

Words In Deep Blue

Emily Gale

Words in Deep Blue Cath Crowley, 2018-04-05 A love story for everyone who loves books. 'One of the loveliest, most exquisitely beautiful books I've read in a very long time ... I didn't just read the pages, I lived in them' Jennifer Niven, author of *All the Bright Places* Two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hope - and letters hidden between the pages. Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favourite book in his family's bookshop. She waited. But Henry never came. Now Rachel has returned to the city - and to the bookshop - to work alongside the boy she'd rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she can't feel anything anymore. As Henry and Rachel work side by side - surrounded by books, watching love stories unfold, exchanging letters between the pages - they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But it's possible that words, and love, and second chances are enough.

Ship of Gold in the Deep Blue Sea Gary Kinder, 2009-10-20 "Titanic meets Tom Clancy technology" in this national-bestselling account of the SS Central America's wreckage and discovery (People). September 1875. With nearly six hundred passengers returning from the California Gold Rush, the side-wheel steamer SS Central America encountered a violent storm and sank two hundred miles off the Carolina coast. More than four hundred lives and twenty-one tons of gold were lost. It was a tragedy lost in legend for more than a century—until a brilliant young engineer named Tommy Thompson set out to find the wreck. Driven by scientific curiosity and resentful of the term "treasure hunt," Thompson searched the deep-ocean floor using historical accounts, cutting-edge sonar technology, and an underwater robot of his own design. Navigating greedy investors, impatient crewmembers, and a competing salvage team, Thompson finally located the wreck in 1989 and sailed into Norfolk with her recovered treasure: gold coins, bars, nuggets, and dust, plus steamer trunks filled with period clothes, newspapers, books, and journals. A great American adventure story, *Ship of Gold in the Deep Blue Sea* is also a fascinating account of the science, technology, and engineering that opened Earth's final frontier, providing "white-knuckle reading, as exciting as anything . . . in *The Perfect Storm*" (Los Angeles Times Book Review). "A complex, bittersweet history of two centuries of American entrepreneurship, linked by the mad quest for gold." —Entertainment Weekly "A ripping true tale of danger and discovery at sea." —The Washington Post "What a yarn! . . . If you sign on for the cruise, go in knowing that

you're going to miss meals and a lot of sleep." —Newsweek

Bluets Maggie Nelson, 2017-06-01 **AS SEEN ON BBC2's BETWEEN THE COVERS** A Guardian Book of the Year Maggie Nelson is one of the most electrifying writers at work in America today, among the sharpest and most supple thinkers of her generation - Olivia Laing *Bluets* winds its way through depression, divinity, alcohol, and desire, visiting along the way with famous blue figures, including Joni Mitchell, Billie Holiday, Yves Klein, Leonard Cohen and Andy Warhol. While its narrator sets out to construct a sort of 'pillow book' about her lifelong obsession with the colour blue, she ends up facing down both the painful end of an affair and the grievous injury of a dear friend. The combination produces a raw, cerebral work devoted to the inextricability of pleasure and pain, and to the question of what role, if any, aesthetic beauty can play in times of great heartache or grief. Much like Roland Barthes's *A Lover's Discourse*, *Bluets* has passed between lovers in the ecstasy of new love, and been pressed into the hands of the heartbroken. Visceral, learned, and acutely lucid, *Bluets* is a slim feat of literary innovation and grace, never before published in the UK.

Blue Mind Wallace J. Nichols, 2014-07-22 A landmark book by marine biologist Wallace J. Nichols on the remarkable effects of water on our health and well-being. Why are we drawn to the ocean each summer? Why does being near water set our minds and bodies at ease? In *Blue Mind*, Wallace J. Nichols revolutionizes how we think about these questions, revealing the remarkable truth about the benefits of being in, on, under, or simply near water. Combining cutting-edge neuroscience with compelling personal stories from top athletes, leading scientists, military veterans, and gifted artists, he shows how proximity to water can improve performance, increase calm, diminish anxiety, and increase professional success. *Blue Mind* not only illustrates the crucial importance of our connection to water; it provides a paradigm shifting blueprint for a better life on this Blue Marble we call home.

