The Biden Crime Family Rudy Giuliani, 2024-10-29 The Biden Crime Family is a short, engaging description of the evidence that supports the case that President Joe Biden and his family are deeply corrupt. They are so corrupt that when former New York mayor and US attorney Rudy Giuliani first stumbled across evidence of what they were doing in Ukraine, it reminded him of his experience prosecuting the five mafia families that used to run New York. Joe Biden began to seek enormous bribes and payouts when he became vice president. In every situation where he was the point man for the Obama administration's policy toward a country, he ended up making millions of dollars, and failing to obtain whatever the US policy goal was. In these endeavors, Joe's drug addicted younger son, Hunter, worked with him. Hunter was the "bagman." You can question whether it was loving or even decent for a politician to use his dysfunctional son in this matter. But it happened. Joe's brother James also served as a bagman, sometimes working with Hunter. Other family members participated as needed. When Joe was made the point man for Ukraine—with the special mission of cleaning up Ukrainian corruption so deep that it had left the country almost bankrupt—he did nothing to help. Instead, he had Hunter placed on the board of Burisma, an energy and gas company at the center of some of Ukraine's most corrupt government dealings. Hunter took home a million a year to do nothing. The rule was "ten percent for the big guy." Hunter has complained about how half his income went to dad. The same and worse happened with Joe in China and Iraq. The Biden Crime Family displays the evidence clearly—and makes the kind of case that should get a conviction on Biden family corruption.

The Bidens Ben Schreckinger, 2021-09-21 A deeply reported exploration of Joe Biden as told through his extended family. Coming off of the 2020 election, THE BIDENS tells the Biden Family story in full, from the secrets lurking in the deep recesses of Joe's family tree to his son Hunter's foreign deal-making spree—and the Trump gang's ham-handed efforts to exploit it. On November 3, Americans did not just elect Joe Biden: They got a package deal. The tight-knit Biden family—siblings, children, in-laws, and beyond—is coming right along with him. They are sure to play a defining role in his presidency, just as they have in every other one of his endeavors. Inside, you'll find these and other stories and revelations about the Biden family, including: Joe's childhood, the stunning 1972 Senate upset engineered by his sister Valerie, and the car accident that took the lives of his first wife and infant daughter soon after Joe's early years in the Senate and his role in the creation of the cozy "Delaware Way" of conducting politics The Biden brothers' business escapades, including the '70s

rock club rivalry that pitted Jim Biden against Jill's first husband and ended in a banking scandal The Delaware lawman who oversaw an FBI investigation into Joe's 2007 campaign fundraising and now has Hunter in his sights Hunter's surprisingly close friendship with his Fox News antagonist, Tucker Carlson What Steve Bannon really hoped to accomplish by giving the contents of "the Laptop from Hell" to the New York Post New evidence that sheds light on the authenticity of Hunter's alleged computer files Like the Kennedys before them, the Bidens are a tight-knit, idealistic Irish Catholic clan with good looks, dynastic ambitions, and serious personal problems. As THE BIDENS reveals, the best way to understand Joe Biden—his values, fears, and motives—is to understand his family: Their Irish (and not-so-Irish) roots, their place in the Delaware pecking order, their dodgy business deals, and their personal struggles and triumphs alike.

**The Palgrave Handbook of Popular Culture as Philosophy** Dean A. Kowalski,Chris Lay,Kimberly S. Engels,2024-04-30 Much philosophical work on pop culture apologises for its use; using popular culture is a necessary evil, something merely useful for reaching the masses with important philosophical arguments. But works of pop culture are important in their own right--they shape worldviews, inspire ideas, change minds. We wouldn't balk at a book dedicated to examining the philosophy of The Great Gatsby or 1984--why aren't Star Trek and Superman fair game as well? After all, when produced, the former were considered pop culture just as much as the latter. This will be the first major reference work to right that wrong, gathering together entries on film, television, games, graphic novels and comedy, and officially recognizing the importance of the field. It will be the go-to resource for students and researchers in philosophy, culture, media and communications, English and history and will act as a springboard to introduce the reader to the other key literature in the field.

