The Science of Getting Rich Wallace Wattles,2007-03-01 The Science of Getting Rich holds the secret to how economic and emotional security can be achieved in a practical, imaginative, and noncompetitive way. By aligning ourselves only with the positive forces of natural law, we can find our rightful place in the cosmic scheme and create an environment for ourselves in which to grow in wealth, wisdom, and happiness.

The New Science of Getting Rich Wallace D. Wattles,2007-10-16 Straightforward and easy to understand, *The Science of Getting Rich* asserts that all of us -- no matter what our circumstances -- have the ability to obtain enough wealth to live as we desire and to fulfill our purpose in life. Written nearly a century ago and recently rediscovered by Rhonda Byrne, creator of *The Secret*, *The Science of Getting Rich* offers clear insight on creating prosperity and the happiness that ensues. There exists a science of getting rich -- and it is an exact science, like algebra or arithmetic. There are also certain laws that govern

the process of acquiring means, and once these laws are learned and followed, a person will prosper with mathematical certainty. This book carefully provides the explanation of this science and how these laws function. Each one of us naturally wants to achieve his or her full potential -- this desire to realize our innate talents is inherent in human nature. There is nothing wrong in wanting to become wealthy; in fact, the longing for riches is really the desire for a fuller and more abundant life. *The Science of Getting Rich* can set you on your way toward reaching this goal.

The Science of Getting Rich Wallace D. Wattles,2007-03-21 This is the 100-year-old book that inspired *The Secret*, Rhonda Byrne's bestseller. *The Science of Getting Rich* shows how economic and emotional security can be achieved in a practical, imaginative, and noncompetitive way. By living in accordance with the positive principles outlined in this book we can find our rightful place in the cosmic scheme and grow in wealth, wisdom, and happiness.

How to Get What You Want (Unabridged) Wallace D. Wattles,2024-01-07 This carefully crafted ebook: *How to Get What You Want (Unabridged)* is formatted for your eReader with a functional and detailed table of contents. Excerpt: Getting what you want is success; and success is an effect, coming from the application of a cause. Success is essentially the same in all cases; the difference is in the things the successful people want, but not in the success. Success is essentially the same, whether it results in the attainment of health, wealth, development or position; success is attainment, without regard to the

things attained. And it is a law in nature that like causes always produce like effects; therefore, since the success is the same in all cases, the cause of success must be the same in all cases. Wallace Delois Wattles (1860-1911) was an American author. As a New Thought writer, he remains personally somewhat obscure, but his writing has been widely quoted and remains in print in the New Thought and self-help movements. Wattles often travelled to Chicago, where he gave Sunday night lectures among several leading New Thought authors. He studied the writings of Georg Wilhelm Friedrich Hegel and Ralph Waldo Emerson and recommended the study of their books to his readers who wished to understand what he characterized as the monistic theory of the cosmos. Wattles' best known work is a 1910 book called *The Science of Getting Rich* in which he explained how to become wealthy.

The Magic Rhonda Byrne,2012-03-06 One word changes everything... For more than twenty centuries, words within a sacred text have mystified, confused, and been misunderstood by almost all who read them. Only a very few people through history have realised that the words are a riddle, and that once you solve the riddle—once you uncover the mystery—a new world will appear before your eyes. In *The Magic*, Rhonda Byrne reveals this life-changing knowledge to the world. Then, on an incredible 28-day journey, she teaches you how to apply this knowledge in your everyday life. No matter who you are, no matter where you are, no matter what your current circumstances, *The Magic* is going to change your entire life!