Hearts, Strings, and Other Breakable Things Jacqueline Firkins, 2019-12-17 In this charming debut about first love and second chances, a young girl gets caught between the boy next door and a playboy. Perfect for fans of *To All The Boys I've Loved Before*. Mansfield, Massachusetts, is the last place seventeen-year-old Edie Price wants to spend her final summer before college. It's the home of wealthy suburban mothers and prima donnas like Edie's cousins, who are determined to distract her from her mother's death with cute boys and Cinderella-style makeovers. She's got her own plans, and they don't include any prince charming. But as she dives into schoolwork and getting a scholarship for college, Edie finds herself drawn to two Mansfield boys strumming for her attention: First, there's Sebastian, Edie's childhood friend and first love, who's sweet and smart and . . . already has a girlfriend. Then there's Henry, the local bad boy and all-around player who's totally off limits—even if his kisses are chemically addictive. Both boys are trouble. Edie can't help herself from being caught between them. Now, she just has to make sure it isn't her heart that breaks in the process.

Red, White & Royal Blue Casey McQuiston, 2019-05-14 * Instant NEW YORK TIMES and USA TODAY bestseller **

GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time! - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* *Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second. - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

Chasing Charlie Duskin Cath Crowley, 2007-11-10 Charlie Duskin is running. Fleeing from failures and memories and friends who have given up on her. And she's not only running, she's chasing things-like a father who will talk to her, friends who don't think she's as invisible as a piece of cling wrap, and an experience with a boy in which she doesn't look like an idiot. But Charlie Duskin is about to have the best summer of her life. She's about to meet a friend who'll change her forever. She's about to fall in love. She just doesn't know it yet.

This Adventure Ends Emma Mills, 2016-10-04 Sloane isn't expecting to fall in with a group of friends when she moves from New York to Florida—especially not a group of friends so intense, so in love, so all-consuming. Yet that's exactly what happens. Sloane becomes closest to Vera, a social-media star who lights up any room, and Gabe, Vera's twin brother and the most serious person Sloane's ever met. When a beloved painting by the twins' late mother goes missing, Sloane takes on the responsibility of tracking it down, a journey that takes her across state lines—and ever deeper into the twins' lives. Filled with intense and important friendships, a wonderful warts-and-all family, shiveringly good romantic developments, and sharp, witty dialogue, this story is about finding the people you never knew you needed.

Hazel Bly and the Deep Blue Sea Ashley Herring Blake, 2021-05-25 A poignant yet hopeful novel about a girl navigating grief, trauma, and friendship, from Ashley Herring Blake, the award-winning author of *Ivy Aberdeen's Letter to the World*.

Hazel Bly used to live in the perfect house with the perfect family in sunny California. But when a kayaking trip goes horribly wrong, Mum is suddenly gone forever and Hazel is left with crippling anxiety and a jagged scar on her face. After Mum's death, Hazel, her other mother, Mama, and her little sister, Peach, need a fresh start. So for the last two years, the Bly girls have lived all over the country, never settling anywhere for more than a few months. When the family arrives in Rose Harbor, Maine, there's a wildness to the small town that feels like magic. But when Mama runs into an old childhood friend—Claire—suddenly Hazel's tight-knit world is infiltrated. To make it worse, she has a daughter Hazel's age, Lemon, who can't stop rambling on and on about the Rose Maid, a local 150-year-old mermaid myth. Soon, Hazel finds herself just as obsessed with the Rose Maid as Lemon is—because what if magic were real? What if grief really could change you so much, you weren't even yourself anymore? And what if instead you emerged from the darkness stronger than before?

The Boy, the Wolf, and the Stars Shivaun Plozza, 2020-11-17 A boy and fox go on a quest to find a wolf who has eaten all the stars in the sky before the Shadow Witch destroys the stars, removing good magic from the world forever. This compelling fantasy is perfect for fans of *The Girl Who Drank the Moon* and *Nevermoor*. Long ago, the land of Ulv was filled with magic. But that was before a wolf ate all the Stars in the night sky, ridding the world of magic and allowing Shadow Creatures, beasts made of shadow and evil, to flourish. Twelve-year-old Bo knows the stories but thinks the Stars and the wolf who ate them are nothing more than myths—until the day Bo's guardian, Mads, is attacked by a giant wolf straight from the legends. With his dying breath, Mads tells Bo that Ulv is in danger and the only way to prevent the Shadow Creatures from taking over is to return the Stars to the sky. And so Bo—accompanied by his best friend, a fox called Nix, a girl named Selene whose magic is tied to the return of the Stars, and Tam, a bird-woman who has vowed to protect Bo at all costs—sets off on a quest to find the three magical keys that will release the Stars. But Bo isn't the only one who wants the Stars, and the friends soon find themselves fleeing angry villagers, greedy merchants, and a vengeful wolf. And all the while, an evil witch lurks in the shadows and time is running out.

