Fruit of the Tongue: a Biblical Study of the Power of Words (Junior) Kim Sorgius,2017-11-15 Have you ever said something really awful or hurtful? Trust me, we all have. When we feel frustrated, annoyed, or treated unfairly, it's easy to lash out with ugly words without thinking about the consequences those words might have on ourselves or those around us. But just because it's easy and most people are guilty of doing it doesn't mean it's the right thing to do. The things we say matter in a HUGE way to God and they have tremendous power over our lives and the lives of those around us. Whether you already know you want to work harder at controlling your tongue or you haven't quite decided on that yet, there's a lot in this study for you to learn. First we will explore the power our tongue has--to do both good and evil. In weeks 2 & 3, we will explore 10 positive effects of controlling our tongue, called FRUITS. Finally we will learn simple ways to remember all we've learned and tame our tongue even when it's hard to say the right things. This study is divided into 4 weeks of lessons, each week containing 5 days. It's available in Junior and Youth versions. Are you ready to speak life, enjoying the vineyard of good fruit God has for you? Let's go!

Controlling the Tongue R.T Kendall, 2011-10-31 The words we speak have power. Often the consequences of our careless words are far reaching and eternal. Kendall helps you learn how to take control of the words you speak. Hope for the Hurting Tony Evans, 2022-01-11 Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue,

a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

What Are Spiritual Gifts? Kenneth Berding, Many Christians have tried to discover their spiritual gifts only to find the process frustrating and complicated. Rarely in our search do we actually ask what should be our central question: What are spiritual gifts? Kenneth Berding believes we have misunderstood spiritual gifts, which has led to a misguided search. His convincing and readable study suggests that the Holy Spirit does not give special abilities (the conventional view), but rather calls us and places us into various ministries to build up and strengthen the body of Christ. - Back cover.

God of Freedom - Bible Study Book Jen Wilkin,2022-01-03 Every book of the Bible tells us what is true about God. In Genesis we see Him as Creator and Covenant Maker. In Exodus we see Him as our strong Deliverer who sets us free from sin and death. In this 10-session study of Exodus 19-40, journey through the story of how God shepherds His newly-liberated children into an understanding of what their freedom means: lives consecrated for service to God and to one another. Revisit familiar scenes of the giving of the Ten Commandments, the idolatrous worship of a golden calf, and of the intricate details of the tabernacle. And with fresh perspective, ask what these stories teach God's children today about how to live as those set free. In every page of the Bible, learn to see Christ through the stories of His people. And discover how the God who created you and made a covenant with you will deliver you from death to life, for His name and renown. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 10 weeks of group sessions Ten essential teaching videos, approximately 30-45 minutes per session, available via redemption code printed in Bible study book for individual streaming access Benefits: Learn the deeper theological implications of stories you may have known for years. Understand how the freedom God gives His children is meant to lead us to lives of glad service to God and our communities of faith. Explore how we understand the character of Christ, even through Old Testament accounts.

Polycarp and Paul Kenneth Berding,2015-12-22 This volume addresses the question of the Apostle Paul's literary and theological influences on Polycarp of Smyrna. To this end, the most detailed analysis in print of Polycarp's dependence on earlier literature--both biblical and extra-biblical--is undertaken in the first part of the book. This general analysis forms the basis for the study of three questions: 1) Is Polycarp an imitator of Paul? 2) Whom does Polycarp think is the author of the

Pastoral Epistles? 3) To what degree is Polycarp influenced by the theology of Paul? This volume will be of particular interest to anyone studying the Apostolic Fathers, the reception of Paul in the second century, the concept of imitation, and the authorship of the Pastoral Epistles.

The Apostolic Fathers Kenneth Berding, 2017-04-25 Who were the Apostolic Fathers? What did they care about? Why did they write what they wrote? *The Apostolic Fathers: A Narrative Introduction* is the most engaging introduction to Apostolic Fathers you will ever read. Imagine what it would be like to ask Polycarp about the documents that were composed during his lifetime. You don't have to imagine any longer. Situated during the final week of Polycarp's life, these fictional dialogues will introduce you to the earliest Christian documents after the time of the apostles. You will come to know Clement, Ignatius, Hermas, Papias, and others. Freshly translated excerpts from the writings themselves are included after each chapter.

The Acts of the Apostles, 2010-12-01 Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James.

With the Master: Before the Mirror of God's Word Susan J. Heck, 2013-09-20 Susan Heck expounds on the book of First John with the same love and tenderness the Apostle John used in writing the book. The theme of the book is expressed well in 1 John 2:1: My little children, I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous. This is an excellent small group Bible study for women.

New Testament Teaching on Tongues Merrill F. Unger, 2002-11-01 An excellent summary of the biblical content on speaking in tongues, from a non-charismatic position. Includes a helpful bibliography.

Gay Girl, Good God Jackie Hill Perry, 2018-09-03 "I used to be a lesbian." In *Gay Girl, Good God*, author Jackie Hill Perry shares her own story, offering practical tools that helped her in the process of finding wholeness. Jackie grew up fatherless and experienced gender confusion. She embraced masculinity and homosexuality with every fiber of her being. She knew

that Christians had a lot to say about all of the above. But was she supposed to change herself? How was she supposed to stop loving women, when homosexuality felt more natural to her than heterosexuality ever could? At age nineteen, Jackie came face-to-face with what it meant to be made new. And not in a church, or through contact with Christians. God broke in and turned her heart toward Him right in her own bedroom in light of His gospel. Read in order to understand. Read in order to hope. Or read in order, like Jackie, to be made new.

Bible Revival Kenneth Berding, 2018-11-30 A passionate plea to make the Bible occupy the central place of a Christian's life. It not only explores the current malady of not taking the Bible seriously, but it goes deeper to uncover its reasons.

Counseling One Another Paul Tautges, 2016-02-01 This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.
