Jump Ship to Freedom James Lincoln Collier, Christopher Collier, 2012-05-01 Young Daniel Arabus and his mother are slaves in the house of Captain Ivers of Stratford, Connecticut. By law they should be free, since Daniel's father fought in the Revolutionary army and earned enough in soldiers' notes to buy his family's freedom. But now Daniel's father is dead, and Mrs. Ivers has taken the notes from his mother. When Daniel bravely steals the notes back, a furious Captain Ivers forces him aboard a ship bound for the West Indies—and certain slavery. Even if Daniel can manage to jump ship in New York, will he be able to travel the long and dangerous road to freedom? The second book in the Arabus family saga finds young Daniel trying to retrieve the notes that ensure his and his mother's freedom, until he is forced aboard a boat and headed for certain slavery in the West Indies.

*The Winter Hero* James Lincoln Collier, Christopher Collier, 2012-12-01 Justin Conkey was too young to fight in the Revolution of 1776, but now it is 1787 and he is fourteen. Justin is ready to fight, even if he has only his father's old sword to protect him. But once on the battlefield, war is not what he expected. It is dangerous and frightening and nothing makes sense. Throughout a particularly bitter winter the young man is desperate to prove that he too can be a hero—not realizing that many times heroes turn out to be just ordinary people caught up in extraordinary events, who do what comes naturally to save others regardless of risk to themselves. Insisting on joining General Daniel Shays' group of Regulators, he lies about his age and marches with the group throughout New England. But war puts friendships and political convictions to the test.

**The Empty Mirror** James Lincoln Collier, 2013-06-01 Nick Hodges had always been a troublesome boy. Growing up an orphan in his Uncle Jack's care in a small New England town wasn't easy. Everyone was a little wary, a little watchful—a little too watchful. One day, while Nick is walking in the woods, a neighbor thinks she sees him miles from where he actually is. Soon a series of events reinforcing Nick's hotheaded reputation unfold. The incidents become increasingly serious until, finally, Nick is the scapegoat for a much more sinister crime, one that he wouldn't even think of committing. As he uncovers history of the town's influenza epidemic, and as he observes a strange occurrence in the graveyard, Nick begins to suspect something out of the ordinary is happening. And when he sees a figure running in the woods wearing the mirror image of his own shirt, Nick starts to piece together some of the answers—answers no one could have imagined. James Lincoln Collier has written a haunting story of a boy and his reflection—and what happens when two souls want to inhabit the same living body.

*The Liar's Wife* Mary Gordon, 2014-08-05 The award-winning author at her storytelling best: four compelling novellas of Americans in Europe and Europeans in America. In these absorbing and exquisitely made novellas of relationships at home and abroad, both historical and contemporary, we meet the ferocious Simone Weil during her final days as a transplant to New York City; a vulnerable American grad student who escapes to Italy after her first, compromising love affair; the charming Irish liar of the title story, who gets more out of life than most of us; and Thomas Mann, opening the heart of a high-school kid in the Midwest. These narratives dazzle on the surface with beautifully rendered settings and vistas, and dig deep psychologically. At every turn, Mary Gordon reveals in her characters' interactions those crucial flashes of understanding that change lives forever. So richly developed it's hard to believe they fit into novella-size packages, these tales carry us away both as individual stories and as a larger experience of Gordon's literary mastery and human sympathy. This eBook edition includes a Reading Group Guide.