The Life and Times of Gracie Faltrain Cath Crowley, 2007-11-10 STAR (noun): any large body like the sun, intensely hot and producing its own energy by nuclear reactions SOCCER STAR (noun): Gracie Faltrain Goal-kicking, super-girl, soccer star. Gracie Faltrain is on her way. To the National Championships. To Nick. To everything she's ever wanted. Or so she thinks. Gracie's about to find out that life is messy. And hard. And beautiful. There's a shadow falling across her mum and dad. Her best friend is about to leave town. She's trying desperately to be with the right boy, on the edge of falling in love with the wrong boy. She's rushing headlong into screwing up, making up, trying to keep it all together. Welcome to the life and times of Gracie Faltrain. From first-time novelist Cath Crowley comes this sometimes hilarious, sometimes poignant look at what good can happen when your world is falling apart.

Take Three Girls Cath Crowley, Simmone Howell, Fiona Wood, 2021-05-11 Three authors. Three appealing and relatable

characters. One smart YA novel about a trio of unlikely friends who team up to take down the school cyberbully. “Mean stuff spreads so fast. One click. Post. Send. Share. Online bullying = sometimes suicides, so all the private schools have strategies for dealing with it. At St Hilda’s, it’s Wellness classes. We greeted the idea with genuine enthusiasm. Why not? Everyone loves the chance to slack off.” Popular Ady seems cool and confident at school, but at home her family is falling apart. Brainiac Kate wants to pursue her dreams of playing music, even if it jeopardizes her academic scholarship. And swim champ Clem finds herself disenchanted with the sport . . . and falling for a very wrong boy. When these three very different girls are forced to team up in a wellness class, they’re not too pleased. But over time, they bond—and when they’re all targeted by PSST, a website that dishes out malicious gossip and lies, they decide to take a stand, uncover the culprits, and fight back. But can they really fix a broken system? With each girl’s story told by a different author, as well as intriguing questionnaires from the wellness class included throughout, this empowering novel explores today’s most relevant topics— from cyberbullying and fat shaming to drug abuse and financial stress.

I Am Out With Lanterns Emily Gale, 2018-07-30 One of us is in the dark. One of us is a bully. One of us wants to be understood. One of us loves a girl who loves another. One of us remembers the past as if it just happened. One of us believes they’ve drawn the future. But we’re all on the same map, looking for the same thing. Year Ten begins with a jolt for best friends and neighbours Wren and Milo. Along with Hari, Juliet, Ben and Adie, they tell a story of friendship, family, wild crushes, bitter feuds, and the power of a portrait. As their lives intertwine, images could bring them together, and tear them apart. FROM THE AUTHOR OF THE OTHER SIDE OF SUMMER

Little Blue Encyclopedia (for Vivian) Hazel Jane Plante, 2019 Fiction. LGBTQIA Studies. The playful and poignant novel LITTLE BLUE ENCYCLOPEDIA (FOR VIVIAN) sifts through a queer trans woman's unrequited love for her straight trans friend who died. A queer love letter steeped in desire, grief, and delight, the story is interspersed with encyclopedia entries about a fictional TV show set on an isolated island. The experimental form functions at once as a manual for how pop culture can help soothe and mend us and as an exploration of oft-overlooked sources of pleasure, including karaoke, birding, and butt toys. Ultimately, LITTLE BLUE ENCYCLOPEDIA (FOR VIVIAN) reveals with glorious detail and emotional nuance the woman the narrator loved, why she loved her, and the depths of what she has lost.

Deep Blue Jennifer Donnelly, 2014-12-23 Uncovering an ancient evil, Serafina, a mermaid of the Mediterranean Sea, searches for five other mermaid heroines who are scattered across the six seas, to save their hidden world.

