**The Hero's Journey** Joseph Campbell, 2003 Joseph Campbell, arguably the greatest mythologist of our time, was certainly one of our greatest storytellers.

The Hero with a Thousand Faces Joseph Campbell, 1988 A study of heroism in the myths of the world - an exploration of all the elements common to the great stories that have helped people make sense of their lives from the earliest times. It takes in Greek Apollo, Maori and Jewish rites, the Buddha, Wotan, and the bothers Grimm's Frog-King.

*Ithaca Forever* Luigi Malerba, 2021-02-23 After twenty years, Odysseus finally returns to Ithaca, but instead of receiving the homecoming he had hoped for finds himself caught in an intense battle of wills with his faithful and long-suffering wife Penelope. When Penelope recognizes him under the guise of a beggar, she becomes furious with him for not trusting her enough to include her in his plans for ridding the palace of the Suitors. As a result, she plays her own game of fictions to make him suffer for this lack of faith, inspiring jealousy, self-doubt, and misgivings in her husband, the legendary Homeric hero. In this captivating retelling of the Odyssey, Penelope rises as a major force with whom to be reckoned. Shifting between first-person reflections, *Ithaca Forever* reveals the deeply personal and powerful perspectives of both wife and husband as they struggle for respect and supremacy within a marriage that has been on hold for twenty years. Translated by PEN award-winner Douglas Grant Heise, Luigi Malerba's novel gives us a remarkable version of this greatest work of western literature: Odysseus as a man full of doubts and Penelope as a woman of great depth and strength.

*Shelter in Place* David Leavitt, 2022-04-14 'Very funny and unexpected, a material response to our times, plush as velvet'

Rachel Cusk 'A wickedly funny and emotionally expansive novel' Jenny Offill It is the Saturday after the 2016 presidential election, and in a plush weekend house in Connecticut, a group of New Yorkers has gathered to recover from what they consider the greatest political catastrophe of their lives. Liberal and like-minded, the friends have come to the countryside in the hope of restoring the bubble in which they have grown used to living. Moving through her days accompanied by a carefully curated salon, Eva Lindquist is a generous hostess with an obsession for decorating. Yet when, in her avidity to secure shelter for herself, she persuades her husband to buy a grand if dilapidated apartment in Venice, she unwittingly sets off the chain of events that will propel him to venture outside the bubble and embark on an unexpected love affair. A slyly comic look at the shelter industry, *Shelter in Place* is a novel about house and home, safety and freedom and the insidious ways in which political upheaval can undermine even the most seemingly impregnable foundations.

School Memories Cristina Yanes-Cabrera,Juri Meda,Antonio Viñao,2016-09-15 This book reveals how school memories offer not only a tool for accessing the school of the past, but also a key to understanding what people today know (or think they know) about the school of the past. It describes, in fact, how historians' work does not purely and simply consist in exploring school as it really was, but also in the complex process of defining the memory of school as one developed and revisited over time at both the individual and collective level. Further, it investigates the extent to which what people "know" reflects the reality or is in fact a product of stereotypes that are deeply rooted in common perceptions and thus exceedingly difficult to do away with. The book includes fifteen peer-reviewed contributions that were presented and discussed during the International Symposium "School Memories. New Trends in Historical Research into Education: Heuristic Perspectives and Methodological Issues" (Seville, 22-23 September, 2015).

**Confessio Philosophi** Gottfried Wilhelm Leibniz,Gottfried Wilhelm Freiherr von Leibniz,Brandon Look,James H. Stam,2005-01-01 This volume contains papers that represent Leibniz's early thoughts on the problem of evil, centring on a dialogue, the *Confessio philosophi*, in which he formulates a general account of God's relation to sin and evil that becomes a fixture in his thinking. How can God be understood to be the ultimate cause, asks Leibniz, without God being considered as the author of sin, a conclusion incompatible with God's holiness? Leibniz's attempts to justify the way of God to humans lead him to deep discussion of related topics: the nature of free choice, the problems of necessitarianism and fatalism, the nature of divine justice and holiness. All but one of the writings presented here are available in English for the first time.

The Path to the Spiders' Nests Italo Calvino,2013-04-04 Pin is a bawdy, adolescent cobbler's assistant, both arrogant and insecure who - while the Second World War rages - sings songs and tells jokes to endear himself to the grown-ups of his town - particularly jokes about his sister, who they all know as the town's 'mattress'. Among those his sister sleeps with is a German sailor, and Pin dares to steal his pistol, hiding it among the spiders' nests in an act of rebellion that entangles him in the adults' war.

The Nun Simonetta Agnello Hornby,2011-12-27 Winner of the Italian PEN Prize: A tale of illicit love and a girl forced into a convent in the early nineteenth century. 1839, Messina, Italy: Agata is the daughter of an aristocrat, albeit an impoverished one, and she has fallen in love with wealthy Giacomo Lepre. Their families, however, view their romance as unacceptable and tawdry—and when Agata's father dies, her mother decides to ferry her daughter far away, to Naples, where she hopes to garner a stipend from the king. The only boat leaving Messina that day is captained by young Englishman James Garson.

Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king, and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. But Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. She reads all the books James sends her and follows the news of the various factions struggling to bring unity to Italy. She has accepted her life as a nun, but she is divided between her yearnings for purity and religiosity and her desire to be part of the world. And she is increasingly torn when she realizes that her feelings for James, though he is only a distant presence in her life, have eclipsed those for Lepre . . . “Hornby enriches her story with sensuous details of food, fashion, furnishings, and the rules of an extravagant society, savoring local color and personality quirks.” —Publishers Weekly “An historical novel, a coming-of-age novel, a perfect portrait of family dynamics, *The Nun* also gives us, in Agata, an unforgettable heroine.” —Gazzetta di Mantova

**The Collected Stories of Philip K. Dick** Philip K. Dick, 2010 This generous collection contains 22 stories and novellas written in 1953 and 1954, along with extensive and valuable story notes. Included here are a number of bona fide PKD classics, among them the title story, the brilliantly conceived account of a bizarre, ultimately catastrophic resurrection, 'The Father-Thing,' in which a young boy comes to realize that his once familiar father has somehow changed, and 'The Golden Man' (filmed in 2007 as 'Next'), which tells the tale of a golden skinned mutant who may represent the future direction of the human race. These and all the other stories in this important and necessary book offer a wide range of literary and intellectual pleasures. At the same time, they provide a fascinating glimpse into the continuing development of this iconic and hugely influential figure. --amazon.com

*Maternita* Ada Negri, 2017-05-08 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced, affordable price, in an attractive volume so that everyone can enjoy them.

Bay of Tigers Pedro Rosa Mendes, 2003 In 1997, Pedro Rosa Mendes traveled across Africa--6,000 miles from the west to the east coast, from Angola to Mozambique. He interviewed relief workers and corrupt local officials, widows and orphans, soldiers and survivors, piecing together a rich portrait no history or travel book can match.