The Science of Getting Rich and the Science of Being Great Wallace D. Wattles,2012-04-01 The Wattles Success Collection is comprised of two of Wallace D. Wattles' most powerful and inspiring books; *The Science of Getting Rich* and *The Science of Being Great*. *The Science of Getting Rich* is based upon what Wallace D. Wattles called the Certain Way of Thinking what is today known as Positive Thinking. Wattles and *The Science of Getting Rich* produced Napoleon Hill and his book *Think and Grow Rich*, were a major inspiration for Rhonda Byrne's bestselling book and film *The Secret* and continues to enlighten people around the world. *The Science of Being Great* is for men and women, young and old, who wish to make the most of life by making the most of themselves. Within this book Author Wallace D. Wattles shows plainly, simply, and without unnecessary words, the way to power and capability. A progressive social reformer and New Thought pioneer, Wallace D. Wattles was born in 1860 in the United States. He popularized creative-thought principles in these ground breaking classics. Wattles has been an inspiration to generations of success writers.

The Science of Getting Rich Wallace Wattles,2017-08-05 Wallace D. Wattles, born in 1860, was a New Thought writer best known as the author of '*The Science of Getting Rich*' which was originally published in 1903, shortly before his untimely death in 1911 at the age of 51. The ideas in his book are so popular that they found themselves in many subsequent publications by different authors--even one hundred years after it's publication. Rhonda Byrne's book '*The Secret*' is based off these New Thought concepts and has sold over 20 million copies worldwide. These concepts have been shown to produce tremendous wealth, but no one truly understands how or why. The premise of the book is that if you take the what on faith, then the how and the why do not matter, as long as your desired outcome is achieved. If you achieve happiness or financial freedom from reading this book, then you have inadvertently believed in the thought that has now become wholly manifested. Wattles structures his teaching through initial priming that our thoughts are the most powerful force in existence, followed by the revelation that living your life in 'the certain way' will lead to personal success, wealth, and true happiness. Wattles wants us to realize that great success starts from a persistent thought and that this success can take years to develop, but only if we live life in a certain way. This certain way is the law of attraction. In college, Sheryl Sandberg founded an

organization in called 'Women in Economics and Government'. Two decades later, she had a famous TED talk in December 2010 on gender disparity in leadership positions. A few years later, she empowered millions of women through her non-profit leanin.org and sold millions of copies of her book 'Lean In'. The thoughts that made it into her book were formed long before the book was ever written. This is a profound insight, that you will recognize when you complete this book.

The Science of Being Well Wallace Delois Wattles,2024-02-12 The Science of Being Well by Wallace D. Wattles is a transformative guide to understanding the principles of health and well-being from a holistic perspective. Originally published in the early 20th century, this classic work combines practical insights with metaphysical principles to provide readers with a comprehensive understanding of the science behind wellness.

How to Get Rich Felix Dennis,2011-08-31 'Making money is a knack, a knack that can be acquired. And if someone like me can become rich, then so can you - no matter what your present circumstances. Here is how I did it and what I learned along the way.' So writes Felix Dennis, who believes that almost anyone of reasonable intelligence can become rich, given sufficient motivation and application. How To Get Rich is a distillation of his business wisdom. Primarily concerned with the step-by-step creation of wealth, it ruthlessly dissects the business failures and financial triumphs of 'a South London lad who became rich virtually by accident'. Part manual, part memoir, part primer, this book is a template for those who are willing to stare down failure and transform their lives. Canny, infuriating, cynical and generous by turns, How To Get Rich is an invaluable guide to 'the surprisingly simple art of collecting money which already has your name on it'.

The Science of Getting Rich Wallace D. Wattles,2015-06-09 This book - the ideal present for a loved one - is now also available in large print and Extra Large Print. The Science of Getting Rich is Wallace D. Wattles' masterpiece; more than just another book on making money, it is a book of distilled wisdom that guides the reader towards both acquiring wealth, and living a more fulfilled life. One of the inspirations behind Rhonda Byrne's *The Secret*, *The Science of Getting Rich* employs techniques including the Law of Attraction in a simple and straight forward manner that can be understood by all. Perhaps this book is best described by Wallace D. Wattle himself: There is a science of getting rich, and it is an exact science, like algebra or arithmetic. There are certain laws which govern the process of acquiring riches; once these laws are learned and obeyed by any man, he will get rich with mathematical certainty.

The Secret Rhonda Byrne,2011-07-07 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use *The Secret* in every aspect of your life—money,

health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.
