James L. White

Straight James / Gay James James Franco, 2015-12-21 *Straight James / Gay James*, actor James Franco's new chapbook of poems, explores the facets of his public and private personas. *Straight James / Gay James* is a poetic bildungsroman—raw, candid, and uninhibited. James Franco writes about life as an actor, sexuality, questions of identity, gender, family, Gucci, Lana Del Rey, James Dean, Hollywood, and more. His poetic style varies from the imagistic to the prosaic. The chapbook also contains an interview of "Gay James" conducted by "Straight James." Yes, Straight James asks the question: "Let's get substantial: are you f****g gay or what?"

Directing Herbert White James Franco, 2014-07-01 In *Directing Herbert White* James Franco writes about making a film of Frank Bidart's poem, *Herbert White*. Though the main character, *Herbert White* is a necrophiliac, and a killer, the poem - and the film - are an expression of life's isolation and loneliness. A poem became a film. In the rest of book, Franco uses poems to express what he feels about film: about acting; about the actors he admires - James Dean, Marlon Brando, Sean Penn; about the cult of celebrity and his struggles with it; about his teenage years in Palo Alto, and about mortality prompted by the death of his father. These preoccupations are handled with a simplicity and directness that recalls the work of Frank O'Hara.

Palo Alto James Franco, 2014-05-06 A fiercely vivid collection of stories about troubled California adolescents and misfits.

Actors Anonymous James Franco, 2013 Published by special arrangement with Amazon Publishing--Title page verso.

Strongest of the Litter James Franco, 2012-11 There is a vision of power at the center of James Franco's first chapbook of poems, *Strongest of the Litter*. Power here is both generative and frightening, self-consuming and bracing. It is the artist's power of self-making. These poems, thoroughly beautiful and spare, have the texture of contending angles. Authenticity can be achieved only through different voices: in an investigation of the range and strength of American art, in homage to Williams Carlos Williams, in awe at the cost to American actors of their art (notably Taylor, Clift, De Niro and Brando), in the celebration and limitation of Kowalski love -- I'm a raging Kowalski whose / Temper can be measured by // How little I can give. / How abusive my reticence. Pervasive in these eloquent poems is the power of memory, the collective memory of Hollywood and specific memories of the poet's own past.

A California Childhood James Franco, 2014-08-12 The trade paperback reprint of James Franco's thoughtful reflection

on childhood through a series of personal snapshots, sketches, paintings, poems, and short stories. An actor treads the line between reality and fiction every time he plays a part, and for James Franco, that exploration isn't limited to the screen—he's also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection *Palo Alto*. In *A California Childhood* he plays with the concept of memoir through personal snapshots, sketches, paintings, poems, and stories. "I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul-de-sac in Palo Alto," Franco writes in his introduction. Steve Jobs's daughter and the grandson of one of the Hewlett-Packard founders may have both been in his graduating class, but just across the freeway from his home turf lay East Palo Alto, which in 1992 had the highest murder rate per capita in the country. For Franco, the terrain of his upbringing is fraught with the complication of a city divided. But within that diversity, universal aspects of adolescence rise to the surface, and those are the subjects at the heart of Franco's work. Ultimately this is a portrait of a childhood brightened by California sunshine, but with trouble waiting in the shadows. At turns funny, dark, and emotional, the journey of this book delivers an undeniable immediacy. And at the end, the reader is left wondering just where the boundary lies between Franco's art and his true life.

Hollywood Dreaming James Franco, 2014-09-23 In his follow-up to *A California Childhood*, James Franco reflects on his life in Hollywood and beyond through an intimate and powerful series of poems, artwork, and short stories. In his follow-up to the critically acclaimed *A California Childhood*, James Franco presents a compelling portrait of the life of a young actor coming into his own in Hollywood. Told in an absorbing array of literary styles and art forms—from short stories and poems to personal snapshots, paintings and self-portraits—*Hollywood Dreaming* brilliantly pieces together the youth of a seemingly familiar actor, playfully blurring the line between reality and fiction. The escapades of a jaded Hollywood insider counter a series of inter-connected stories about a boy named Shrimp and the hopeful young actor he becomes. Each piece of the story, whether visual or textual, thoughtfully peels away another layer of the book's protagonist, whose character unfolds like a Russian nesting doll. Ultimately, the collage that James Franco creates becomes a fascinating caricature of himself, a performance on the page that is equal parts provocative, funny, and emotional.

A Day for a Lay Gavin Dillard, 1999 Collects poetry about the gay experience by such poets as Edward Carpenter, Constantine Cavafy, Allen Ginsberg, Ian Young, David Trinidad, and Justin Chin.

Rain On The River Jim Dodge, 2009-06-04 Jim Dodge said he would consider publishing a volume of poetry if he lived to the millennium. Happily he did, and *Rain on the River* is the immediate result - work selected from his Tangram chapbooks, broadsides, and Solstice pieces, accompanied by three dozen new poems. If you've enjoyed his fiction, Dodge's first collection of poems and short prose offer similar pleasures: a splendid ear for language, great emotional range and subtlety, a sharp eye for the illuminating detail, and a sensibility that encompasses outright hilarity, savage wit, and tender marvel - all made eminently accessible through writing of uncompromising clarity and grace.

