## Emilie Pine

*Note to Self* Connor Franta, 2017-04-18 In his New York Times bestselling memoir, *A Work in Progress*, Connor Franta shared his journey from small-town Midwestern boy to full-fledged Internet sensation. Exploring his past with humor and astounding insight, Connor reminded his fans of why they first fell in love with him on YouTube—and revealed to newcomers how he relates to his millions of dedicated followers. Now, two years later, Connor is ready to bring to light a side of himself he's rarely shown on or off camera. In this diary-like look at his life since *A Work In Progress*, Connor talks about his battles with clinical depression, social anxiety, self-love, and acceptance; his desire to maintain an authentic self in a world that values shares and likes over true connections; his struggles with love and loss; and his renewed efforts to be in the moment—with others and himself. Told through short essays, letters to his past and future selves, poetry, and original photography, *Note to Self* is a raw, in-the-moment look at the fascinating interior life of a young creator turning inward in order to move forward.

**Notes to Self** Emilie Pine, 2019-01-31 THE EXTRAORDINARY #1 BESTSELLER AND WORD-OF-MOUTH LITERARY PHENOMENON 'Razor-sharp and raw; her story is utterly original yet as familiar as my own breath . . . my favourite memoir of the year' Glennon Doyle, #1 New York Times bestselling author of *Untamed* \*\*\*\*\* 'I am afraid of being the disruptive woman. And of not being disruptive enough. I am afraid. But I am doing it anyway.' In this dazzling debut, Emilie Pine speaks to the business of living as a woman in the 21st century - its extraordinary pain and its extraordinary joy. Courageous, humane and uncompromising, she writes with radical honesty on birth and death, on the grief of infertility, on caring for her alcoholic father, on taboos around female bodies and female pain, on sexual violence and violence against the self. Devastatingly poignant and profoundly wise - and joyful against the odds - *Notes to Self* offers a portrait not just of its author but of a whole generation. 'Do not read this book in public: it will make you cry' Anne Enright 'Every line pulses with the pain and joy and complexity of an extraordinary life' Mark O'Connell RUTH & PEN, EMILIE PINE'S FIRST NOVEL, IS OUT ON THE 5TH OF MAY 2022

*Notes to Myself* Hugh Prather, 2009-09-16 Reading *Notes To Myself* is one of those rare experiences that comes only once in a great while. The editor who discovered the book said, When I first read Prather's manuscript it was late at night and I was tired, but by the time I finished it, I felt rested and alive. Since then I've reread it many times and it says even more to

me now. The book serves as a beginning for the reader's exploration of his or her own life and as a treasury of thoughtful and insightful reminders.

**Note to Self** Gayle King, 2019-04-30 In this New York Times bestseller, Gayle King collects her favorite inspiring letters from the popular CBS This Morning segment Note to Self, in which twenty-first century luminaries pen advice and encouragement to the young people they once were. What do Congressman John Lewis, Dr. Ruth, and Kermit the Frog wish they could tell their younger selves? What about a gay NFL player or the most successful female race car driver? In Note to Self, CBS This Morning cohost Gayle King shares some of the most memorable letters from the broadcast's popular segment of the same name. With essays from such varied figures as Oprah, Vice President Joe Biden, Chelsea Handler, and Maya Angelou—as well as poignant words from a Newtown father and a military widow—Note to Self is a moving reflection on the joys and challenges of growing up and a perfect gift for any occasion.

