Keeping You Lena Hendrix,2023-05-12 I never should have slept with Colin McCoy. When I moved to my sister's small town, I was looking for a fresh start-no more shallow relationships, no snotty fake friends, and definitely no charming, dirty-talking musicians. We had a fun, red-hot night together and we agreed that hooking up was a mistake, a one-time thing. But when my dream bakery location happens to be right next door to his bar, every day I'm forced to see that chiseled jawline and remember the feel of his incredible body on mine. No. I'm starting over. I have rules. No more bad habits, definitely no falling in love. No matter how hard he tries, hooking up with him again would prove I'm the flake everyone expects me to be. But here I am, stuck between wanting to make something of my life and wanting to grab him and make another delicious mistake. KEEPING YOU is a scorching hot, interconnected stand alone small town romance. It's the second book in the Chikal Falls series set in the fictional Montana town, Chikal Falls.

One Touch Lena Hendrix,2023-05-29 Falling hard for my ex-boyfriend's rugged older brother was never in the plan. Beckett Miller may be my brother's best friend, but he's also the last person on earth I want to ask for help. He's stubborn, demanding, and doesn't care at all what people think of him-everything his little brother wasn't, and definitely everything I should not want. Thanks to my own stubbornness and my three infuriating siblings, he is the only one who can help me renovate my beloved aunt's farmhouse. Beckett thinks I'm a doormat, and I know he's an arrogant prick, but toss in one late-night game of tipsy strip poker, and before long, endless summer days turn into scorching nights. Every stolen touch-every kiss-is wrong in the best ways. I can fix everything around me: my friends' problems, my brothers' love lives, maybe even the decades-old rivalry that divides our cozy coastal town. So Beckett's snarl and heavy sighs are no match for me. The only thing I can't seem to fix is the way my body reacts when he swings a hammer. I built walls to protect my heart after what his brother did to me, but I'm finding it could all come crumbling down with just one touch.

On the Rocks Kandi Steiner,2019-06-11 I'm the mayor's daughter. He's the town bad boy. I'm engaged to someone else... but my heart belongs to him. Noah Becker is nothing but trouble. That's what Mama told me when I was a kid kicking his pew in church and giggling at the games we'd play. It's what the town said when his father died and the Becker brothers went wild. And it's on repeat in my mind the day I walk into the whiskey distillery where he works to buy a wedding gift for my fiancé. He's trouble. Dirty sweaty rude trouble. No matter how many times I repeat it I can't escape Noah in our small

Tennessee town. And the more I run into him the more he infuriates me. Because he sees what no one else does. He sees me—the real me. The me I'm not sure I'm allowed to be. I'm Ruby Grace Barnett the mayor's daughter. Soon to be a politician's wife just like Mama and Daddy always wanted. Soon to fulfill my family's legacy just like I always knew I would. Until the boy everyone warned me about makes me question everything like whether the wedding I'm planning is one I even want. Everyone says Noah Becker is nothing but trouble. If only I had listened. Bestselling Author Kandi Steiner delivers a gripping small town country romance about a whiskey barrel raiser and the Mayor's daughter he can't resist. An Amazon Bestseller and Book 1 in the gripping Becker Brothers series.

Moving Beyond Trauma: The Roadmap to Healing from Your Past and Living with Ease and Vitality Ilene Smith, 2020-05-05 Have you noticed that no matter how much time you spend in talk therapy, you still feel anxious and triggered? That is because talk therapy can keep you stuck in a pattern of reliving your stories, rather than moving beyond them. But, most of all, it's because trauma doesn't just reside inside your mind—much more importantly, it locks itself in other parts of your body. When left unresolved, that trauma continues to live there, impacting your life, your relationships, your sense of safety, and your ability to experience joy in very real ways. In *Moving Beyond Trauma*, Ilene Smith will introduce you to Somatic Experiencing, a body-based therapy capable of healing the damage done to your nervous system by trauma. She breaks down the ways in which trauma impacts your nervous system and walks you through a program designed to process trauma in a non-threatening way. You will discover a healing lifestyle marked by a deeper connection with yourself, those around you, and with everything you do.

That Second Chance Meghan Quinn, 2019 It only took one rowdy night with his brothers to flip Griffin's world upside down. One unlucky encounter saddled them with a family curse and the promise of doomed relationships. Word spread quickly, and rumors about that night made them the most eligible yet untouchable bachelors in Port Snow, Maine. Then Ren Winters, the new girl in town, crashed into his life. Her thirst for a fresh start gave Griffin hope that maybe, just maybe, he could have one, too. Everyone wishes for that second chance ... -- adapted from back cover

The Summer Proposal Vi Keeland, 2022-01-10 A new, sexy standalone from #1 New York Times Bestseller, Vi Keeland. The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I'd ever laid eyes on. Exactly what I needed after my breakup. Or so I thought... Until my real date arrived. Turned out, Max wasn't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the

period. Just before the buzzer, one of the teams scored, and the entire arena went crazy. A player's face flashed up on the Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn't invited me to watch hockey with him, he'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn't get too serious when we had an expiration date. Right? Though, you know what they say about the best-laid plans.

Fool Me Twice Carrie Aarons, 2020-03-09 When my best friend died of cancer just before her eighteenth birthday, she left her coveted bucket list to me. The things she already crossed off? Skinny dipping, going to Paris, completing the local hot wing challenge, road tripping to the ocean, and sending out a message in a bottle. So, it falls on me to finish it for her, to

honor her memory. In the next year, it's my mission to:1. Dye my hair2. Have sex3. Camp out in a tent4. Go bungee jumping5. Get revenge on Lincoln KolbMost are doable, some terrify me, and then there is the last item on the list. When the raven-haired football god dumped my best friend during senior year of high school, she was devastated. The jerk with charm for days found out she was sick, and betrayed her in the worst way possible. But he doesn't know me, I went to school a town over. Now, to fulfill my promise, I'm the newest freshman on the campus where he is the big man. If there is one thing, aside from cheap beer, that a jock can't pass up, it's a shiny new girl. So when I catch his eye, play hard to get, and then fall into his bed, I know my scheme is working to perfection. But what Lincoln can't see coming is the beatdown I have planned for his ice-cold heart. Unfortunately, what I never saw coming was the one he had planned for mine.

Arouse Nina Lane, 2013-01-01 One day I'm going to touch you in a thousand different ways and show you how to touch me, he said. And he did. Struggling with a tormented past, undergraduate Olivia Winter once led a practical but isolated life. Then she met Professor Dean West, a brilliant scholar of medieval history who melted Liv's inhibitions and taught her the meaning of both love and erotic pleasure. But after three years of a blissful, lusty marriage, Liv and Dean now face a crisis that threatens everything they believe about each other as dark secrets and temptations rise to the surface.

Finding You Lena Hendrix, 2021-05-26 I never thought I'd find her. After eight years in the Marines, I'm still looking for the mysterious woman I've obsessed over since her first letter. When she shows up in my small town, I'm thrilled. But when she turns out to be my brother's best friend--and the girl he's always loved--I'm caught between the two people who matter to me the most. I'm a Marine, which means honor and duty run deep. Joanna is off-limits. That would be a whole lot easier if she hadn't already agreed to help run my brother's fishing guide business for the summer, forcing me to work side-by-side with the woman I've fantasized about for years. I try to keep her at a distance, push her away, man up. But she draws me in without even trying, and I can't get enough of how she makes me feel. I'm stealing moments with her, and I know it's wrong. She may not be my brother's girlfriend, but I know a landmine when I see one. How can a good man choose his heart over his honor?
