Why is Mom So Mad? Seth Kastle, Julia Kastle, Karissa Gonzalez-Othon, 2015-08-16 The children's issues picture book *Why Is Mom So Mad?* is a story for children in military families whose mother battles with combat related Post Traumatic Stress Disorder (PTSD). After a decade fighting wars on two fronts, tens of thousands of service members are coming home having trouble adjusting to civilian life; this includes struggling as parents. Asymmetrical warfare has blurred the lines of women in combat roles, female veterans are impacted by this through current conflicts more than ever. *Why Is Mom So Mad?* Is a narrative story told from a family's point of view (father and children) of a service member who struggles with PTSD and its symptoms. Many service members deal with anger, forgetfulness, sleepless nights, and nightmares. This book explains these and how they affect Mom. The moral of the story is that even though Mom gets angry and yells, she still loves her family more than anything.

Mad at Mommy Komako Sakai, 2010 Little Bunny is REALLY MAD at his mommy. She sleeps too late. She talks too much. She watches her silly grown-up shows instead of cartoons. And she gets mad for no reason-like just a few little soap bubbles on the floor. It's time for Little Bunny to SPEAK OUT. And time for a hug later on. With the charming illustrations and spot-on understanding of young children's thinking that distinguished *The Snow Day*, Komako Sakai brings us a REALLY ANGRY-and ultimately sweet-new story.

Mothers Jacqueline Rose, 2018-05-01 A daring and provocative book-length essay on why we both romanticize and vilify mothers. "A sort of Rosetta Stone for the moment that examines the particular mix of fascination and dread that mothers engender . . . Rose is a calm and stylish writer whose rangy essays . . . have become indispensable reading during the current

reckoning around power and sexuality.” —The New York Times A simple argument guides this book: motherhood is the place in our culture where we lodge, or rather bury, the reality of our own conflicts. By making mothers the objects of both licensed idealization and cruelty, we blind ourselves to the world’s iniquities and shut down the portals of the heart. Mothers are the ultimate scapegoat for our personal and political failings, for everything that is wrong with the world, which becomes their task (unrealizable, of course) to repair. Moving commandingly between pop cultural references such as Roald Dahl’s *Matilda* to insights on motherhood in the ancient world and the contemporary stigmatization of single mothers, Jacqueline Rose delivers a groundbreaking report into something so prevalent we hardly notice. *Mothers* is an incisive, rousing call to action from one of our most important contemporary thinkers. “*Mothers* is a passionate polemic . . . Rose’s intellectual range is dazzling.” —The Economist “[Rose’s] book distills a lifetime of psychoanalytic, literary, and political engagement into a fierce, generous study of human complexity—one which pushes us to reckon with the urgent question of how we might stop “tearing mothers and the world to pieces.” —Maggie Nelson, author of *The Argonauts*

Sometimes My Mommy Gets Angry Bebe Moore Campbell, 2005 A little girl copes with her mother's mental illness, with the help of her grandmother and friends.

Made Like Martha Katie M. Reid, 2018-07-10 An invitation for overachievers to discover what it means to rest as God's daughters without compromising their God-given design as doers. Are you a Martha who feels guilty for not being a Mary? Do you want to sit at Jesus’s feet as Mary did—but you feel the need to get things done? In *Made Like Martha*, Katie M. Reid invites you to exchange try-hard striving for hope-filled freedom without abandoning your doer’s heart in the process. Through her own story and rich biblical illustrations, Katie reminds you that it’s not important whether you sit and listen or stand and work. What matters is that your spiritual posture is one of a beloved daughter who knows she doesn’t need to earn God’s love. Your desire to get things done is not something to temper but something to embrace as you serve from a place of strength and peace—knowing Christ already did His most important work for you on the cross. With “It Is Finished” activities at the end of each chapter and a five-week Bible study included, *Made Like Martha* helps you find rest from striving even as you celebrate your God-given design to “do.” “*Made Like Martha* will infuse your life with a fresh perspective as you learn both to embrace your God-given personality and also discover how—and when—to rest and retreat.” —Karen Ehman, Proverbs 31 Ministries speaker and New York Times bestselling author of *Keep It Shut*

That's No Angry Mob, That's My Mom Michael Graham, 2010-03-23 Discusses the Obama administration's far-left policies and reveals the conservative movement of non-activist, everyday citizens protesting against the liberal policies.

Why Are You So Scared? Beth Andrews, 2021-12-03 When a parent has PTSD, children can often feel confused, scared, or helpless. *Why Are You So Scared?* explains PTSD and its symptoms in nonthreatening, kid-friendly language, and is full of questions and exercises that kids and parents can work through together. The interactive layout encourages kids to express

their thoughts and feelings about PTSD through writing, drawing, and designing. This book can serve as a practical tool for kids to cope with and eventually feel better about their parent's PTSD. A comprehensive note to parents offers advice for using this book to help children communicate the emotions that may accompany their parent's PTSD recovery. From the Note to Parents: PTSD can negatively affect the children of parents or caregivers who experience it. In addition to being confused and worried about their parent or caregiver, children may experience fear and sadness of their own. A negatively affected child may suffer poor performance at school, act out at daycare, or withdrawal from family and friends. PTSD is not just a condition of the adult, but a condition of the family and others close to the child. There are several important aspects of their parent or caregiver's PTSD that children should understand. Although your child's age and maturity level, and your own comfort level, should dictate how much emphasis you give any particular issue, it's important that each of the following be acknowledged, at least to plant a seed for future discussion. This book, and the discussions it is meant to facilitate, should help your child: understand what PTSD is and what it is not; recognize and cope with his or her feelings; and realize that things will get better and that help is available. This book is meant to be read by or to your child with guidance from a parent, teacher, counselor, or other adult that he or she trusts. Although you can accomplish this in several ways, it may be best to read it in sections. This way, several discussions can take place over an extended period, allowing time for your child to form questions and discover his or her own solutions to some of the concerns covered in the book. Regardless of how you decide to use this book, remember to watch for cues from your child. He is the best measure for how much information is too much and when it's OK to keep reading and talking.

What My Mother and I Don't Talk About Michele Filgate, 2020-08-11 "You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, New York Times bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi

Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

Understanding the Borderline Mother Christine Ann Lawson, 2002 Some readers may recognize their mothers as well as themselves in this book. They will also find specific suggestions for creating healthier relationships. Addressing the adult children of borderlines and the therapists who work with them, Dr. Lawson shows how to care for the waif without rescuing her, to attend to the hermit without feeding her fear, to love the queen without becoming her subject, and to live with the witch without becoming her victim.

Mum's List St John Greene, 2012-03-01 The heartbreaking and heartwarming true story of a mother dying of a cancer and the special gift she left for her husband and two young sons - it'll have you crying and laughing equally. Now a major film starring Rafe Spall and Emilia Fox, which the Guardian called 'Heartfelt, sweet and desperately sad'. 'Always kiss the boys goodbye and goodnight.' 'Please teach the boys to say what they mean.' 'Mummy loved orange Club biscuits, jam and jelly and lemon curd.' For Kate Greene, nothing was as important as the happiness and well-being of her two little boys, Reef and

Finn, and her loving husband, Singe. Even when she fell very ill, they were her only concern. Over her last few days, Kate created Mum's List. With Singe's help, she wrote her thoughts and wishes down, trying to help the man she loved create the best life for their sons after she was gone. Mum's List encapsulates Kate's passionate nature, her free spirit and even her sense of humour. It became Singe's rock, as he turned to it again and again for strength and inspiration. Slowly, gradually, Singe began to fulfil Kate's requests. This is the heart-warming memoir of how Kate's list has helped Singe and his brave little boys move on and build a new life for themselves, while always keeping her in their hearts. This updated edition contains new material from Singe and behind-the-scenes photos from the film adaptation of the book.

