Things Go Flying Shari Lapeña, 2011-02-01 Received an honourable mention on the Globe and Mail's top first fiction for 2008 Shari Lapena takes the wit of David Sedaris and the outrageousness of Douglas Coupland to create a dark, hilarious and wildly inventive contemporary comedy about how the past can come back to haunt you. Literally. In *Things Go Flying*, Harold Walker is desperately average and listless at mid-life, stemming in part from the abrupt death of his one-time best

friend, Tom. Harold's wife Audrey, an increasingly frustrated housewife and mother to their two teenage sons, is a control freak silently harbouring an explosive secret. Things go flying in the Walker household when Harold's long-deceased mother comes back to haunt them. He finds he has her gift for opening the door to the past-and if there was ever a gift he wanted to return, it's this one! Audrey is similarly terrified-how is she to safeguard her secret now? If she can't control this world, how is she to control the next one? And how will she protect her good china? Harold, who has made a practice of avoiding things all his life, must confront two problems-how to find meaning in this life, and how to come to grips with the mostly terrifying idea that life just might go on forever!

A Line of Blood Ben McPherson, 2015-09-29 In one of the most entertaining and twisty thrillers of the year a London family, a mother, father and young son, must deal with the murder of their secretive next door neighbor and the intrusive police investigation that follows. Readers will be faced with ever shifting and increasingly frightening suspicions that one or all of them had something to do with it. Alex Mercer loves his family more than anything. His wife Millicent and their precocious eleven-year-old son Max are everything to him, his little tribe. When he is with them all is right with the world. But when he and Max find their next door neighbour dead in his bathtub, their lives are suddenly and irrevocably changed. Max is surprisingly fascinated by the dead body, and Alex is understandably anxious about how Max will react later, once he takes it all in. And Alex is increasingly impatient for the police to conclude their investigation and call this the suicide that it so clearly was. But as new information surfaces, it becomes clear that there is more to this than anyone is saying... Why was the neighbour charging his home improvements to the Mercers' address? How did Millicent's bracelet end up in his apartment? And why, in fact, did Max lead his father into the house on the quiet summer night that they found the corpse? As suspicion grows between the three, the once close-knit family starts to disintegrate. Is Alex really the loving husband we believe him to be? And where is Millicent really going when she disappears for hours, walking the parks of London, stewing over something that she can't forget? Each of them is suffering. Each has something to hide. And as each questions how well they really know each other, they must decide how far they'll go to protect themselves-and each other-from investigators who are watching every move they make. Just waiting for someone to make a mistake.