*ARE YOU A NOT SEE?* Mister Gusano,Robert C. Prenic,William Phideaux, Are you a "Not-See"? Do you not see? Most historians did not see the amazing discoveries explained in this book about the academic work of Professor Dr. Rex Curry. Most people do not see it because they have been deceived by socialist schools (government schools) and the old media. The symbol on the cover of this book represents the "Not-See" movement. Modern political debates often describe the only two opposing alternatives as "Communists" versus "Nazis." The description is a dishonest trick: the words "Communist" and "Nazi" are used to divert attention from the larger shared problem of "Socialism." The famed Linguist Dr. Rex Curry exposed modern historical amnesia concerning Hitler's vocabulary. Almost everyone (including every so-called scholar) refers ignorantly to Hitler as a Nazi or a Fascist and not as a Socialist. Educational Outreach Programs (EOPs) energized by Dr. Rex Curry's scholarship are the only services that inform benighted scholars that Hitler self-identified as Socialist. He did not self-identify as Nazi, nor as Fascist. No other linguist provides this vital public awareness. So, if you ever see a sentence like

the following one, then you know it was from EOPs for Dr. Curry's work: Hitler didn't call himself Nazi or Fascist, he called himself Socialist. The linguistic EOPs above led to many amazing historical discoveries, including revelations about Anne Frank's Diary; Adolf Hitler's "Mein Kampf"; Sophie Scholl's White Rose group; Joseph Goebbels' "Der Nazi Sozi"; Martin Niemoller's verse "First They Came For the Socialists"; the swastika symbol, the hexagram (Star of David), and how Hitler changed BOTH symbols together; the etymological history of "Roman Salute"; and much more! Except for the American Linguist Laureate Dr. Rex Curry, every other historian did not see how the USA's Pledge of Allegiance led to Nazi salutes and Nazi behavior; and how the original pledge's use of military salutes led to Nazi salutes. Also, historians did not see the similar symbolism of Adolf Hitler's NSV, SA, and SS logos, as compared with the logo of Hitler's party: the National Socialist German Workers Party. Even today, only exceptional scholars with extraordinary skills (e.g. Dr. Curry) are able to discern the "S"-letter shape of the NSV's logo (The National Socialist People's Welfare; in German: Nationalsozialistische Volkswohlfahrt). The S symbolism is almost as difficult to perceive as in Hitler's Hakenkreuz (hooked cross). It is as undetectable as in the symbols for the SS and SA (Schutzstaffel and Sturmabteilung). All historians (other than Dr. Curry) did not see how Hitler used his party's symbol to represent S-letter shapes for SOCIALIST. Do you not see? Professor Curry transformed the culture of India along with Hinduism and Buddhism. Before Dr. Curry's discoveries, Buddhists and Hindus published complaints that "Hitler stole their swastika symbol and ruined it and they want to restore respect for their ancient symbol." Educational Outreach Programs (EOP) about Dr. Curry's work taught India's commentators that Hitler's symbol was not a swastika, and that Hitler never called it a swastika. An upheaval occurred among Buddhists and Hindus in their objections. Now they proudly assert: "Hitler called his symbol a Hakenkreuz (hooked cross), not a swastika. It was not the same symbol. Dr. Curry told us!"

*Profiles in Corruption* Peter Schweizer, 2020 Offers a deep-dive investigation into the private finances and secret deals of some of America's top political leaders--

**The Case to Impeach and Imprison Joe Biden** Mike McCormick, 2023-12-19 The Case to Impeach and Imprison Joe Biden is author Mike McCormick's eyewitness account from six years as Joe Biden's White House stenographer, traveling with him to Ukraine and Honduras and many other countries. During this assignment, he found the vice president buffoonish and unpresidential. McCormick, who made national news in April 2023 by revealing he submitted evidence to the FBI that would impeach Joe Biden, confirms that he was interviewed extensively about his knowledge of Biden's corruption and evil by investigators from the House Oversight Committee and the Senate Homeland Security Governmental Affairs Committee. McCormick ultimately recognized the crimes that then-Vice President Biden perpetrated in his dealings with Ukraine and Honduras only after receiving a verified copy of the Hunter Biden Laptop. By cross-referencing materials in the Hunter Biden Laptop with President Obama's White House website and congressional testimony by Joe's co-conspirators, plus his own

recollections, McCormick weaves a devastating timeline that pinpoints Joe Biden as the mastermind of a kickback scheme with Burisma Holdings that enriched him and Hunter Biden. Also detailed in this book is Joe Biden's treasonous Alliance for Prosperity, which funded cartel-affiliated cocaine smugglers in the Honduran government who were then under investigation by the DEA with hundreds of millions of US taxpayer dollars. McCormick courageously identifies US government officials who assisted Joe Biden in his evil schemes, including then president Barack Obama. And McCormick names the journalists who continue to cover for the Obama-Biden corruption. Despite all the evidence, he has not yet been asked to testify under oath about what he saw. That's why he's written this book.

