The Complete Short Stories of Mark Twain Mark Twain,2005-09-27 For deft plotting, riotous inventiveness, unforgettable characters, and language that brilliantly captures the lively rhythms of American speech, no American writer comes close to Mark Twain. This sparkling anthology covers the entire span of Twain's inimitable yarn-spinning, from his early broad comedy to the biting satire of his later years. Every one of his sixty stories is here: ranging from the frontier humor of "The Celebrated Jumping Frog of Calaveras County," to the bitter vision of humankind in "The Man That Corrupted Hadleyburg," to the delightful hilarity of "Is He Living or Is He Dead?" Surging with Twain's ebullient wit and penetrating insight into the follies of human nature, this volume is a vibrant summation of the career of—in the words of H. L. Mencken—"the father of our national literature."

Selected Short Stories Rabindranath Tagore,2005-09 Rabindranath Tagore's short stories, written mostly towards the end of the 20th century, are relevant even today because of the author's profound understanding of the human mind. They have the capacity to touch your core and leave you thinking deeply about human values. Each and every story in this collection rings of classic Tagore. If you want to delve into the kaleidoscopic universe of India's greatest writer, poet, and thinker, this is the best place to begin. The stories have been edited and presented for the reading of contemporary audience.

The Complete Short Stories Premchand,2018-01-24 Munshi Premchand, widely lauded as the greatest Hindi fiction writer of the twentieth century, wrote close to 300 short stories over the course of a prolific career spanning three decades. His range and diversity were limitless as he tackled themes of romance and satire, gender politics and social inequality, with unmatched skill and compassion. By turns poignant, acerbic, comical and tragic, many of his stories powerfully invoke the countryside-its pastoral simplicity as well as its harsh realities-while others capture the hopes and anxieties that accompany life in a teeming city where the underdog and the exploiter are caught in an age-old conflict. For the first time ever, Penguin Classics brings together Premchand's entire short-fiction oeuvre for the delight of the English-speaking world. Along with M. Asaduddin's illuminating Introduction, this pathbreaking anthology features several stories not hitherto available either in Hindi or Urdu. Also included are comprehensive notes that provide the publication history of each story-highlighting the differences, sometimes significant and radical, between the Hindi and the Urdu versions of the same story-as well as a definitive chronology, making this a truly singular collection.

Sixty-five Short Stories William Somerset Maugham, 1976

Moments B. T. James, 2010-12 Jaded by a failed marriage and long unemployment, a former depot stocker learns news that may resurrect his long-vacant town. His first love has reappeared, however, with new possibilities... News of a former professor's death causes a field archeologist to recall their final meeting, the professor's less-than-picturesque ancestral home, and a beautiful painting... Amid concerns over her daughter, her husband's co-workers and her looks, a wife and mother receives support from the women of her apartment community... A photographer seeks to restore his cancer survivor wife's self-image, at the same time recapturing a lost photo of her upon a special chair... Inspired by the everyday, the moving, the brief, but always remarkable instances too special to ignore, author B.T. James offers his first collection of short works: **MOMENTS: A NOVELLA AND SHORT STORIES**. BT JAMES acquired two skills early on that would serve him well in the writing abilities he would soon discover. A restrictive environment growing up in Lebanon, PA often demanded him to sit quietly, so he occupied himself observing what was around him. Anyone who knew him back then, however, would also call attention (some concerned but mostly appreciative) to his vivid imagination. Mr. James was inspired to write **PORTRAIT OF AN EGYPTIAN WOMAN** in 1989. When family issues caused him to exchange journalism and radio for more predictable work, he concentrated on his own fiction, completing **RETRO SUIT** (1995) and **THE NAPOLEON CHAIR** (1996). **CONVENIENT ACCESS ROAD** (2001) was the most challenging of the four works from two standpoints: literary (first novella) and circumstantial (two widely geographical moves, two drastic employment changes and his father's death). He lives in Harrisburg, PA with his wife and two children.
