The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

Her Soul to Take Harley Laroux,2024-02-20 FEATURING NEW EXCLUSIVE BONUS CONTENT! Like *Buffy* or *The Vampire Diaries* but with tons more spice, a titillating fork-tongued demon, and a ritualistic monster cult, the edgy dark romance that set TikTok on fire is now here as a special edition with bonus content for fans of *Scarlett St. Claire*, *Penelope Douglas*, and *Katee Robert*. The demon didn't just want my body. He wanted my soul. *Leon*: My reputation among magicians is unblemished. *Killer*, they call me; killing is what I'm best at. One wrong move and you're dead. Except her. The one I was supposed to take, the one I should have killed. The cult that once controlled me wants her, but I'm not about to lose my new toy to them. *Rae*: I've always believed in the supernatural. Hunting for ghosts is my passion, but summoning a demon was never part of the plan. Monsters are roaming the woods, and something ancient—something evil—is waking up . . . and calling my name. I don't know who I can trust, or how deep this darkness goes. All I know is my one shot at survival is the demon stalking me, and he doesn't just want my body—he wants my soul.

Her Soul for Revenge Harley Laroux,2024-04-23 To get revenge, she'll need a demon. To get his help, she'll promise him anything. Explore the darker side of desire and human nature in this edgy, intense, searingly sexy, dark paranormal romance from TikTok phenom Harley Laroux - now with bonus content for fans of *Scarlett St. Clair*, *Katee Robert*, and *Laura Thalassa*. *Juniper* After a cult tried to sacrifice me to their wicked God, I went on the run, doing whatever was necessary to

survive. Until a demon offered me a deal: give him my soul and he'll help me claim the vengeance I seek. Blood will be spilled, and the monsters I once ran from will soon be running from me. But damning my soul was just the beginning—it's my heart the demon wants next. Zane I've been hunting souls for centuries, but she's the ultimate prize—vicious and feral with a broken soul as dark as my own. I thought claiming her would be a simple game, but Juniper is far from simple. I chose to follow her on a path drenched with the blood of her enemies, but it's our blood that may be spilled next. As an ancient God wakes from its slumber, neither of us may survive.

Priest Sierra Simone,2015-06-29 There are many rules a priest can't break. A priest cannot marry. A priest cannot abandon his flock. A priest cannot forsake his God. I've always been good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

Against White Feminism Rafia Zakaria,2021-09-09 Personal, provocative and powerfully persuasive - an essential guide to what white feminism is, why it matters, and how we can put an end to it 'Thoughtful and provocative... It is a must-read' Roxane Gay 'A book to make you stop and think' Mishal Husain 'This book is going to light fires everywhere, so if you are prone to combust, get right the hell out of the way' Lit Hub Most of us believe that feminism is a force for good. In the past 200 years, it has paved the way for women to advance economically, increasing their safety and their power in society, and advocating for their needs and experiences. But not for all women. If you are poor, if you are an immigrant to the West or (even worse) don't live here at all, and above all if your skin is not white, the door to mainstream feminism has been shut against you from day one. This is not oversight or an accident. It is an active and sustained strategy to advance white women at the expense of everyone else. And what makes this strategy especially dangerous - and especially effective - is that most white people have no idea they are participating in it. Attorney and activist Rafia Zakaria shines a spotlight on this urgent issue, revealing the fingerprints of white supremacy all over the feminist movement: from early suffragette campaigns right up to the divided and profoundly unequal world we inherit today. And she issues a powerful call to every reader to join her in building a new kind of feminism, lighting the path to emancipation for all.

Sing Me to Sleep R. M. Virtues,2021-11-07 Penelope has lost so much in six months.Her father, her sense of security, her ability - and willingness- to sleep. Her family is most concerned about the latter at the moment, and when her sister Jenna leaves her alone in their shared home for the first time since The Incident, Penelope finally accepts some help. The only problem? There are side effects. Well, one: sleep paralysis.And the demon who came for her fear.Fear is the only thing that matters to the demons of the Somni Dae, and as long as they deliver it back to Hell, they are free to do as they please. Except enter the waking world of course, but Acheron never minded that. He has everything he needs right here, and in thousands of years, he has never wanted for anything. Until he stumbles across Penelope's dreamscape.Now is not the time to grow attached to a wandering soul, not with Heaven and Hell preparing to wage war. Nor is it the time to grow attached to your sleep paralysis demon, not when getting out of bed is already so hard. But Penelope is finally sleeping, and after Acheron wipes out the last of her fear, they both realize they're stronger together. And they're going to need all the strength they can get.

The Revenge Plan Linda Kage,2019-04-29 After I caught my boyfriend cheating, I tried to be mature about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He is going to feel my wrath. Enter Wick Webster, his archenemy. Nothing would provoke my ex more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do. The only hitch in my brilliant scheme is Wick himself. He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than

seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

Voyeur Fiona Cole,2018-04-21 I didn't know she was my student the first time I paid to watch her at Voyeur. Once she walked into my classroom, another smiling college freshman, I knew I should stop going. Stop watching. But I couldn't do it. Everything about her makes me want more, and once I realize she wants me too, the temptation becomes irresistible. The worst part is that she has no idea her professor is the one watching behind the glass. I just have to hope that once she finds out the truth, she wants the same thing I do. Because now that I've seen all of her, I can't look away.

All Together Brill Harper,2018-10-08 Nerdy Penelope has never even been kissed. But that was before her hot college roommates offer to be her study buddies...in the bedroom. It's basically chiseled bodies, piercing eyes, strong hands, and testosterone twenty-four-seven at her house. Now she's got two virile men giving her a very adult education, and the one thing she's always been good at is being a star pupil. The best part is she doesn't have to choose—she gets them both and can literally do anything she wants to them. Except keep them. Author Confession: You know and I know that I will only ever deliver you an HEA, so sit back and enjoy the sweet, filthy love story of a nerdy heroine and two hunky alphamallows. Let me know which one steals your heart more. I bet you can't choose either. _____ For readers who love: Carly Phillips, Vi Keeland, E.L. Den of Vipers K a Knight,2025-03-04 Best of BookTok: Caught between four dangerous men, one woman indulges her hidden desires, in this deliciously dark reverse-harem romance. The Vipers run this town and everyone in it. They make deals as sordid as their business--and they have no mercy. They're a mafia family only an idiot would mess with, so of course my estranged, abusive father did just that. Then he sold me off to them to cover his debts. Now, trapped in their penthouse, they say I'm their toy to play with and discard whenever they see fit. But the Vipers have no idea who they're dealing with. I intend to take advantage of the hunger in their eyes. As their scarred, blood-stained hands roam my body, I'm getting under their skin, turning their desires into an addiction they won't be able to shake. What's more? I'm indulging my own dark fantasies, ones I've never been able to satisfy. . . until now. Ryder, Garrett, Kenzo, and Diesel think they're in control. They think that I'm their prey. But this girl? She has fangs too. This edition features a signed letter from the author and five bonus scenes. Intended for adult readers, bestselling author K.A. Knight's *Den of Vipers* is a polyamorous, reverse-harem standalone romance with graphic sex scenes, violence, and references to abuse and assault.