The Changing Light at Sandover James Ingram Merrill, 1993 James Merrill's audacious and dazzling epic poem, *The Changing Light at Sandover*, remains as startling today as when it first emerged in separate volumes over a period of several years. Individual parts won the Pulitzer Prize and the National Book Award, and the entire poem, when it was collected into one volume in 1982, won the National Book Critics Circle Award. The book carries us to the scene of Merrill's Ouija board sessions with his partner, David Jackson--the candlelit Stonington dining room with its flame-colored walls and the famous Willowware cup they used as a pointer in their occult travels. In a shimmering interplay of verse forms, Merrill set down their extended conversations with their familiar and guide, Ephraim (a first-century Greek Jew), W.H. Auden, W.B. Yeats, Plato, a brilliant peacock named Mirabell, and other old friends who had passed to the other side. JM (whom the spirits call scribe) and DJ (hand) are also introduced to the lonely eminence God B (God Biology), his sister Mother Nature, and a host of angels and lesser residents of the empyrean who are variously involved in the ways of this world. The laughter, the missteps, and the schoolroom frustrations of the earthly pair's gradual enlightenment make this otherworldly journey, finally, an utterly human one. A unique exploration of the writer's role in a postatomic, postreligious age, *Sandover* has been compared to the work of Yeats, Proust, Milton, and Blake. Merrill's tale of the joys and tragedies of man's powers, and his message about the importance of our endangered efforts to make a good life on earth, will stand as one of the most profound experiences available to readers of poetry. --Alfred A. Knopf.

Not Straight, Not White Kevin Mumford, 2016-01-12 This compelling book recounts the history of black gay men from the 1950s to the 1990s, tracing how the major movements of the times—from civil rights to black power to gay liberation to AIDS activism—helped shape the cultural stigmas that surrounded race and homosexuality. In locating the rise of black gay identities in historical context, Kevin Mumford explores how activists, performers, and writers rebutted negative stereotypes and refused sexual objectification. Examining the lives of both famous and little-known black gay activists—from James Baldwin and Bayard Rustin to Joseph Beam and Brother Grant-Michael Fitzgerald—Mumford analyzes the ways in which movements for social change both inspired and marginalized black gay men. Drawing on an extensive archive of newspapers, pornography, and film, as well as government documents, organizational records, and personal papers, Mumford sheds new light on four volatile decades in the protracted battle of black gay men for affirmation and empowerment in the face of pervasive racism and homophobia.

The River in the Sky Clive James, 2018-09-06 A single book-length poem, *The River in the Sky* sees Clive James face up to his final moments of life with all the wisdom, lightly-worn erudition and good humour that defined his extraordinary career. Close to death for a number of years, Clive James wrote about the experience in a series of deeply moving poems. In this volume, we find him in ill health but high spirits. Though his body found him bound to his Cambridge home, his mind was free to roam. On a grand tour of 'the fragile treasures of his life', James is animated by powerful recollections. He presents a

flowing stream of vivid images, moving from emotionally resonant personal moments, such as listening to jazz records with his future wife, to unforgettable encounters with all kinds of culture: Beethoven's Ninth Symphony sits alongside 'YouTube's vast cosmopolis'. James shares his passions with enormous generosity, making brilliant, original connections and fearlessly tackling the biggest questions: the meaning of life and how to live it. In the end, what emerges from this autobiographical epic is a soaring work of exceptional depth and feeling. 'The River in the Sky is superb, an epic lament, written in late life, filled with exact and moving observations about life and culture' - New York Times Clive James (1939-2019) was a broadcaster, critic, poet, memoirist and novelist. His acclaimed poetry includes the collection *Sentenced to Life* and a translation of Dante's *The Divine Comedy*, both Sunday Times bestsellers. His passion for and knowledge of poetry are distilled in his book of criticism on the subject, *Poetry Notebook*, and, written in the last year of his life, his personal annotated anthology of favourite poems, *The Fire Of Joy*. Praise for Clive James: 'He will be seen, I think, as one of the most important and influential writers of our time' - Bryan Appleyard, Sunday Times 'Wise, witty, terrifying, unflinching and extraordinarily alive' - A.S. Byatt, critic and author of *Possession: A Romance* 'Clive James is a true poet' - Peter Porter, London Review of Books

The Salt Ecstasies James L. White, 2010-06-22 The powerful and influential last poems of an unsung master, now again available, with a new introduction by National Book Award winner Mark Doty James L. White's *The Salt Ecstasies*—originally published in 1982, shortly after White's untimely death—has earned a reputation for its artful and explicit expression of love and desire. In this new edition, with an introduction by Mark Doty and previously unpublished works by White, his invaluable poetry is again available—clear, passionate, and hard-earned. *The Salt Ecstasies* is a new book in the Graywolf Poetry Re/View Series, edited by Doty, dedicated to bringing essential books of contemporary American poetry back into print.

