**Quiet Is a Superpower** Jill Chang,2020-10-06 "A must-have book for today's quiet warriors." —Susan Cain, New York Times bestselling author of *Quiet* and *Quiet Power* and cofounder of Quiet Revolution How does a self-described extreme introvert thrive in a world where extroverts are rewarded and social institutions are set up in their favor? Using her extraordinary personal story as a case study of one, author Jill Chang shows that introverts hold tremendous untapped potential for success. Chang describes how she succeeded internationally in fields that are filled with extroverts, including as an agent for Major League Baseball players, a manager of a team across more than twenty countries, and a leading figure in

international philanthropy. Instead of changing herself to fit an extroverted mold, she learned to embrace her introversion, turning it from a disadvantage to the reason she was able to accomplish great goals and excel in tasks that her extroverted peers missed. She offers advice on the best jobs for introverts, overcoming the additional difficulties language and cultural barriers can present, thriving at social events and business presentations, leveraging the special leadership traits of introverts, and much more. Part memoir and part career guide, this book gives introverts the tools to understand how they can form relationships, advance in the career path, excel in cross-cultural workplaces, and navigate extroverted settings without compromising comfort or personality.

Bewitching Alex Flinn,2012-02-14 Bewitching can be a beast. . . . Once, I put a curse on a beastly and arrogant high school boy. That one turned out all right. Others didn't. I go to a new school now—one where no one knows that I should have graduated long ago. I'm not still here because I'm stupid; I just don't age. You see, I'm immortal. And I pretty much know everything after hundreds of years—except for when to take my powers and butt out. I want to help, but things just go awry in ways I could never predict. Like when I tried to free some children from a gingerbread house and ended up being hanged. After I came back from the dead (immortal, remember?), I tried to play matchmaker for a French prince and ended up banished from France forever. And that little mermaid I found in the Titanic lifeboat? I don't even want to think about it. Now a girl named Emma needs me. I probably shouldn't get involved, but her gorgeous stepsister is conniving to the core. I think I have just the thing to fix that girl—and it isn't an enchanted pumpkin. Although you never know what will happen when I start . . . bewitching.

**The Invoice** Jonas Karlsson,2016-07-12 A heartfelt exploration of the cost of life and love—and the importance of the little things—from the author of the international bestseller, *The Room* Hilarious, profound, and achingly true-to-life, *The Invoice* explores the true nature of happiness through the eyes of hero you won't soon forget. A passionate film buff, our

hero's life revolves around his part-time job at a video store, the company of a few precious friends, and a daily routine that more often than not concludes with pizza and movie in his treasured small space in Stockholm. When he receives an astronomical invoice from a random national bureaucratic agency, everything will tumble into madness as he calls the hotline night and day to find out why he is the recipient of the largest bill in the entire country. What is the price of a cherished memory? How much would you pay for a beautiful summer day? How will our carefree idealist, who is content with so little and has no chance of paying it back, find a way out of this mess? All these questions pull you through *The Invoice* and prove once again that Jonas Karlsson is simply a master of entertaining, intelligent, and life-affirming work.

Instant Karma Marissa Meyer,2020-11-03 In New York Times bestselling author Marissa Meyer's young adult contemporary romance, a girl is suddenly gifted with the ability to cast instant karma on those around her - both good and bad. Chronic overachiever Prudence Barnett is always quick to cast judgment on the lazy, rude, and arrogant residents of her coastal town. Her dreams of karmic justice are fulfilled when, after a night out with her friends, she wakes up with the sudden ability to cast instant karma on those around her. Pru giddily makes use of the power, punishing everyone from public vandals to mean gossips, but there is one person on whom her powers consistently backfire: Quint Erickson, her slacker of a lab partner. Quint is annoyingly cute and impressively noble, especially when it comes to his work with the rescue center for

local sea animals. When Pru resigns herself to working at the rescue center for extra credit, she begins to uncover truths about baby otters, environmental upheaval, and romantic crossed signals—not necessarily in that order. Her newfound karmic insights reveal how thin the line is between virtue and vanity, generosity and greed . . . love and hate... and fate.

**My Calamity Jane** Cynthia Hand,Brodi Ashton,Jodi Meadows,2020-06-02 Hold on to your hats: The authors who brought you the New York Times bestseller *My Plain Jane*, which Booklist praised as “delightfully deadpan” (starred review) and Publishers Weekly called “a clever, romantic farce” (starred review), are back with another irreverent historical adventure—perfect for YA fantasy and romance readers. Welcome to 1876 America, a place bursting with gunslingers, outlaws, and garou—better known as werewolves. And where there are garou, there’re hunters: the one and only Calamity Jane, to be precise, along with her fellow stars of Wild Bill’s Traveling Show, Annie Oakley and Frank “the Pistol Prince” Butler. After a garou hunt goes south and Jane finds a suspicious-like bite on her arm, she turns tail for Deadwood, where there’s talk of a garou cure. But rumors can be deceiving—meaning the gang better hightail it after her before they’re a day late and a Jane short. In this next read for fans of *A Gentleman’s Guide to Vice and Virtue*, bestselling authors Cynthia Hand, Jodi Meadows, and Brodi Ashton bring their signature spark to the side-splittin’, whopper-filled (but actually kind of factual?) tale of Calamity Jane.
