*Until Fountain Bridge* Samantha Young,2013-06-18 From the New York Times bestselling author of *On Dublin Street* and *Down London Road* comes a new novella about finding love in familiar places... Ellie has been in love with Adam Sutherland for as long as she can remember. What started as a childhood crush on her older brother's best friend soon bloomed into full-blown infatuation. Unfortunately, it also meant full-blown heartache, as Adam refused to fall for Braden's little sister. But it took a crisis to make Adam realize he's wasted too much time denying his feelings for her. Unwilling to waste a second more, he decided to make Ellie his, no matter the consequences. Now happily settled with the woman he's pined after for years, he's about to find out what their ten year courtship was like for her, through the journals she kept during their ups and many downs. And though Adam may have Ellie now, he has no idea how close he came to losing her... Includes a preview of *Down London Road*!

*The Protector* Jodi Ellen Malpas,2016 -- THIS MAN People think they have Camille Logan nailed: daddy's girl; beautiful, spoiled young woman with her father's bank balance to fund her lifestyle. But Camille is determined to have a life free from his strings. Out on her own, she's made mistakes, including one that found her clawing her way back after a stint in rehab and plenty of bad press. Now, after fighting so hard to be independent and happy, she finds her life threatened as a result of her father's ruthless business dealings. Caught between resentment and fear, Camille prepares herself for the measures her father will take to protect her. But nothing could prepare her for the ex-SAS sniper who crashes into her life. Jake Sharp resides in his own personal hell. He was distracted from duty once before, and the consequences were devastating--both personally and professionally. He vowed never to let that happen again. Accepting the job of bodyguard to Camille Logan isn't the kind of distraction from his demons he should take. Women and Jake don't mix well, yet protecting the heiress seems the lesser of two evils. But Jake soon discovers that she isn't the woman she's perceived to be. She's warm, compassionate, her presence settling, and his duty to protect her soon goes deeper than a well-paid job, no matter how hard he fights it. He needs absolution. He comes to need Camille. But he knows he can't have both.

This summer the Penderwick sisters have a wonderful surprise: a holiday on the grounds of a beautiful estate called Arundel. Soon they are busy discovering the summertime magic of Arundel's sprawling gardens, treasure-filled attic, tame rabbits, and the cook who makes the best gingerbread in Massachusetts. But the best discovery of all is Jeffrey Tifton, son of Arundel's owner, who quickly proves to be the perfect companion for their adventures. The icy-hearted Mrs. Tifton is not as pleased with the Penderwicks as Jeffrey is, though, and warns the new friends to stay out of trouble. Which, of course, they will—won't they? One thing's for sure: it will be a summer the Penderwicks will never forget. Deliciously nostalgic and quaintly witty, this is a story as breezy and carefree as a summer day.

Helping your children develop values such as honesty, self-reliance, and dependability is as important a part of their education as teaching them to read or how to cross the street safely. The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture. With their own values clearly defined, your children can make their own decisions -- rather than imitate their friends or the latest fashions. In Teaching Your Children Values Linda and Richard Eyre present a practical, proven, month-by-month program of games, family activities, and value-building exercises for kids of all ages.
