant thirty-one year struggle with post-traumatic stress disorder (PTSD) that followed JFK's assassination. Here is the woman as she has never been seen before. In heartrending detail, we witness a struggle that unfolded at times before our own eyes, but which we failed to understand. Leaming's biography also makes clear the pattern of Jackie's life as a whole. We see how a spirited young woman's rejection of a predictable life led her to John F. Kennedy and the White House, how she sought to reconcile the conflicts of her marriage and the role she was to play, and how the trauma of her husband's murder which left her soaked in his blood and brains led her to seek a very different kind of life from the one she'd previously sought. A life story that has been scrutinized countless times, seen here for the first time as the important story that it is. A story for our times at a moment when we as a nation need more than ever to understand the impact of trauma. "An intimate and revealing look at one of the 20th century's most remarkable—and misunderstood—women." —Kirkus Reviews "Compelling. . . [A] fruitful way of making sense of Jackie's sometimes odd-seeming choices." —The Boston Globe

**These Few Precious Days** Christopher Andersen, 2013-08-06 #1 New York Times bestselling biographer "Christopher Andersen has a real track record when it comes to celebrity bios....He looks at Jack and Jackie Kennedy during their final year, pondering aloud whether after all the triumphs and betrayals they still loved each other" (Library Journal). They were the original power couple—outlandishly rich, impossibly attractive, and endlessly fascinating. Now, in this rare, behind-the-scenes portrait of the Kennedys in their final year together, New York Times bestselling biographer Christopher Andersen shows us a side of JFK and Jackie that we've never seen before. Tender, intimate, complex, and, at times, explosive, theirs is a love story unlike any other—filled with secrets, scandals, and bombshells that could never be fully revealed until now.

**Karlheinz Weinberger** Karlheinz Weinberger, 2000 For decades the work of Swiss photographer Karlheinz Weinberger was shrouded in obscurity. In the 1950s he published numerous homoerotic photographs under the pseudonym Jim in *Der Kreis* (The Circle), the legendary international gay magazine that featured highly sophisticated photographs by, among

others, George Platt Lynes and Herbert List. Weinberger was one of the first queer photographers to show his often working class models posing in their everyday surroundings. For Weinberger, eroticism was always grounded in the quotidian -- a revolutionary and courageous approach back in the 1950s. In the late 1950s Weinberger started to develop an obsessive interest in the nascent biker culture and its proud and self-confident celebration of the body, embarking on a longtime study of their lifestyle. In many ways, Weinberger's photographs will remind viewers of Kenneth Anger's cult classic *Scorpio Rising*. Weinberger's photographs are a unique document both of pre-Stonewall gay culture and postwar youth culture and its cycles. His erotic and provocative photographs are imbued with a mischievous sense of humor that makes them as vibrant and vital today as they were when they were first taken.

**Diana & Jackie** Jay Mulvaney, 2007-10-02 "Irresistibly readable . . . it's not just another biography, it's a compare-and-contrast study of the two style-and-glamour icons." —Publishers Weekly Diana, Princess of Wales and Jacqueline Kennedy Onassis were the most famous women of the twentieth century. Separated by nationality and a generation apart, they led surprisingly similar lives. Both were daughters of acrimonious divorce. Both wed men twelve years their senior who needed "trophy brides" to advance their careers. Both married into powerful and domineering families, who tried, unsuccessfully, to tame their willful independence. Both inherited power through marriage and both rebelled within their official roles. And both revolutionized dynasties. Yet in many ways they were strikingly different: Jackie maintained an English "stiff upper lip" —never complaining, never explaining in the face of immense public curiosity. Diana lived her life with an American "quivering lower lip" —with televised tell-alls exposing her family drama to the world. These two lives have been well documented but never before compared or examined in the context of their times. Now this unique biography explores: -The nature of their personalities, forged from the cradle by their relationships with their fathers, Black Jack Bouvier and Johnny Spencer -Their early years, and their early relationships with men -Their marriages, and the truth behind the lies, the betrayals and the arrangements -Their greatest achievements: motherhood -Their prickly relationships with their mothers-in-law, Rose Kennedy and Queen Elizabeth II -Their lives as single women and working mothers -Their roles as icons and archetypes Graced with never-before-seen photos from private collections, and painstakingly researched, Diana and Jackie presents these two remarkable women as they've never been seen before. "Weaving the two lives together brings the icons even closer to their admirers." —Dallas Morning News "Fun for anyone who loved either or both women . . . an eminently readable book." —Denver Post

**Rebel Youth** Martynka Wawrzyniak, Patrik Schedler, Bruce Hackney, 2011 This first-of-its-kind collection presents photographer Karlheinz Weinberger's influential portraits of rebel youth of the sixties. While Karlheinz Weinberger is known as a pioneer of male erotic imagery, the Swiss amateur photographer also left an indelible mark on the fashion world with his decades-long documenting of vibrant rebel youth culture. These working-class teenagers created looks that fused iconic

American pop culture imagery—biker jackets, denim jeans, bouffant hairdos, James Dean insouciance—with their own idiosyncratic sensibilities. From the late 1950s through the '60s, Weinberger captured the defiant glamour of these youths with a keen eye for their provocative handmade designs. Inspired by the rebel youth's pop playfulness and fierce individuality, a legion of contemporary fashion-industry leaders have been profoundly influenced by the photographs collected in this stunning volume.

Delve into the emotional tapestry woven by in **Jackie And Cassini A Fashion Love Affair** .
