Belladonna Adalyn Grace, 2022-08-30 The New York Times bestselling author of *All the Stars and Teeth* brings to life a highly romantic, Gothic-infused world of wealth, desire, and betrayal. Orphaned as a baby, nineteen-year-old Signa has been raised by a string of guardians, each one more interested in her wealth than her well-being—and each has met an untimely end. Her remaining relatives are the elusive Hawthornes, an eccentric family living at Thorn Grove, an estate both glittering and gloomy. Its patriarch mourns his late wife through wild parties, while his son grapples for control of the family's waning reputation, and his daughter suffers from a mysterious illness. But when their mother's restless spirit appears claiming she was poisoned, Signa realizes that the family she depends on could be in grave danger and enlists the help of a surly stable boy to hunt down the killer. However, Signa's best chance of uncovering the murderer is an alliance with Death himself, a fascinating, dangerous shadow who has never been far from her side. Though he's made her life a living hell, Death shows Signa that their growing connection may be more powerful—and more irresistible—than she ever dared imagine.

You Had Me at Pet-Nat Rachel Signer, 2021-10-19 From the publisher of *Pipette Magazine*, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant

jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her Wildman, to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.

Alone with You in the Ether Olivie Blake,2024 From Olivie Blake, the New York Times bestselling author of *The Atlas Six*, comes a literary, intimate study of time, space, and the nature of love. *Alone with You in the Ether* explores what it means to be unwell, and how to face the fractures of yourself and still love as if you're not broken. CHICAGO, SOMETIME-- Two people meet in the Art Institute by chance. Prior to their encounter, he is a doctoral student who manages his destructive thoughts with compulsive calculations about time travel; she is a bipolar counterfeit artist, undergoing court-ordered psychotherapy. By the end of the story, these things will still be true. But this is not a story about endings. For Regan, people are predictable and tedious, including and perhaps especially herself. She copes with the dreariness of existence by living impulsively, imagining a new, alternate timeline being created in the wake of every rash decision. To Aldo, the world feels disturbingly chaotic. He gets through his days by erecting a wall of routine: a backbeat of rules and formulas that keep him going. Without them, the entire framework of his existence would collapse. For Regan and Aldo, life has been a matter of resigning themselves to the blueprints of inevitability--until the two meet. Could six conversations with a stranger be the variable that shakes up the entire simulation?

Both religious and secular readers will find themselves immensely moved by [Kurshan's] personal story.” American Jewish World: “So engrossing I hardly could put it down.” At the age of twenty-seven, alone in Jerusalem in the wake of a painful divorce, Ilana Kurshan joined the world’s largest book club, learning daf yomi, Hebrew for “daily page” of the Talmud, a book of rabbinic teachings spanning about six hundred years. Her story is a tale of heartache and humor, of love and loss, of marriage and motherhood, and of learning to put one foot in front of the other by turning page after page.