James Franco James Franco, Frank Bidart, Eric Boman, Jason Schmidt, Marianne Spurr, 2012 Considered one of the finest actors of his generation, James Franco is also a multitalented writer and visual artist. Drawing from his experience in film and television work, Franco has produced a visually exciting and thought-provoking body of video works, multimedia installations, and large-scale sculptures. Drawn from the exhibition curated by Alanna Heiss and organized by the Clocktower Gallery, *James Franco: The Dangerous Book Four Boys* explores themes of childhood and nostalgia, games and destruction. Each experimental film, suite of drawings, and raw, childlike construction is presented as a window into the artist's mind. This dense and often diaristic survey reflects Franco's interest in the contemporary American landscape of adolescence and young adulthood.

Giovanni's Room James Baldwin, 2001-10-04 One of the BBC's '100 Novels That Shaped Our World' Baldwin's groundbreaking second novel, which established him as one of the great American writers of his time David, a young American in 1950s Paris, is waiting for his fiancée to return from vacation in Spain. But when he meets Giovanni, a handsome Italian

barman, the two men are drawn into an intense affair. After three months David's fiancée returns and, denying his true nature, he rejects Giovanni for a 'safe' future as a married man. His decision eventually brings tragedy. Filled with passion, regret and longing, this story of a fated love triangle has become a landmark of gay writing. James Baldwin caused outrage as a black author writing about white homosexuals, yet for him the issues of race, sexuality and personal freedom were eternally intertwined. 'Exquisite... a feat of fire-breathing, imaginative daring' Guardian 'Excruciating beauty' San Francisco Chronicle 'Audacious... remarkable... elegant and courageous' Caryl Phillips

Gay and Lesbian Poetry in Our Time Carl Morse, Joan Larkin, 1989-11-15 The best lesbian and gay poetry written from 1950 to the present. Contributors include, W H Auden, James Baldwin, Allen Ginsberg, Judy Grahn, Langston Hughes, Audre Lourde and many others.

The God of San Francisco James J. Siegel, 2020-10-08 In *The God of San Francisco*, James J. Siegel examines queer grief during the onset of the AIDS crisis through a lavender-and-leather pantheon: St. Christopher, Allah, and the God of San Francisco transubstantiate a sarcoma's cicatrix into sequins, a viral dowry into a benevolent plume of dazzling feathers. From Laramie, Wyoming, to Toledo, Ohio, Siegel performs a magisterial frilling of historical attention, always emerging as an extraordinary conflagration. A beautiful immolation. At once an elegiac columbarium and search-and-rescue map for future bliss, *The God of San Francisco* trills from the Castro Funeral Home to North Beach and back, surmising death as something honeyed and lissome, eulogies eulogized. Desire masquerades as a raven gliding / on the backdrop of midnight and Jesus in fishnets, / crossdressing his way through Nazareth, and desire cedes each poem's boy, spectral or otherwise, a warm hand, green grass, the sun's rays on our skin.

Prelude to Bruise Saeed Jones, 2014-08-18 Praise for Saeed Jones: Jones is the kind of writer who's more than wanted: he's desperately needed.—FlavorWire I get shout-happy when I read these poems; they are the gospel; they are the good news of the sustaining power of imagination, tenderness, and outright joy.—D. A. Powell *Prelude to Bruise* works its tempestuous mojo just under the skin, wreaking a sweet havoc and rearranging the pulse. These poems don't dole out mercy. Mr. Jones undoubtedly dipped his pen in fierce before crafting these stanzas that rock like backslap. Straighten your skirt, children. The doors of the church are open.—Patricia Smith It's a big book, a major book. A game-changer. Dazzling, brutal, real. Not just brilliant, caustic, and impassioned but a work that brings history—in which the personal and political are inter-constitutive—to the immediate moment. Jones takes a reader deep into lived experience, into a charged world divided among unstable yet entrenched lines: racial, gendered, political, sexual, familial. Here we absorb each quiet resistance, each whoop of joy, a knowledge of violence and of desire, an unbearable ache/loss/yearning. This is not just a new voice but a new song, a new way of singing, a new music made of deep grief's wildfire, of burning intelligence and of all-feeling heart, scorched and seared. In a poem, Jones says, Boy's body is a song only he can hear. But now that we have this book, we can all hear it. And

it's unforgettable.—Brenda Shaughnessy Inside each hunger, each desire, speaks the voice of a boy that admits I've always wanted to be dangerous. This is not a threat but a promise to break away from the affliction of silence, to make audible the stories that trouble the dimensions of masculinity and discomfort the polite conversations about race. With impressive grace, Saeed Jones situates the queer black body at the center, where his visibility and vulnerability nurture emotional strength and the irrepressible energy to claim those spaces that were once denied or withheld from him. Prelude to a Bruise is a daring debut.—Rigoberto González From Sleeping Arrangement: Take your hand out from under my pillow. And take your sheets with you. Drag them under. Make pretend ghosts. I can't have you rattling the bed springs so keep still, keep quiet. Mistake yourself for shadows. Learn the lullabies of lint. Saeed Jones works as the editor of BuzzFeedLGBT.
