Back to Basics: Traditional Garden Wisdom Charlie Ryrie, 2011-02-17 When your garden contains lots of earthworms, your soil is good. This maxim may not sound familiar, but before the days of landscapers and lawn-maintenance companies, this type of knowledge was common. Gardening skills were passed down from generation to generation, and yards were personal places that flourished under the care of time-tested wisdom. With *Back to Basics: Traditional Garden Wisdom*, anyone can: Develop a dream, green garden without spending a fortune Grow an organic and eco-friendly garden with minimum fuss and maximum taste Discover how to collect and save seeds Make your own compost and learn no-dig gardening Make a cold frame and protect plants from frost Repel moles with castor oil, prevent mice with the right plants, and make herbal insect repellents Find out the best way to prune a hedge, tree, or climbing flower Know which gardening tasks to do for each season Raise a panel fence and use recycled materials for landscaping Plant raised beds and container gardens, and build a natural grape arbor Discover how companion planting can discourage harmful pests and encourage growth *Back to Basics: Traditional Garden Wisdom* has full-color step-by-step illustrated instructions that will bring new knowledge to gardeners of all levels. Soon you'll be adding fireplace ashes to the garden to give it a potassium boost and using your elbow to see if the soil is warm enough for planting. With this insightful book, you'll discover why sage advice never goes out of style.

The Digest Diet Liz Vaccariello, 2012-09-27 The Digest Diet is a 21-day weight-loss plan based on groundbreaking science and newly discovered foods and habits that help your body to release fat. Reader's Digest sifted through all the weight-loss science to pick the foods, recipes, and habits that truly slim you down quickly and safely. We reviewed cutting-edge nutrition advances and myth-busting articles. We discovered some new reasons fat creeps on—and reliable ways to get it to fade away quickly. The Digest Diet targets surprising fat increasers in three key areas—eating, environment and exercise—and gives you the tools you need to turn the tables and shift your body into fat release mode. The eating plan is organized in three basic stages: Fast Release, Fade Away, and Finish Strong. Every phase loads you up on fat releasers. But the calorie and macronutrient ratios shift in each so as to maximize fat release—and results! Fast Release (12-minute exercise routine) is a four-day fat releasing jump start. The Fat-Release Workout combines both strength training and HIIT (high intensity interval training) into a 12-minute workout that's amazingly effective for fat burn and muscle growth. Fade Away transitions you into lean proteins and micronutrient-rich greens. For this 10-day stretch, you continue to have a shake a day, but the lean-and-green focus gives your body what it needs to help you release fat and build muscle, while lowering your intake of carbohydrates for faster fat fade. Finish Strong is the last week of the plan. The meals and recipes show you how to enjoy a balanced, healthy, wholefoods diet rich in fat releasers. The Digest Diet provides a list of 13 fat releasers, which include Vitamin C, Calcium, Protein and Coconut Oil, as well as an easy cheat sheet of fat releasing foods that can be eaten during the diet, such as broccoli, grapefruit, mozzarella cheese, almonds, fish, beef, red wine, dark chocolate and avocados, to name a few. Inside the Digest Diet, you will also find a 21 day meal-plan, 50 fat releasing recipes with full color photos, a 12 minute fat release workout, a fat release workout calendar, before and after success stories, "laugh it off" sidebars to help keep perspective and sanity, and a free online destination for tips, videos, shopping lists and daily food and exercise journals to

help make your weight loss goals easy and achievable. www.digestdiet.com To prove the 21-day eating plan truly works, we put a dozen men and women on the diet—and their results will astound and inspire you. Our top tester lost 26 pounds in 3 weeks!

Dynamic Door Knocking James Festini,2020-01-24 Online marketing is expensive and unpredictable. Telemarketing is on life support and under attack. Generating business the old-fashioned way has only one option left. Going out and finding customers where they are... Behind the doors. James Festini has been selling door to door from the age of 7 when he worked the streets of Southern California selling newspaper subscriptions. Yeah, this was legal in the 80s. From there he moved up to window washing and ultimately into selling residential real estate. For nearly 4 decades he mastered the art of communication and the skills required to make sales happen. After 28 years of making over six figures, and a few recessions, including the big one, he hit the streets once again to find business the old-fashioned way. The economy has recovered but the ability for individuals to gain customers in a swipe left society has become a game of cat and mouse. This book shows you how you deal with the modern consumer and gain their trust and ultimately get the order. In this insightful tutorial, you will also gain insight into never before taught methods to engage the contact within seconds and identify motivation right away. Saving you valuable time to move on to the next prospect. You will also learn the right words to say so that there is no rejection at the door. The fear of rejection stops most of us from going out and knocking. He will teach you simple scripts and dialogues to have meaningful conversations that get just enough information to close, follow up or move on to find someone who will say yes.
