Eighteen months ago, Corine Solomon crossed the border and wound up in Mexico City, fleeing her past, her lover, and her "gift". Corine, a handler, can touch something and know its history—and sometimes, its future. Using her ability, she can find the missing—and that's why people never stop trying to find her. People like her ex, Chance... Chance, whose uncanny luck has led him to her doorstep, needs her help. Someone dear to them both has gone missing in Laredo, Texas, and the only hope of finding her is through Corine's gift. But their search may prove dangerous as the trail leads them into a strange dark world of demons and sorcerers, ghosts and witchcraft, zombies—and black magic...

Children's Past Lives Carol Bowman,2012-02-01 Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and transform our thinking about life after death

The Five People You Meet In Heaven Mitch Albom,2009-06-11 A STUNNING 20TH ANNIVERSARY EDITION OF THE MASTER STORYTELLER'S INSPIRATIONAL CLASSIC Eddie no longer notices years passing. When Eddie wakes, he discovers that death is an opportunity to learn about life, and he will have five teachers. Some he knows, while others are strangers. One by one, these individuals visit Eddie, illuminating the mysteries of his 'meaningless' existence and revealing the secret behind the eternal question: 'Why was I here?' _____ WHAT READERS SAY ABOUT THE FIVE PEOPLE YOU MEET IN HEAVEN 'Breathtakingly beautiful. What I Talk About When I Talk About Running Haruki Murakami,2011-10-10 'Pain is inevitable, suffering is optional' The must-read book for every runner: a compelling meditation on the power of running and a fascinating insight into the life of this internationally bestselling writer. In 1982, having sold his jazz bar to devote himself to writing, Murakami began running to keep fit. A year later, he'd completed a solo course from Athens to Marathon, and now, after dozens of such races, he reflects upon the influence the sport has had on his life and on his writing. Equal parts travelogue, training log and reminiscence, this revealing memoir covers his four-month preparation for the 2005 New York City Marathon and settings ranging from Tokyo's Jingu Gaien gardens, where he once shared the course with an Olympian, to the Charles River in

Boston. By turns funny and sobering, playful and philosophical, this is a must-read for fans of this masterful yet private writer as well as for the exploding population of athletes who find similar satisfaction in distance running. *Murakami's new book *Novelist as a Vocation* is available now* 'There can never have been a book quite like this memoir of running and writing before. In its self-contained way, it's nothing less than an inspiration' Evening Standard 'Hugely enjoyable...You don't have to have run a marathon to be captivated' Sunday Telegraph 'Comical, charming and philosophical...an excellent memoir' GQ

I Need Your Love - Is That True? Byron Katie,2008-09-04 Byron Katie's extremely simple programme called The Work was explored in her previous, hugely popular, book, Loving What Is. In it she explained how easy it is to be confused by the mental gymnastics we all play in our minds, and how looking closely at our thoughts - and whether they are true - can bring us a life of integrity and happiness. Her second book questions everything we have been taught to think and do to find love and approval and shows how to make the transition to an effective, non-manipulative way of connecting with others. When you live your life focused on thoughts such as 'I need a man' or 'She doesn't care about me' you live in fear and end up lonely, stressed, heartbroken and depressed. However, when you start to explore The Work, you can begin to enquire into many of the unquestioned beliefs you have lived by, and can begin to change. Through 'I Need Your Love - Is It True?' readers can explore what happens in their mind when they believe they need love, appreciation and approval. When they realise the truth of what's really going on inside them there is no doubt they can find real love and mutual understanding, especially with the help of Byron Katie's wisdom and compassion.
