Starred Tower Ryan Debruyne, 2021-04-06 The apocalypse began with an internal cancer-like growth. A new organ formed, and Towers sprouted from the Earth. All worldly knowledge upended. No explanation or rules given. So, humanity made its own... Jeff Smith was born over a century after The Rise, the historical name for the day that seven indestructible mechanical towers rose like spiraling drills. Earlier that month, everyone on the planet was given the potential to be something more, to live forever-to be a superhuman. Like everyone else, Jeff wants to cultivate his God Liquid and join the immortal rankers as they conquer the Northern Tower and capture riches beyond imagining. What better life could there be? Unfortunately, for twenty-one years, Jeff hasn't been allowed to cultivate thanks to his tyrant of a mother-thanks to Leah. Then, on the day he is going to escape, a powerful guild on a manhunt attacks Leah's group of scavengers, and Jeff is thrown through a very unique dungeon portal- a portal that hasn't been used in nearly a hundred years. When spells and skills unleash chaos, a special blue screen powers up, and Jeff's journey begins.

The Desert and the Blade S. M. Stirling, 2015-09-01 In his Novels of the Change, New York Times bestselling author S.M. Stirling presents "a devastated, mystical world that will appeal to fans of traditional fantasy as well as post-apocalyptic SF."* Continuing their quest that began in *The Golden Princess*, two future rulers of a world without technology risk their lives seeking a fabled blade... Reiko, Empress of Japan, has allied herself with Princess Órlaith, heir to the High Kingdom of Montival, to find the Kusanagi-no-Tsurugi, the Grass-Cutting Sword, a legendary treasure of an ancient dynasty that confers valor and victory to its bearer. Órlaith understands all too well the power it signifies. Her own inherited blade, the Sword of the Lady, was both a burden and a danger to her father, Rudi Mackenzie, as it failed to save the king from being assassinated. But the fabled sword lies deep with the Valley of Death, and the search will be far from easy. And war is

building, in Montival and far beyond. As Órlaith and Reiko encounter danger and wonder, Órlaith's mother, Queen Matildha, believes her daughter's alliance and quest has endangered the entire realm. There are factions both within and without Montival whose loyalty died with the king, and whispers of treachery and war grow ever louder. And the Malevolence that underlies the enemy will bend all its forces to destroy them. *Publishers Weekly (starred review)

Shadowrun Forbidden Arcana Catalyst Game Labs,2019-04-04 Magic is wild. Magic is undisciplined. You can try to impose order and understanding on it, but that's just surface. Underneath is chaos, an erratic heart beating to a staggering rhythm. You don't control it, any more than a surfer controls twenty-meter-tall wave; you don't direct the wave, you ride it, capture a piece of its power, and hope to survive. If you do it right, though, you catch a portion of unimaginable power-power those who control the Sixth World don't want you to have. All the more reason to push past their boundaries and grab it. Forbidden Arcana offers dozens of different ways for Awakened characters in Shadowrun to harness that power and make themselves a mana-slinger like no other. From new ways to distinguish spellcasters of different traditions to more chaotic methods for summoning spirits to options for Awakened characters who have mastered their craft, Forbidden Arcana shows players how to break out of conventional molds, use mana in new ways, and become true street legends riding the growing wave of Sixth World mana. Forbidden Arcana is an advanced magic rulebook for use with Shadowrun, Fifth Edition; magic concepts from the book can be used with Shadowrun: Anarchy, though mechanics for that game are not included.

City of Thorns C. N. Crawford,2021-08-23 I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, and he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one. -Laura Thalassa