Deep Listening Oscar Trimboli, 2017-06-10 Over 55% of your day is spent listening; yet only 2% of us have been trained in how to listen. What is poor listening costing you? Do you rush from meeting to meeting, your head buried in the last conversation you had, without time to think of the next? Or feel frustrated with unproductive discussions where the loudest in the room adds limited insight and drowns out everyone else? We usually think of these situations as communication

problems; that we have not spoken our needs correctly or clearly. Yet, conflict, chaos and confusion are the costs of not listening. Many communication and listening books say the most important person in a conversation is the speaker - not true! This pocket-sized guide will help you to reconnect with your innate gift of deep listening, to create the right space to listen to yourself before you listen to others. You'll learn to listen beyond the words that are spoken, to add context and meaning and listen in to what's not being said. Deep Listening will help you move from confusion and conflict to thoughtful, insightful and powerful discussions that will transform not just your work, but your whole life.

The Blue Book of Nebo Manon Steffan Ros,2022-01-06 Nominated for the Yoto Carnegie Medal for Writing 2023 Dylan was six when The End came, back in 2018; when the electricity went off for good, and the 'normal' 21st-century world he knew disappeared. Now he's 14 and he and his mam have survived in their isolated hilltop house above the village of Nebo in north-west Wales, learning new skills, and returning to old ways of living. Despite their close understanding, the relationship between mother and son changes subtly as Dylan must take on adult responsibilities. And they each have their own secrets, which emerge as, in turn, they jot down their thoughts and memories in a found notebook - the Blue Book of Nebo.

Gracie Faltrain Takes Control Cath Crowley,2007-11-10 To win a little you have to risk something. To win big, you have to risk it all. Gracie Faltrain is back and she couldn't be happier. Her team won the Championships, she scored a few goals and a boyfriend, as well. Just as she's settling down to a new season of soccer, the stakes are raised. Coach has entered the team in the Firsts - a boys only league. To prove herself, Gracie has to fight harder than ever before. The other teams will do anything to keep her out of the game, and if she makes it, they'll do anything to see her lose. But Gracie is sick of losing. She's sick of seeing friends, like Martin and Alyce, unhappy. Gracie decides it's time to take control and even the score for everyone, on and off the field.

Words in Deep Blue Cath Crowley,2017-06-06 "One of the loveliest, most exquisitely beautiful books I've read in a very long time. . . . I didn't just read the pages, I lived in them." —Jennifer Niven, New York Times bestselling author of *All the Bright Places* A beautiful love story for fans of Jandy Nelson and Nicola Yoon: two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hope—and letters hidden between the pages. Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favorite book in his family's bookshop. She waited. But Henry never came. Now Rachel has returned to the city—and to the bookshop—to work alongside the boy she'd rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she can't feel anything anymore. As Henry and Rachel work side by side—surrounded by books, watching love stories unfold, exchanging letters between the pages—they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But it's possible that words, and love, and second chances are enough.

Integrating Literature in the Disciplines Sharon Kane,2020-04-22 The Second Edition of this practical and

comprehensive resource offers a multitude of ways to incorporate literature into teaching and learning across a range of disciplines. Future and practicing teachers, librarians, instructional coaches, and school leaders can implement the ideas within this text to improve the literacy skills and knowledge of students, while also addressing standards and curricular goals of various content areas. The new edition recognizes a paradigm shift from content areas to disciplines, reflecting the specific ways reading and writing are used in different fields of study. Updated with current research and practices, the volume recommends and evaluates books in different genres and categories, with chapters on informational books; fiction; biography and memoir; poetry; and hands-on and how-to books. For every category, Kane provides a rationale, instructional strategies, and author studies, as well as lists and descriptions of books related to curricular areas. With a wealth of activities and new BookTalks, this Second Edition is greatly revised and features expanded attention to technology, digital learning, diversity, and culture. Using this text will create opportunities for deep discussions and will stimulate students' interest and motivation to read and learn. Integrating Literature in the Disciplines helps educators identify books that fit with any subject to enhance the creative and affective dimensions of school life; encourages interdisciplinary connections; and increases the depth and relevance of lessons. It is ideal for professional development and serves as a tool for Readers' Advisory to match books with readers throughout the school day and beyond.

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Words In Deep Blue**

In a world inundated with screens and the cacophony of instant connection, the profound power and mental resonance of verbal art usually disappear in to obscurity, eclipsed by the regular assault of noise and distractions. Yet, nestled within the lyrical pages of **Words In Deep Blue**, a charming work of literary brilliance that impulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Composed by a virtuoso wordsmith, that magical opus manuals visitors on an emotional odyssey, delicately exposing the latent potential and profound affect embedded within the elaborate web of language. Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book is central subjects, dissect its fascinating publishing style, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
