*The Hillsong Movement Examined* Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieu it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

*You Need More Money* Brian Houston, 1999 The author of this book, Brian and his wife Bobbie, are the founders and pastors of Hills Christian Life Centre, in north-west Sydney, renowned for the live praise and worship albums produced by Hillsong Music Australia ... Presumptuous or prophetic, Brian Houston takes the bull by the horns and addresses a subject that affects everyone. Jesus spoke in depth about money and wealth, and through investigating Biblical principles, Brian establishes foundations based on the Word of God that will transform your thinking in terms of finance.--Cover.

**Jezebel's War With America** Michael L. Brown, 2019-08-06 Jezebel died 3,000 years ago. But her spirit lives today. Jezebel was the most wicked woman in the Bible, a powerful seductress who killed the prophets, led Israel into idolatry and immorality, and emasculated men. She was seductive and determined to snuff out the voices coming against her, because these voices were calling out for repentance. In twenty-first-century America, Jezebel is not a person. But it's as if the spirit of Jezebel is alive again today. The influence of the same demonic force is being felt in the massive increase of pornography and sexual temptation, the militant spirit of abortion, the rise of radical feminism, and most importantly, in the attempt to silence prophetic voices. Just as Jezebel clashed with strong men almost three thousand years ago, the demonic spirit of Jezebel is powerful in America, and it is going after the church. This eye-opening book not only unveils the satanic plot to destroy America, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation. This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church. OTHER BOOKS BY MICHAEL L. BROWN, PHD: *Playing With Holy*

*Australian Pentecostal and Charismatic Movements* Cristina Rocha, Mark Hutchinson, Kathleen Openshaw, 2020 In *Australian Pentecostal and Charismatic Movements: Arguments from the Margins*, Rocha, Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide. This edited volume fills a critical gap in two important scholarly literatures. The first is the Australian literature on religion, in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe. The second is the emerging transnational literature on Pentecostal and Charismatic movements. This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts.

**Job: The Faith to Challenge God** Michael L. Brown, 2021-10-05 Just as there was no man on earth like Job, there is no book on earth like the book of Job. In this new commentary, biblical scholar Michael Brown brings Job to life for the twenty-first-century reader, exploring the raw spirituality of Job, his extraordinary faith, his friends' theological errors, the mysteries of God's speeches, and the unique answers to the problem of suffering offered in the book of Job. Undergirded by solid Hebrew scholarship but written with clarity for all serious students of Scripture, the commentary provides an important introduction to the study of Job, a new translation, a series of theological reflections, and additional exegetical essays providing in-depth discussion of key passages. Additional topics covered in the theological reflections include the following: Challenging God as an Act of Faith How Would Job Comfort a Sufferer? Who Was the Satan? Job and Jesus Job and the New

**Come the Revolution** Alex Mitchell,2012-02 Many know Alex Mitchell as a political journalist. Few know that he was also a revolutionary. **Megachurches and Social Engagement** Mark J. Cartledge,Sarah Dunlop,Heather Buckingham,Sophie Bremner,2019-06-07 This book is the first detailed academic study of megachurches in the UK. In particular, it explores the nature and significance of social engagement by megachurches in the context of London. The research contains empirical case studies of two Anglican and three African diaspora Pentecostal churches. As well as exploring the range of social engagement activities provided by these churches, the study offers explanations in term of theological motivations and the influence of globalisation. Subsequently, the book outlines the importance of the findings for the relationship between church and society in the contemporary context, addressing the implications for social policy and practice. The book advances discussions in public theology, megachurch studies, Pentecostal and Charismatic studies and ecclesiology.

**Braden's Voice** Mark Speed,2020-02 The death of a child should never pre-date that of their parents. It's happening far too often more and more in the current generation. The cause of the current epidemic of depression and teen suicide will be studied for decades to follow. In the present, we as parents must open our eyes, our ears, our minds, and our hearts to a desperate situation. The second leading cause of death of our young people is suicide. When, during your own youth did you ever give serious and pensive thought to taking your own life? Perhaps in a fleeting moment when you experienced sharp pain of a love lost or a word said, but today, the option of suicide is on the menu of choices and our youth talk about that menu item daily. We implore readers to learn about this taboo topic... The 'S' Word and to help ensure it is not kept a subject we don't talk about, but rather one we openly acknowledge and fight against as informed parents to a lost and lonely generation.

*Blessed* Kate Bowler, 2013 Gospels -- Faith -- Wealth -- Health -- Victory -- American blessing -- Megachurch table -- Naming names.

