**Truths** Prodosh Aich,MVR Nair,2017-04-28 We are what we know. We know what is handed down. Our daily life is organised by historical narrations. Universally. To judge over the validity of historical narrations and of history, we must know all about those narrators of history. Today, and during the last two centuries, all narrators of history are educated in institutions created by European Christians. They narrate history incoherently though the history all over is coherent and interdependent. The libraries are flooded by incoherent deliberations and with books that are copied and pasted from other books. This is more so since the rise of the Ottoman Empire, since the blockade of the land route and beginning of search for a sea route to India, and all that has followed thereafter until our days. Why do they narrate incoherently though historical developments are coherent and interdependent by its nature? Why do they copy and paste and duplicate? To judge over the validity of historical narrations in their books, the authors of this book search and investigate into the acquired qualifications and careers of all main narrators of this history. The search is based on primary documents. The result of this search is thrilling, mysterious and stunning. We are fed by books that are based on secondary sources. These books are mere propaganda, which should be stored in bad libraries. The result of this search has banged on the Pandora's Box and it is open now.

[Madhav & Kama: A Love Story from Ancient India](#) A.N.D. Haksar,2006-01-01 This is the story of Madhavanala and Kamakandala. Madhav, a handsome and accomplished young man, is asked to leave his city of Pushpavati: his looks and

singing so distract women that they neglect their work, and cityfolk create an uproar about it. Exiled, Madhav reaches the court of King Kama Sena, the ruler of Kamavati, where he meets the bewitching courtesan Kama. The two fall in love but royal ire ensures that the lovers part. A heartbroken Madhav takes shelter in a temple at Ujjain, the city of King Vikramaditya. What can the great ruler do to assuage Madhav's pain? Can he reunite the lovers? This lively and colourful tale has startling metaphors, a candid narration of love and an ending that matches its evocative language. In circulation since the twelfth century AD, Madhav and Kama has been translated from the original Sanskrit text for readers in English for the first time.

**Sexuality in Classical South Asian Buddhism** José Ignacio Cabezón, 2017-10-10 A prolific scholar surveys classical Buddhism's approach to sex, gender, and sexual orientation in this landmark volume. More than twenty-five years in the making, this detailed sourcebook on Buddhist understandings of sexuality, desire, ethics, and deviance in classical South Asia is filled with both engaging translations and original and provocative analysis. Jose Cabezon, the XIVth Dalai Lama Professor at the University of California Santa Barbara, marshals an incredible array of scriptures, legal and medical texts, and philosophical treatises, explaining the subtleties of this ancient literature in lucid prose. This work will be of immense interest not only to scholars of Buddhism and gender studies but also to lay readers who want to learn more about traditional Buddhist attitudes toward sex.

**The Wound of Love - In the Spiritual Fire of the Ruchira Buddha Adi Da** Momo Pete, Momo Pete - English Edition, 2023-12-11 Through a childhood characterised by mystical experiences under the most difficult life circumstances, the Master unrecognised accompanies His disciple's spiritual search to India, who takes refuge in meditation and retreat, until the brightly radiating, transcendental spiritual revelations of the Heart-Master, as the Divine Person, the Maha Purusha, the promised God-Man, in the Old University of Freiburg im Breisgau. The search ends from one moment to the next and the disciple's life takes an unexpected turn and undergoes a profound transformation. In the eternal relationship between Heart-Master Avatar Adi Da and His devotee, the path of Avatar Adi Da's 7th stage of Perfect Realisation is revealed step by step. After many years of waiting and countless visions, the author finally reaches the longed-for island of Naitauba. All his expectations and ideas about the ashram of a Maha Siddha and the island community are disappointed on all levels. He is confronted with an insider cult of the first generation of devotees. The wisdom teaching of the Heart Master has fallen prey to a revision and a monarchist insider cult, behind which the first generation of disciples hides with high priestly words and empty proclamations. Despite this difficult and unexpected circumstance, the disciple receives the Transcendental Spiritual Revelations and teachings of his Heart-Master. The Transcendental Spiritual Reality emerges as the source of all beings and things in the face of the greatest possible failure, confrontation with the fatal insider cult of a spiritual community, exile and banishment.

**Love's Subtle Magic** Aditya Behl,2016-07-01 The encounter between Muslim and Hindu remains one of the defining issues of South Asian society today. It began as early as the 8th century, and the first Muslim kingdom in India, the Sultanate of Delhi, was established at the end of the 12th century. This power eventually reduced to vassalage almost every independent kingdom on the subcontinent. In *Love's Subtle Magic*, a remarkable and highly original book, Aditya Behl uses a little-understood genre of Sufi literature to paint an entirely new picture of the evolution of Indian culture during the earliest period of Muslim domination. These curious romantic tales transmit a profound religious message through the medium of adventurous stories of love. Although composed in the Muslim courts, they are written in a vernacular Indian language and involve Hindu yogis, Hindu princes and princesses, and Hindu gods. Until now, they have defied analysis. Behl shows that the Sufi authors of these charming tales sought to convey an Islamic vision via an Indian idiom. They thus constitute the earliest attempt at the indigenization of Islamic literature in an Indian setting. More important, however, Behl's analysis brilliantly illuminates the cosmopolitan and composite culture of the Sultanate India in which they were composed. This in turn compels us completely to rethink the standard of the opposition between Indian Hindu and foreign Muslim and recognize that the Indo-Islamic culture of this era was already significantly Indian in many important ways.
