Explore the vast Forest of Davokar in the hunt for treasure, lost wisdom and eternal fame. Visit the barbarian clans to trade or to plunder their treasuries. Establish a base of power among princes, guilds or rebellious refugees in the capital city of Yndaros. Or survive encounters with Arch Trolls, dark-minded Blight Beasts and undead warlords. Symbaroum Advanced Player's Guide Modiphuis, 2017-07 The chanting of the cultists came drifting with the breeze. Doraël-Ri had tracked them all the way from the settlement of Merel, at the border of Davokar. A small, human child one of few to survive the massacre had asked how he dared to travel the woods alone. In Davokar you are never alone, he had answered. Not me, nor you, no one Aided by mystical rituals Doraël had managed to follow the cold tracks, but now the enemy was close enough for his friend and servant, the owl Strigi, to take over the hunt. He raised his black sword, took a deep breath and placed the Horn Mask over his face; vengeful spirits immediately flocked around him, veiling him from the world. The sword quivered in his hand, hungering for tainted flesh and blood. Soon my dear, soon, he whispered. For this enemy, simpler steel will do. He put the hallowed sword back in its scabbard and drew the shorter blade that had belonged to his sister. Soon he lunged through the forest, with Strigi soaring at his side. The first enemy fell before any of the cultists realized that the avenger had come. Magic: The Gathering: Planes of the Multiverse Wizards of the Coast, Jay Anelli, 2021-08-24 An official visual guide to the fantastical worlds and legendary characters of Magic: The Gathering. The many planes of Magic: The Gathering's storied Multiverse have served as host to countless epic battles and dramatic cataclysms—and each world is richly and uniquely populated with its own fantastical creatures, iconic characters, and legendary Planeswalkers. In *Magic: The Gathering: Planes of the Multiverse*, author Jay Anelli presents a visual guide to the history behind lore-defining events from the Phyrexian Invasion to the War of the Spark, as well as character profiles for Karn, Narset, Vraska, Sorin Markov, and other fan-favorite Planeswalkers. *Planes of the Multiverse* pairs original artwork—in many instances reproduced for the first time outside of the card frame—with detailed primers on each plane. This collection offers exclusive insight into the art and mythology of some of Magic: The Gathering's most popular and enduring locales—and the characters that inhabit them.

Qelong *Lamentations of the Flame Princess*, 2017-07 Two barely conceivable beings have fought a war for a generation over Sajavedra, a barely legendary land far to the southeast. They wish to claim its rich harvests of souls and fields, its intricate networks of ley lines and temples, for their own. They have devastated it utterly. A forgotten weapon in their war, a neglected sorcery fallen from a distracted archon's attention, lies in the Qelong River valley at the edge of this near-cosmic battlefield. Qelong is Kenneth Hite's hellish southeast Asian setting inspired by fantasy quest drama and war stories like *Valhalla Rising*, *Apocalypse Now*, and *The Good, the Bad, and the Ugly*. Suitable for character levels 4-6, usable with LotFP, *Weird Fantasy Role-Playing* and other traditional role-playing games.

The Chicago Tribune Tower Competition Katherine Solomonson, 2001 The Chicago Tribune Tower competition was one of the largest, most important and most controversial design contests of the 1920s. The 263 entries for the design of the new Tribune tower represented a broad constellation of approaches to the skyscraper at a time of transition. This book demonstrates how the competition contributed to changing concepts of the skyscraper, how it engaged with the production of consumer culture, with conflicts of national identity and cultural unity, and with a newspaper's efforts to produce a civic and corporate icon during the turbulent years following World War I.
