The Circle of Fire Don Miguel Ruiz, Janet Mills, 2013-08-27 In *The Circle of Fire*, bestselling author, don Miguel Ruiz, inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation.

Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, “The Circle of Fire” ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call “Life” or “God.” From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as “Prayers: A Communion with Our Creator,” will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed “The Circle of Fire.” — don Miguel Ruiz

The Mastery of Self don Miguel Ruiz, 2016-05-23 Renowned Toltec wisdom teacher don Miguel Ruiz Jr. reveals how the tools of awareness, understanding, and unconditional love can free your authentic self. The Toltecs were an ancient civilization that predated the Aztecs. They believed that life as we perceive it is a dream. We each live in our own personal dream, and our collective dreams come together to shape the “Dream of the Planet.” But problems arise when we forget that the dream is just that—a dream, and not a fixed reality. *The Mastery of Self* takes the Toltec philosophy of the “Dream of the Planet” and the personal dream and explains how we can: Wake up from our illusions Liberate ourselves from the inhibiting stories we all tell ourselves Live as our true, authentic, loving selves Once released, we can live our authentic lives not only in solitude and meditation but anywhere—at the grocery store, stuck in traffic, and so forth—and in any situation or scenario that might confront us. Each chapter includes rituals, meditations, and other practices to manifest Toltec wisdom in our lives.

The Five Levels of Attachment don Miguel Ruiz, Jr., 2013-01-01 Presents a guide to using the principles of Toltec

philosophy to overcome attachments and beliefs that are the cause of suffering and that stand in the way of achieving personal freedom and happiness.

Wisdom of the Shamans Don Jose Ruiz,2019 For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of witch doctor, the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

The Voice of Knowledge Don Miguel Ruiz,Janet Mills,2010-02-01 From the bestselling author of *The Four Agreements* In *The Voice of Knowledge*, Miguel Ruiz reminds us of a profound and simple truth: The only way to end our emotional suffering and restore our joy in living is to stop believing in lies — mainly about ourselves. Based on ancient Toltec wisdom, this breakthrough book shows us how to recover our faith in the truth and return to our own common sense. Ruiz changes the way we perceive ourselves, and the way we perceive other people. Then he opens the door to a reality that we once perceived when we were one and two years old — a reality of truth, love, and joy. We are born in truth, but we grow up believing in lies. . . . One of the biggest lies in the story of humanity is the lie of our imperfection. — don Miguel Ruiz

Beyond Fear Mary Carroll Nelson,Miguel Ruiz,1997 The wisdom in this life-changing book has the power to replace fear with joy. Fear, the source of all the negative agreements we've made in life, can alienate us from the joy that is our birthright. When we are able to look at our lives and our worlds without fear or judgment, we realize that this dream we are dreaming - reality - can be whatever we want it to be.

The Three Questions Don Miguel Ruiz,Barbara Emrys,2018-06-26 The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power

and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz's transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.
