The book behind the Amazon Prime / BBC Series starring David Tennant, Michael Sheen, Jon Hamm and Benedict Cumberbatch. 'Ridiculously inventive and gloriously funny' Guardian What if, for once, the predictions are right, and the Apocalypse really is due to arrive next Saturday, just after tea? It's a predicament that Aziraphale, a somewhat fussy angel, and Crowley, a fast-living demon, now find themselves in. They've been living amongst Earth's mortals since The Beginning and, truth be told, have grown rather fond of the lifestyle and, in all honesty, are not actually looking forward to the coming Apocalypse. And then there's the small matter that someone appears to have misplaced the Antichrist . . .

What readers are saying about Good Omens: ***** 'A superb recipe for disaster. I didn't stop grinning from beginning to end.' ***** 'Both Gaiman and Pratchett are great authors and they complement each other brilliantly.' ***** 'Superbly enjoyable read. Seamlessly co-written.'

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek, 2000 The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world.

Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

The Gold of the Gods Erich von Däniken,2011-06-17 Erich von Däniken, whose books have enthralled millions of readers around the world, now presents astonishing new confirmation for his revolutionary theories. Erich von Däniken's *The Gold of the Gods* unveils new evidence of an intergalactic battle of the gods whose losers retreated to, and settled, Earth. He explores a vast, mysterious underworld of Ecuador---caves filled with gold and writings in solid gold that go back to the time of the Great Flood, bolstering von Däniken's theory of a prehistoric earthly era of the gods.

The Forbidden Religion Jose M. Herrou Aragon,2012-07-03 Gnosis means knowledge. But we are not referring to just any knowledge. Gnosis is knowledge which produces a great transformation in those who receive it. Knowledge capable of nothing less than waking up man and helping him to escape from the prison in which he finds himself. That is why Gnosis has been so persecuted throughout the course of history, because it is knowledge considered dangerous for the religious and political authorities who govern mankind from the shadows. Every time this religion, absolutely different from the rest, appears before man, the other religions unite to try to destroy or hide it again. Primordial Gnosis is the original Gnosis, true Gnosis, eternal Gnosis, Gnostic knowledge in its pure form. Due to multiple persecutions, Primordial Gnosis has been fragmented, distorted and hidden.

The Orion Prophecy Patrick Geryl,Gino Ratinckx,2001 In the year 2012 the Earth awaits a super catastrophe: its magnetic field will turn over in one go. Phenomenal earthquakes and tidal waves will completely destroy our civilisation. Europe and North America will shift thousands of kilometres northwards into polar climate. Nearly the whole earth's population will perish in the apocalyptic happenings. These dire predictions stem from Mayans and Egyptians -- descendants of the legendary Atlantis. The Atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world-wide flood in 9792 BC. They built tens of thousands of mandjits and escaped to South America and Egypt. In the year 2012 Venus, Orion and several other stars will take the same 'code positions' as in 9792 BC, the year of the previous cataclysm! For thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood -- this book gives one possible location.

The Orion Mystery Robert Bauval,Adrian Gilbert,2001-05-04 Unlocking the secrets of the pyramids.For thousands of years the pyramids have stood, imposing and enigmatic, refusing to give up their secrets.Why did the Egyptians really build pyramids?What lies inside the Great Pyramid's hidden chamber and what a

The Reconnection Eric Pearl,2011-04 Why are prominent doctors and medical researchers all over the world interested in the extraordinary healings reported by the patients of Dr. Eric Pearl? What does it mean when these patients report the sudden disappearance of afflictions such as cancers, AIDS-related diseases, and cerebral palsy? And what does it mean when people who interact with Dr. Pearl report a sudden ability to access this healing energy not just for themselves, but for others, too? What is this phenomenon? Well, you might have to reconsider everything you've read up until now about conventional healing. The "new" frequencies of healing described by Dr. Pearl transcend "technique" entirely and bring you to levels beyond those previously accessible to anyone, anywhere. This book takes you on Dr. Pearl's journey from the discovery of his ability to facilitate healings, to his well-deserved reputation as the instrument through which this process is being introduced to the world. But most important, The Reconnection reveals methods you can use to personally master these new healing energies.

Hitler And India Vaibhav Purandare,2022-08-18 Hitler's autobiography, Mein Kampf, is a perennial bestseller in India, with even street-side bookstalls prominently displaying stacks of it. The name 'Hitler' -- anathema almost everywhere else in the world -- is tossed about casually in the Indian subcontinent, not infrequently invoked in praise. Many Indians still harbour the notion that the Fuhrer was a friend of the Indian people and had extended wholehearted support to their freedom struggle. To journalist Vaibhav Purandare, this clearly suggested that Indians continued to be largely unaware of the German

dictator's views on India, in spite of the fact that they are unambiguously expressed in his own writings. This lacuna spurred him on to delve into the archives -- in Germany, India and elsewhere. The result of Purandare's research is this comprehensive and painstaking portrait and analysis of Hitler's outlook on India and its people, his opinion of their struggle against the British Raj, and his take on Indian history, culture and civilisation. Also within these pages are surprising details of Netaji Subhas Chandra Bose's entanglement with the Reich, the experience of other Indians living in Nazi Germany, the mission that Hitler sent to the Himalayas in search of 'pure-blood Aryans', and a number of other little-known historical nuggets. Accessible and rich in detail, *Hitler and India* is the very first examination of what India meant to a figure who, perplexingly, remains quite alive in the country.
