The Notebook Nicholas Sparks, 2014-06-24 Every so often a love story captures our hearts and becomes more than just a story - it becomes an experience to treasure and to share. The Notebook is such a book. It is a celebration of a passion both ageless and timeless, a tale of laughter and tears, and makes us believe in true love all over again. At thirty-one, Noah Calhoun is rebuilding his life on the coast after the horrors of World War II, but he is haunted by images of the girl he lost more than a decade earlier. Allie Nelson is about to marry into wealth and security, but she cannot stop thinking about the boy who stole her heart years ago. And so begins an extraordinary tale of a love so strong it turns tragedy into strength and endures everything . . . 2014 marks the 10th anniversary of the film adaptation of The Notebook starring Ryan Gosling and Rachel McAdams. This new edition includes gorgeous colour photographs from the film, author Q & A, discussion questions and an exclusive chapter from The Longest Ride, the new Nicholas Sparks novel.

The Notebook Nicholas Sparks, 2011-04-07 Celebrating 25 years of The Notebook - the classic novel which became the heart-wrenching film. * Once again, just as I do every day, I begin to read the notebook aloud... Noah Calhoun has returned from war and, in an attempt to escape the ghosts of battle, he sets his mind and his body to restoring an old plantation home to its former beauty. But he is haunted by memories of the beautiful girl he met there years before. A girl who stole his heart at the funfair, whose parents didn't approve, a girl he wrote to every day for a year. When Allie Hamilton shows up on his doorstep, exactly as he has held her in his memory for all these years, Noah has one last chance to win her back. Only this time, it's not just her parents in the way - Allie is engaged and she's not a woman to go back on her promises. The Notebook is the love story to end all love stories - it will break your heart, heal it back up and break it all over again. Praise for Nicholas Sparks: 'A fiercely romantic and touching tale' Heat 'An A-grade romantic read' OK! The Longest Ride Nicholas Sparks, 2013-09-17 From the dark days of WWII to present-day North Carolina, this New York Times bestseller shares the lives of two couples overcoming destructive secrets -- and finding joy together. Ira Levinson is in trouble. Ninety-one years old and stranded and injured after a car crash, he struggles to retain consciousness until a blurry image materializes beside him: his beloved wife Ruth, who passed away nine years ago. Urging him to hang on, she forces him to remain alert by recounting the stories of their lifetime together - how they met, the precious paintings they

collected together, the dark days of WWII and its effect on them and their families. Ira knows that Ruth can't possibly be in the car with him, but he clings to her words and his memories, reliving the sorrows and everyday joys that defined their marriage. A few miles away, at a local bull-riding event, a Wake Forest College senior's life is about to change. Recovering from a recent break-up, Sophia Danko meets a young cowboy named Luke, who bears little resemblance to the privileged frat boys she has encountered at school. Through Luke, Sophia is introduced to a world in which the stakes of survival and success, ruin and reward -- even life and death - loom large in everyday life. As she and Luke fall in love, Sophia finds herself imagining a future far removed from her plans -- a future that Luke has the power to rewrite . . . if the secret he's keeping doesn't destroy it first. Ira and Ruth. Sophia and Luke. Two couples who have little in common, and who are separated by years and experience. Yet their lives will converge with unexpected poignancy, reminding us all that even the most difficult decisions can yield extraordinary journeys: beyond despair, beyond death, to the farthest reaches of the human heart.

Before We Were Strangers Renée Carlino,2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at

love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half?

Fade to Gray Timothy Shary,Nancy McVittie,2016-09-06 Americans are living longer and reinventing both work and retirement, but Hollywood movies barely hint at this reality of contemporary society. In many popular films, older characters fade into irrelevance, inactivity, or absurdity, or else they stay in the background as wise elders while younger characters provide the action. Most American films do not attempt to portray the rich variety of experiences or the sensitive aging issues

that people confront in the years beyond fifty. *Fade to Gray* offers one of the first extended studies of the portrayal of older people in American cinema from the silent era to the present. Writing in an accessible style for both general audiences and scholars, Timothy Shary and Nancy McVittie examine social attitudes toward aging through an analysis of hundreds of individual films, including such classics as *You Can't Take It With You* (1938), *Rosemary's Baby* (1968), *Grumpy Old Men* (1993), and *Nebraska* (2013). They show how representations of the aging process and depictions of older people embracing or enduring the various experiences of longer lives have evolved over the past century, as well as how film industry practices have both reflected and influenced perceptions of aging in American society. Exposing the social and political motivations for negative cinematic portrayals of the elderly, *Fade to Gray* also gives visibility to films that provide opportunities for better understanding and appreciation of the aged and the aging process.

The Unhoneymooners Christina Lauren, 2019-05-14 THE INSTANT NEW YORK TIMES BESTSELLER! By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. Love in the New Millennium Can Xue, 2018-11-20 The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by

buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises—satirical, tragic, transient, lasting, nebulous, and fulfilling—against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.

' Fourteen-year-old Alma Singer is trying to find a cure for her mother's loneliness.

Believing she might discover it in an old book her mother is lovingly translating, she sets out in search of its author. Across New York an old man called Leo Gursky is trying to survive a little bit longer. He spends his days dreaming of the love lost that sixty years ago in Poland inspired him to write a book. And although he doesn't know it yet, that book also survived: crossing oceans and generations, and changing lives. . . 'Wonderfully affecting...brilliant, touching and remarkably poised' Sunday Telegraph 'A tender tribute to human valiance. Who could be unmoved by a cast of characters whose daily battles are etched on our mind in such diamond-cut prose?' Independent on Sunday 'Devastating...one of the most passionate vindications of the written word in recent fiction. It takes one's breath away' Spectator Nicole Krauss is an American bestselling author who has received international critical acclaim for her first three novels: *Great House* (shortlisted for the Orange Prize for Fiction 2011), *The History of Love* and *Man Walks into a Room* (shortlisted for the LA Times Book Award), all of which are available in Penguin paperback.

I Know Why the Caged Bird Sings Maya Angelou, 2009-04-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin
