To Live Yu Hua, 2007-12-18 Originally banned in China but later named one of that nation's most influential books, a searing novel that portrays one man's transformation from the spoiled son of a landlord to a kindhearted peasant. "A work of astounding emotional power." —Dai Sijie, author of *Balzac and the Little Chinese Seamstress* From the author of *Brothers and China in Ten Words*: this celebrated contemporary classic of Chinese literature was also adapted for film by Zhang Yimou. After squandering his family's fortune in gambling dens and brothels, the young, deeply penitent Fugui settles down to do the honest work of a farmer. Forced by the Nationalist Army to leave behind his family, he witnesses the horrors and privations of the Civil War, only to return years later to face a string of hardships brought on by the ravages of the Cultural Revolution. Left with an ox as the companion of his final years, Fugui stands as a model of gritty authenticity, buoyed by his appreciation for life in this narrative of humbling power.

Norwegian Wood Haruki Murakami, 2011-10-10 *PRE-ORDER HARUKI MURAKAMI'S NEW NOVEL, *THE CITY AND ITS UNCERTAIN WALLS*, NOW* 'A masterly novel' New York Times 'Such is the exquisite, gossamer construction of Murakami's

writing that everything he chooses to describe trembles with symbolic possibility' Guardian Read the haunting love story that turned Murakami into a literary superstar. When he hears her favourite Beatles song, Toru Watanabe recalls his first love Naoko, the girlfriend of his best friend Kizuki. Immediately he is transported back almost twenty years to his student days in Tokyo, adrift in a world of uneasy friendships, casual sex, passion, loss and desire - to a time when an impetuous young woman called Midori marches into his life and he has to choose between the future and the past. 'Evocative, entertaining, sexy and funny; but then Murakami is one of the best writers around' Time Out 'Poignant, romantic and hopeless, it beautifully encapsulates the heartbreak and loss of faith' Sunday Times 'This book is undeniably hip, full of student uprisings, free love, booze and 1960s pop, it's also genuinely emotionally engaging, and describes the highs of adolescence as well as the lows' Independent on Sunday

Before We Were Strangers Renée Carlino,2015-08-18 From the USA TODAY bestselling author of Sweet Thing and Nowhere But Here comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

After I Do Taylor Jenkins Reid, 2023-01-05 From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo, comes a breath taking novel about modern marriage, the depth of family ties, and the year that one remarkable heroine spends exploring both. When Lauren and Ryan's marriage reaches the breaking point, they come up with an unconventional plan. They decide to take a year off in the hopes of finding a way to fall in love again. One year apart, and only one rule: they cannot contact each other. Aside from that, anything goes. Lauren embarks on a journey of self-discovery, quickly finding that her friends and family have their own ideas about the meaning of marriage. These influences, as well as her own healing process and the challenges of living apart from Ryan, begin to change Lauren's ideas about monogamy and marriage. She starts to question: When you can have romance without loyalty and commitment without marriage, when love and lust are no longer tied together, what do you value? What are you willing to fight for? This is a love story about what happens when the love fades. It's about staying in love, seizing love, forsaking love, and committing to love with everything you've got. And above all, After I Do is the story of a couple caught up in an old game-and searching for a new road to happily ever after.

12 Months to \$1 Million Ryan Daniel Moran, 2020-05-05 This is the road map to a seven-figure business . . . in one year or less The word entrepreneur is today's favorite buzzword, and any aspiring business owner has likely encountered an overwhelming number of so-called easy paths to success. The truth is that building a real, profitable, sustainable business requires thousands of hours of commitment, grit, and hard work. It's no wonder why more than half of new businesses close within six years of opening, and fewer than 5 percent will ever earn more than \$1 million annually. 12 Months to \$1 Million condenses the startup phase into one fast-paced year that has helped hundreds of new entrepreneurs hit the million-dollar level by using an exclusive and foolproof formula. By cutting out the noise and providing a clear and proven plan, this

roadmap helps even brand-new entrepreneurs make decisions quickly, get their product up for sale, and launch it to a crowd that is ready and waiting to buy. This one-year plan will guide you through the three stages to your first \$1 million: The Grind (Months 0-4): This step-by-step plan will help you identify a winning product idea, target customers that are guaranteed to buy, secure funding, and take your first sale within your first four months. The Growth (Months 5 - 8): Once you're in business, you will discover how to use cheap and effective advertising strategies to get your product to at least 25 sales per day, so you can prove you have a profitable business. The Gold (Months 9-12): It's time to establish series of products available for sale, until you are averaging at least 100 sales per day, getting you closer to the million-dollar mark every single day. Through his training sessions at Capitalism.com, Ryan Daniel Moran has helped new and experienced entrepreneurs launch scalable and sustainable online businesses. He's seen more than 100 entrepreneurs cross the seven-figure barrier, many of whom go on to sell their businesses. If your goal is to be a full-time entrepreneur, get ready for one chaotic, stressful, and rewarding year. If you have the guts to complete it, you will be the proud owner of a million-dollar business and be in a position to call your own shots for life.

—Wall Street Journal “No-one does suburban paranoia like Shari Lapena—this slowly unfurling nightmare will have you biting your nails until the end.” —Ruth Ware Another thrilling domestic suspense novel from the New York Times bestselling author of *The Couple Next Door* and *Not a Happy Family* Maybe you don't know your neighbors as well as you thought you did . . . This is a very difficult letter to write. I hope you will not hate us too much. . . My son broke into your home recently while you were out. In a quiet, leafy suburb in upstate New York, a teenager has been sneaking into houses--and into the owners' computers as well--learning their secrets, and maybe sharing some of them, too. Who is he, and what might he have uncovered? After two anonymous letters are received, whispers start to circulate, and suspicion mounts. And when a woman down the street is found murdered, the tension reaches the breaking point. Who killed her? Who knows more than they're telling? And how far will all these very nice people go to protect their own secrets? In this neighborhood, it's not just the husbands and wives who play games. Here, everyone in the family has something to hide . . . You never really know what people are capable of.

A Year to Live Stephen Levine, 2009-10-07 “Stephen Levine has worked creatively to help thousands of people approach their own deaths with equanimity, truth, and an open heart. I can think of no one better qualified to help us enrich our lives through embracing the mystery of death.”—Ram Dass “A Year to Live is a poetic and deeply passionate exploration into what creates human suffering. It is also a lyrical and generous-spirited guide to life.”—San Francisco Examiner In *A Year to Live*, Stephen Levine, author of the perennial bestseller *Who Dies?*, teaches us how to live each moment, each hour, each day mindfully—as if it were all that was left. On his deathbed, Socrates exhorted his followers to practice dying as the highest form of wisdom. Levine decided to live this way himself for a whole year, and now he shares with us how such immediacy radically changes our view of the world and forces us to examine our priorities. Most of us go to extraordinary lengths to ignore, laugh off, or deny our grief over the fact that we are going to die, but preparing for death is one of the most rational and rewarding acts of a lifetime. It is an exercise that gives us the opportunity to deal with unfinished business and enter into a new and vibrant relationship with life. Levine provides us with a year-long program of intensely practical strategies and powerful guided meditations to help with this work, so that whenever the ultimate moment does arrive for each of us, we will not feel that it has come too soon.
