**Spanish - Applied New Testament Commentary** StephenThorson TomHale, Spanish Language Edition The Applied New Testament Commentary is an easy-to-read, down-to-earth commentary on the text of the New Testament. It can be used with any version of the Bible and includes: bull; bull;General Articles on important aspects of the Christian faith bull;An Introduction to each book of the New Testament bull;Word definitions bull;Clear explanations of Bible text bull;How to apply the Bible to everyday life Dr. Tom Hale is an experienced medical missionary in Nepal, and his commentary is essentially a missionary's commentary. Although he has done his biblical homework, and he thinks theologically, he does not write from the ivory tower of academia. His concern is rather for the grass roots of newly planted churches. He is familiar with the problems they face and the questions they ask. He wrestles with the need for cross-cultural application. He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree. And his straightforward, easy-to-read style includes both a simple vocabulary and short sentences. Inevitably a one-man commentary will not please everybody. But he has struggled to rid himself of bias, so that there is very much here for all Bible students to learn, whatever their cultural or denominational background. In fact the Applied New Testament Commentary should help to promote mutual understanding, tolerance and respect among Christian people. John Stott All Souls, Langham Place, London

Excellent study of worldviews!

**The Master Plan of Evangelism, Second Edition, Abridged** Robert Coleman,2006-04 Few books have had as great an impact on the cause of world evangelization in our generation as Robert Coleman's The Master Plan of Evangelism.--Billy Graham It all started when Jesus called a few men to follow him and share God's message with their neighbors. We are called to do the same. But evangelism can be difficult--even intimidating. With all the evangelism resources available, where should you turn to find advice on how to share the Good News with others? Robert E. Coleman says the answers aren't found in TV evangelism, easy-evangelism guidebooks, or the latest marketing techniques. Rather, he looks to the Bible, to the ultimate example found in Jesus Christ. For more than forty years this classic, biblical look at evangelism has challenged and instructed over three million readers. Now repackaged for a new generation, The Master Plan of Evangelism is as fresh and relevant as ever. Join the movement and discover how you can minister to the people God brings into your life.