The Making of Us Sheridan Voysey, 2019-03-19 Beautifully written and deeply poignant, *The Making of Us* allows readers to walk alongside author and radio personality Sheridan Voysey during a transformational moment in his life journey. Picking up where *Resurrection Year: Turning Broken Dreams Into New Beginnings* left off, Sheridan helps us process what we can learn about our identities in the face of disappointment and change. Life had not gone according to plan for Sheridan Voysey and his wife, Merryn. When infertility ended their dream of becoming parents, they uprooted their lives and relocated from Australia to Oxford, England, so Merryn could pursue her professional goals. But the move meant Sheridan had to give up his well-established career in Christian radio, and though he was experiencing some success as a writer, he couldn't reconcile his expectations for his life with the reality he was living. Lost and directionless, he came to a sobering realization: I don't know who I am. Following the example of many a seeker, Sheridan decided to pair his spiritual journey with a literal one: a hundred-mile pilgrimage along the northeast coast of England. Inspired by the life and influence of the monk Cuthbert, who was among the first to evangelize northern England in the 600s, Voysey and his friend DJ traveled on foot from the Holy Island of Lindisfarne to Durham, where the famed Lindisfarne Gospels were on display. What makes us who we are? What shapes our hopes and dreams, and how do we adjust when things don't go as we hoped? Can we recover if we make a choice that's less than perfect? Voysey tackles these questions and others as he deftly weaves together Cuthbert's story, the history of early Christianity in England, and his own struggle to find his identity and purpose. His introspective writing leads readers to consider their own stories and reflect on how God calls each of us to an identity bigger than any earthly role or career. Part travel memoir, part pilgrim's journal, *The Making of Us* is a quiet story including a chapter-by-chapter reflection guide, of trust in God's leading for our lives, no matter where our paths take us.

**The Trojan Horse of Tithing** Jonathan Paul Brenneman,2020-08-14 The Trojan Horse Of Tithing is a plea to Christian leaders, written from a Charismatic/Pentecostal perspective. Jonathan Brenneman exposes the inherent problems with common tithe teachings, highlighting serious issues with even so-called grace tithing. He demonstrates how deception starts subtly and documents the growing acceptance in mainstream Christianity of even overt teachings of salvation by tithing. Millions of people today now believe they will never even enter heaven without their tithes. No matter how much we try to dress tithe teachings up as grace, they continue to be the root of serious problems.The arguments contained here against the modern tithe tradition are thorough, compelling, and overwhelming. The gospel is worth giving not only our money, but even our lives to promote. However, modern tithe traditions have no place in this because they are not based on truth and misrepresent the way God relates to people. Rather than helping to advance, the gospel, they distort it. God is calling his church to get rid of the leaven and return to a powerful and pure gospel message!The Trojan Horse of Tithing is one of the most comprehensive overviews of multiple arguments against tithing. Few books make such a compelling case as to why tithing is incompatible with the gospel, or deal so thoroughly with less logical but emotionally powerful objections such as but tithing works! We include: -What could have possibly convinced strong proponents of tithing such as Derek Prince to change their minds?-Documentation and evidence of the extent of literal salvation by tithing doctrine in today's churches, and demonstration that this is the logical implication of even many of the most common so-called grace tithing teachings.-Dozens of serious logical problems with all of the common pro-tithing arguments.-A historical study on Melchizedek and the related terms El Elyon, Zedek, Salem, Heaven, and Earth.-11 commandments of God that churches regularly break for their tithe tradition.-9 serious problems with using Malachi as support for Christian tithing.-The history of tithing.-Contrast between the Babylonian tithe and the Jewish tithe. Which is our modern tithe tradition based on?-How the modern tithe tradition violates the statutes and the basic principles of the Jewish tithe.-What tithing and witchcraft have in common.-How tithing undermines Spirit-led giving.-How people are stepping into supernatural giving and supernatural provision without the tithe.-The historical and cultural context of ministerial support in scripture.-Why some of the world's most successful church planters see tithing as a hindrance to church multiplication.-How tithe teachings promote a poverty spirit.-A prophetic dream for the church.

**Face to Face with Jesus** Bodie Thoene,Samaa Habib,2014-05-27 It starts as a story ripped from the headlines of the

war-torn Middle East. An extremist faction of Islam bombs a church during a service. The one door in the back isn't big enough for five hundred people trying to escape. Some are killed. But after the chaos and fire and smoke, one young woman comes back to life. In this thrilling true tale, death does not have the final word. From the first time Samaa heard the Lord Jesus calling her out of Islam into faith in Him, till she met Him face to face in heaven, her life is marked by God's supernatural love and power. Full of hope and encouragement, and overflowing with Jesus' love, her riveting account reveals the power of God to break through any circumstance--and is a moving reminder that, in a place beyond what we can imagine, we have a Savior waiting to welcome us face to face.

*Good Or God?* John Bevere, 2015-08-11 These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice—good. Selfishness, arrogance, cruelty—evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

**Prosperity--The Choice Is Yours** Kenneth Copeland, 1985 Is prosperity truly God's plan for you? Claim the physical and spiritual riches that are yours. Once you understand the plan of abundance God has designed, you'll never again accept anything less. Through this scriptural study by Kenneth Copeland, you can be sure that when it comes to Prosperity: The Choice Is Yours.