*Note to Self* Andrea Buchanan, 2009-01-06 Thirty inspiring women share the enduring lessons they have learned from the defining moments of their lives. Life rarely works out exactly as we plan. Rejection by a cherished friend, the onset of an unexpected illness, struggle with body image and self-perception -- these experiences may challenge us, but our triumphs come to define us. We find comfort, joy, tears, and laughter in the wisdom, insight, and empathy we gain. In Note to Self, thirty dynamic women share their inspirational stories with writer, director, and television and film producer Andrea Buchanan. Celebrities such as Grammy Award-winning rock star Sheryl Crow and Emmy Award-winning actress Camryn Manheim join stuntwoman Stacy Courtney, football player Katie Hnida, seventy-year-old HIV-positive grandmother Beverly London, and alcoholic-turned-interventionist Candy Finnigan to reflect on their unforgettable stories of redemption. Punctuated by tears and laughter, these poignant tales are full of incredible strength, invaluable knowledge, insurmountable odds, helpful survival instincts, amazing willpower, humiliation -- sometimes on a national level -- and a hefty dose of humor. These unstoppable women emerged stronger, wiser, and more successful from the often painful and humbling turning points in their lives. While none of their unique stories will fit neatly on a sticky note you can tape to your wall, each of them carries an indelible message that can.

Note to Self Mia Brabham, 2020-06-13 It started as this: a journal. A private diary of moments in time, a collection of personal life lessons and questions, an assemblage of knowledge from a girl who knows nothing, really, but might know a thing or two. In these personal thoughts-turned-quotes, Mia Brabham explores life's questions and makes bold observations. The punchy yet soulful musings are whimsical and self-effacing; self-deprecating and kind. They're raw, they're tough love, they're tender affection. They were written tired and inspired. Hungry for more and full with what she had. They were written with intense honesty, or at least her version of it, because who was ever going to read them? They're about how dreams are secretly shapeshifters, and how people can be simultaneously amazing and crummy. They're about how

heartbreak molds you and how love is not only a feeling but also a choice. These thoughts are about how decisions are hard but less hard when you realize that existing is about what makes your soul sing. About how this life is playful, and scary, and above all things -- beautiful. These quotes have been lived. These quotes are stories. This little book of ponderings is the perfect gift for anyone with an affinity for words and wisdom who is ready to become more of themselves.

From Self to Self Leo Hartong,2005-09-18 A compilation of expressions, questions and answers that came about in response to Leo's highly praised first book *Awakening to the Dream*. Leo writes with characteristic insight and uses metaphor to illuminate the paradoxical and apparently confusing nature of non-dual reality. His original writing is reinforced by a vast knowledge of non-duality in other spiritual traditions and he weaves these together with his own direct path to present clear pointers to contemporary seekers. An appropriately chosen quotation taken from various sources appears at the end of each short chapter. Also included at the end of the book is the full text of the Hsin-hsin Ming by the third Chan patriarch Seng-ts'an. "The words in this book repeatedly point to the essence which knows the reading as it takes place. Rather than an encouragement to follow a lengthy path, it is an invitation to step off the path. It does not point to 'your' awareness, but to Awareness itself in which the idea of 'you' appears. It does not point to 'your' beingness, but to the undeniable Beingness that appears as you."

**Notes From A Small Island** Bill Bryson,2010-03-02 In 1995, before leaving his much-loved home in North Yorkshire to move back to the States for a few years with his family, Bill Bryson insisted on taking one last trip around Britain, a sort of valedictory tour of the green and kindly island that had so long been his home. His aim was to take stock of the nation's public face and private parts (as it were), and to analyse what precisely it was he loved so much about a country that had produced Marmite; a military hero whose dying wish was to be kissed by a fellow named Hardy; place names like Farleigh Wallop, Titsey and Shellow Bowells; people who said 'Mustn't grumble', and 'Ooh lovely' at the sight of a cup of tea and a plate of biscuits; and Gardeners' Question Time. *Notes from a Small Island* was a huge number-one bestseller when it was first published, and has become the nation's most loved book about Britain, going on to sell over two million copies.