Burn It Down Lilly Dancyger, 2019-10-08 A rich, nuanced exploration of women's anger from a diverse group of writers. Women are furious, and we're not keeping it to ourselves any longer. We're expected to be composed and compliant, but in a world that would strip us of our rights, disparage our contributions, and deny us a seat at the table of authority, we're no longer willing to quietly seethe behind tight smiles. We're ready to burn it all down. In this ferocious collection of essays, twenty-two writers explore how anger has shaped their lives: author of the New York Times bestseller *The Empathy Exams* Leslie Jamison confesses that she used to insist she wasn't angry -- until she learned that she was; Melissa Febos, author of the Lambda Literary Award-winning memoir *Abandon Me*, writes about how she discovered that anger can be an instrument of power; editor-in-chief of *Bitch Media* Evette Dionne dismantles the angry Black woman stereotype; and more. Broad-ranging and cathartic, *Burn It Down* is essential reading for any woman who has scorched with rage -- and is ready to claim her right to express it.

psychological profiles of famous narcissists, here is an indispensable guide to recognizing, coping with, and ultimately overcoming the destructive behavior of narcissists. Everybody needs some healthy narcissism. But in a society obsessed with appearance, wealth, and status, it's easy for problematic narcissists to thrive. Many people who seem to have it all are suffering from one of the most common-and overlooked-personality disorders today: high level narcissism. Typified by an obsession with perfection, a desperate need for admiration, and a willingness to use and exploit others for personal gain, high level narcissism can spell devastation for anyone who crosses the narcissist's path. In *Freeing Yourself from the Narcissist in Your Life*, psychotherapist Linda Martinez-Lewi presents an in-depth and supportive plan for identifying, understanding, and dealing with high level narcissistic behavior in those close to you. Martinez-Lewi helps you to liberate yourself from draining personal relationships with narcissists, and shows how to regain a sense of peace, balance, and well-being. Drawing on detailed profiles of famous narcissists, including Pablo Picasso, Frank Lloyd Wright, Armand Hammer, and Ayn Rand, as well as expertly rendered case studies from her private practice as a psychotherapist, Martinez-Lewi shows how to: - understand where narcissistic behavior comes from; u learn to spot narcissistic traits, even in the early stages of relationships; - realize why attempting to change a narcissist is fruitless; and - protect yourself from the narcissist's opportunism, manipulative behavior, and lack of empathy.

Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you over being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most liked photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to mommy burnout. Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with families and children, Dr. Z has devised a prescriptive program for addressing mommy burnout—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers

who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

High-Risk Homosexual Edgar Gomez, 2022-01-11 *Winner of the American Book Award* *Winner of the Lambda Literary Award for Gay Memoir/Biography* An Honor Book for the 2023 Stonewall Book Award—Israel Fishman Non-Fiction Book Award This witty memoir traces a touching and often hilarious spiralic path to embracing a gay, Latinx identity against a culture of machismo—from a cockfighting ring in Nicaragua to cities across the U.S.—and the bath houses, night clubs, and drag queens who help redefine pride I've always found the definition of machismo to be ironic, considering that pride is a word almost unanimously associated with queer people, the enemy of machistas . . . In a world desperate to erase us, queer Latinx men must find ways to hold on to pride for survival, but excessive male pride is often what we are battling, both in ourselves and in others. A debut memoir about coming of age as a gay, Latinx man, *High-Risk Homosexual* opens in the ultimate anti-gay space: Edgar Gomez's uncle's cockfighting ring in Nicaragua, where he was sent at thirteen years old to become a man. Readers follow Gomez through the queer spaces where he learned to love being gay and Latinx, including Pulse nightclub in Orlando, a drag queen convention in Los Angeles, and the doctor's office where he was diagnosed a "high-risk homosexual." With vulnerability, humor, and quick-witted insights into racial, sexual, familial, and professional power dynamics, Gomez shares a hard-won path to taking pride in the parts of himself he was taught to keep hidden. His story is a scintillating, beautiful reminder of the importance of leaving space for joy.
