angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actuality, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

The Greater Magickal Angels Damon Brand, 2015-04-23 The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is

used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will discover: A method for empowering talismans and sigils Information on how to choose the right angel Methods for communicating more directly with angels Performing angel magick for other people. If you are serious about angelic work, this book can take your efforts to a much higher level. NOTE: If you own *Magickal Angels* the complete ritual is repeated here, so that new readers have access to that material. Be aware that when you buy this book, you are buying several chapters that you have already read. There is plenty of new information, however, as well as 48 new angels along with their sigils.

wisdom, charisma, healing and persuasive dignity. The beauty of demonic magick is that spiritual growth arises from material pleasure. If these are works of darkness, they bring great light. Demons of Magick provides you with three rituals for working with the seventy-two demons of Goetia. The first method is a way to petition for a simple result. The second method is Connective Evocation, where you sense the presence of the demon, to obtain knowledge. The third method provides you with the instructions for a Full Evocation, with the demon brought to visible appearance. Each of the seventy-two demons is proficient in several areas, and all of their powers can be used alone or in combination. You have thousands of sophisticated powers at your disposal. Gordon Winterfield says, 'My intent in creating this book has been to offer something genuinely original, and unobtainable elsewhere, based on the wisdom of experienced, practicing occultists. I have no interest in peddling the same weary methods that can be found elsewhere. It is therefore unavoidable that the contents of this book will challenge much of what has been said on the subject. The magick in this book is a modernized, workable method, and will violently contradict many beloved theories and beliefs. This book may offend you, but if you are open-minded, I believe you will find a method that works for you quite readily.' You will discover: The secret Evocation Keys for attracting the demon to you. The names of 288 angels used to constrain the demons. 144 demonic and angelic seals. 72 colored sigils for working the rituals. The Ritual Opening that calls on five archangels.
