Lisa Heffernan, Mary Dell Harrington

All's Fair in Love, War and High School Janette Rallison, 2009-07-15 When your chance for getting into college and your date for the prom are all on the line... Sixteen-year-old Samantha Taylor is used to having things go her way. She's head cheerleader and has all the right friends and a steady stream of boyfriends. But when she tanks the SATs, her automatic assumptions about going to college don't appear to be so automatic anymore. She determines that her only hope for college admission is to win the election for student body president. Unfortunately, with her razor wit and acid tongue, she's better suited to dishing out insults than winning votes. When she brashly bets her classmate Logan that she can go two weeks without uttering a single insult, Samantha immediately realizes that she may have bitten off more than she can chew. And when her current boyfriend dumps her, less than three weeks before the prom, it couldn't be a worse time to be forced to keep her opinions to herself. Finding a new boyfriend will be a challenge now that Logan shadows her every move, hoping to catch her slipping back into her old ways. Samantha is determined to win the election and find a dream date for the prom, no matter what it takes. After all . . . all's fair in love and war (and high school!).

High School Sara Quin, Tegan Quin, 2020-10-06 NEW YORK TIMES AND NATIONAL BESTSELLER First loves, first songs, and the drugs and reckless high school exploits that fueled them—meet music icons Tegan and Sara as you've never known them before in this intimate and raw account of their formative years. High School is the revelatory and unique coming-of-age story of Sara and Tegan Quin, identical twins from Calgary, Alberta, growing up in the height of grunge and rave culture in the '90s, well before they became the celebrated musicians and global LGBTQ icons we know today. While grappling with their identity and sexuality, often alone, they also faced academic meltdown, their parents' divorce, and the looming pressure of what might come after high school. Written in alternating chapters from both Tegan's point of view and Sara's, the book is a raw account of the drugs, alcohol, love, music, and friendships they explored in their formative years. A transcendent story of first loves and first songs, it captures the tangle of discordant and parallel memories of two sisters who grew up in distinct ways even as they lived just down the hall from one another. This is the origin story of Tegan and Sara.

Love in the New Millennium Can Xue, 2018-11-20 The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises—satirical, tragic, transient, lasting, nebulous, and fulfilling—against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.

Gwen worries a life of cleaning houses will be her fate too, but just when it looks like she'll never escape her past--or the island--Gwen's dad gives her some shocking advice. Sparks fly and secret histories unspool as Gwen spends a gorgeous, restless summer struggling to resolve what she thought was true--about the place she lives, the people she loves, and even herself--with what really is. Sports in Lincoln County Jason L. Harpe, 2007 Since 1900, the lure of roaring crowds, bitter rivalries, and team spirit has occupied a significant place in the social history of Lincoln and Lincoln County. This tradition began at Horseshoe Park, where local baseball teams played against opponents from Lenoir, Morganton, and the mountains of North Carolina. Over time, leagues grew in popularity and teams were added from Boger and Crawford and Glenn Mills, as well as high school teams. Teams such as the Lincoln Cardinals and Lincoln Red Sox left lasting legacies. The Lincoln County Sports Hall of Fame ensures that the athletes of a bygone era will always be remembered and they can continue to serve as inspiration for future generations of sports players and fans.

A Baby Boomers History of Guilderland NY John Green, 2017-08-27 The town of Guilderland, NY has a long, rich history dating even before its incorporation in 1803. This well documented. For the baby boomer generation however, the town holds a different history, not covered in any textbook. We did not consider it history at the time because we were living in it. Places we lived, loved, learned, worked and played, taken for granted, as though nothing would ever change. Those days from the 1950's to 1980's, were times of great change, not only in the culture of America, but also as reflected in the town. If photos are scarce, memories, stories and anecdotes remain. The photos and stories in this book, have been gathered from many sources. Photos may fade but memories remain intact - for the most part. Please enjoy the walk...

ACIO is a secret agency whose founder Fifteen has dedicated his entire life to developing a time travel technology with which he wants to travel back to the past to save the Earth from an alien invasion. 2016, Sarajevo, Bosnia-Herzegovina: five mysterious ancient pyramids and an underground labyrinth of tunnels with stones and megaliths that emanate ultrasound frequencies have been discovered near Sarajevo. The tunnels are rumored to have a healing effect on people. Mirsad and Manda are a seventeen-year-old couple in love. When Mirsad’s mother falls ill unexpectedly, they decide to visit the tunnels in a search for an alternative cure. While in the tunnels, the couple discovers a

Their presence activates an interstellar gateway that sends Mirsad and Manda to a future world. 2028, Bearford Falls, United States of America: to prevent the alien invasion, ACIO has instructed the governments to nuke ancient sites across the planet which hold interstellar gateways. The scientists have begun genetically engineering a new race that will be resilient to radioactivity and thus continue the evolution: Homo hibrida, a cross-breed of humans and animals. But Fifteen has made one crucial mistake in his calculations: by nuking ancient sites, he didn't close the gates for the aliens coming to invade Earth — he opened them.