*Everything I Know About Love* Dolly Alderton,2018-02-01 A celebration of our female friendships, of our messy years, and of growing up together. Glittering with wit, heart, and humour, it's a book to share with every woman you've ever been lucky enough to call a friend. "Nearly everything I know about love, I've learnt from my long-term friendships with women." I know that love can be loud and jubilant. It can be dancing in the swampy mud and the pouring rain at a festival and shouting "YOU

ARE AMAZING” over the band. It’s laughing until you wheeze. It’s walking along the street together on a Saturday night and feeling an entire city is yours. I also know that love is a pretty quiet thing. It’s lying on the sofa together drinking coffee, talking about where you’re going to go that morning to drink more coffee. It’s folding down pages of books you think they’d find interesting. I know that love happens under the splendour of fireworks and sunsets, but also happens when you’re lying on blow-up airbeds in a childhood bedroom, sitting in A&E or in the queue for a passport. \*\*\*\*\* WHAT READERS ARE SAYING: ‘A book every girl in her 20s needs to read’ ‘I’ll never stop recommending this book’ ‘This is my comfort book! I LOOOOVE THIS BOOK TO MY CORE’ ‘I wish I could read it for the first time again’ A Sunday Times bestseller, September 2022 TikTok Book Awards Winner, August 2023

Ruth & Pen Emilie Pine, 2022-05-05 The brilliant debut novel from Emilie Pine, author of the international bestseller Notes to Self Dublin, 7 October 2019 One day, one city, two women: Ruth and Pen. Neither knows the other, but both are asking the same questions: how to be with others and how, when the world won't make space for you, to be with yourself? Ruth's marriage to Aidan is in crisis. Today she needs to make a choice - to stay or not to stay, to take the risk of reaching out, or to pull up the drawbridge. For teenage Pen, today is the day the words will flow, and she will speak her truth to Alice, to ask for what she so desperately wants. Deeply involving, poignant and radiantly intelligent, it is a portrait of the limits of grief and love, of how we navigate our inner and outer landscapes, and the tender courage demanded by the simple, daily quest of living. 'Emilie Pine is one of the most important new voices in Irish Literature. Everything she writes is imbued with wisdom' David Park 'Emilie Pine's debut novel is ambitious, poignant and playful, with a feminist nod to Joyce . . . it is as surprising and playful as it is ambitious and relevant' Irish Independent 'This is an exciting, warm and engaging debut that signals, one hopes, even greater things to come' The Business Post WINNER OF THE KATE O'BRIEN AWARD

The Politics of Irish Memory E. Pine, 2010-11-17 Irish culture is obsessed with the past, and this book asks why and how. In an innovative reading of Irish culture since 1980, Emilie Pine provides a new analysis of theatre, film, television, memoir and art, and interrogates the anti-nostalgia that characterizes so much of contemporary Irish culture.

**The House on Mango Street** Sandra Cisneros, 2013-04-30 A TODAY SHOW #ReadWithJenna BOOK CLUB PICK NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

*Being Bold* Richelle E Goodrich, 2020-08-22 *Being Bold* is the next in a line of inspirational and motivational books written by American author and novelist, Richelle E. Goodrich. In the same vein as *Smile Anyway*, *Making Wishes*, and *Slaying Dragons*, *Being Bold* includes quotes, poetry, and a number of short stories. Enjoy a profound thought for every day of the year, including the popular following: Life made me an actor from birth. The world, darling, is not my stage but my audience. Don't sink too deep into yourself. That is the secret to happiness. Friends make everything easier. If you want to

succeed at a challenge, involve your friends. They have an amazing capacity to lighten physical, emotional, and mental burdens by simply being there. Life can be awful. Life can be ugly. And still there are those who smile at the darkness, anticipating the beauty of an eventual sunrise. Yes, love is a super power. It is the ultimate super power. When a monster grows quiet and crumbles to the ground weeping, you feel sorry for him. You may approach with caution and hope, whispering words of peace. But in the morning he will rise to his full height, roaring and stomping and baring his sharp teeth because he is, after all, a monster. This book was written to be used for daily inspiration and motivation.

*You Were the Soul to My Existence* Amna Dhanani, 2019-09 *You were the Soul to my Existence* is a pure example of how the one you love is nothing else but the soul of one's existence and after it's gone, your life becomes lifeless like leaves do in Autumn. Amna Dhanani has continued the story from where she had left in her debut poetry book *My Existence Craves Yours*, giving every poem a special place in the flow once more, although *You were the Soul to my Existence* contains many different elements like heartbreaks of many kinds, traumatic childhood, infinite love in finite time, hardships, self-healing and growth.
