**The Ultimate Guide to Tarot Spreads** Liz Dean, 2016-03 A must-have companion guide for following or creating tarot card layouts.

*Tarot Made Easy* Nancy Garen, 2001-07-18 If you've ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books—here is a simple and accurate guide to interpreting the tarot! With *Tarot Made Easy* you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card—including Romance, Travel, Career, Finances, Friends, and Special Guidance—to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with *Tarot Made Easy*, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck.