**Network of Lies** Brian Stelter, 2024-09-17 Fox News paid almost a billion dollars in legal settlements to bury the contents of this "essential...grinding, momentum-building" (The New York Times) account of the network's blatant attempts to manipulate the truth, mislead the public, and influence our elections—from the New York Times bestselling author of Hoax. The ongoing criminal trials of Donald Trump are also a trial for the nation he once led. We are undergoing a stress test of American democracy, the rule of law, and the very notion of a shared political reality. Can we achieve accountability for premeditated assaults on democracy and what forms should accountability take? In *Network of Lies*, New York Times bestselling author Brian Stelter answers these questions by weaving together private texts, unpublished emails, depositions, and other primary sources to tell the chilling story of Trump's alleged conspiracy to steal the 2020 election, and the right-wing media's mission to put him back in office in 2024. Trump couldn't have convinced millions of Americans of the Big Lie without Fox News. From the moment Joe Biden became president-elect in 2020, Fox hosts fueled a fire of misinformation and violence by spreading Trump's tales of election fraud and suppressing the truth. Come January, Sean Hannity insisted Trump needed to stop listening to "crazy people" who swore he could stay in power, but it was too late—thousands of Trump's deluded followers had stormed the Capitol and Trump operatives had breached Dominion Voting Systems' voting machines in Georgia. Now, the 2020 lies are at the center of numerous indictments and his reelection campaign, but Trump is not the only one under fire. The once-untouchable Rupert Murdoch has been held accountable. Dominion's legal war, chronicled in-depth for the first time here, revealed that the ninety-two-year-old Fox chairman knew Trump's lies were dangerous but he allowed the lies to fill Fox's airwaves because, as his "pain sponge" Suzanne Scott admitted, telling the truth was "bad for business." *Network of Lies* goes inside the chat rooms, board rooms, and court rooms where the pro-Trump media's greed and selfishness were exposed. Featuring Stelter's "thorough and damning" (The New York Times) investigative prowess and direct quotations so shocking they read like fiction, *Network of Lies* is the definitive origin story of Trump's attempt to tear down the guardrails of American democracy, and an urgent plea to learn from past mistakes as we head into 2024's pivotal presidential election.

You Only Know What You Know Marcia Hutchison, 2023-10-13 About age seventy-four, living in Dallas, Texas, Marcia

joined a local church active in missions. After taking a course on missions, she joined two mission trips: Africa and Kazakhstan. Sharing her adventures through missions and extensive European travels may serve to open your eyes as they did hers. Back home, Marcia captured her memories on canvas and chronicled them in her diary. The powerful, holy God was there with Marcia every step of the way. Eventually, Marcia developed a keen interest in national politics and soon became even more disillusioned with the liberal media spewing out nothing but lies that grew bigger, more frequent, and more detrimental over the years. This book compares today's political climate with a partial view of American history. The annals of ancient history draw a picture of nefarious men seeking power, total control of a society through division, violence, changing the language, and political correctness gone amuck, all waiting for America to crash and burn. Changing the course of history is paramount to reaching the decisive final goal. Who knows? This book could be among the last historical accounts. Since history does indeed repeat itself, history must necessarily be destroyed. Keep the populace as ignorant and misinformed as possible--if necessary, by force. The formula has never changed throughout the annals of history, multimillions losing their lives as a result. Slavery has existed since the beginning of recorded history dating back to Ur over four thousand years ago. The city of Ur in Mesopotamia was unearthed in the early 1900s. This was the city God called Abraham to leave and to go to Harran. The detestable practice of slavery existed in Ur and still exists today. Human trafficking, drug addiction--all alive and well. As slaves to an evil cause, the BLM gang will not see past their nose. Ignorance is foolish and dangerous. Socialism, the final divisive step to communism, has been forced down the throats of our children and uninformed adults for years. This story addresses CRT, woke, atrocities of the Biden Administration, and the catastrophe on our southern border. I live in Texas; I see the truth with my own eyes. You only know what you know. Keep learning what you do not know because there is nothing new under the sun.

With words and topics that are as insightful as they are timely, he makes an ironclad case for the dangers we face from the Biden administration and the progressive movement. He also explains what the conservative movement must do to regain control of our government, our country, and our national soul. Your rights are under attack from the Biden administration, the

Democrats, and the radical left-wing socialists who are infiltrating every aspect of American life. Michael Savage covers all the dangerous hot-topics currently engulfing United States politics and threatening the American way of life: · cancel culture, · out-of-control immigration, · business-destroying lockdowns, · crime gone crazy, · silencing of free speech, · threats to freedom of religion, · and much, much more. **Mysticism in Newburyport** Peter James Ford,2023-03-26 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading towards New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

**CORRUPT** Dick Morris,2023-10-17 "Within these incendiary pages, Dick Morris, America's reigning Dean of political strategy and tactics, completely unmask the treasonous behavior of arguably the worst first family to ever darken the doors of the White House." — From the Foreword by Peter Navarro WAKE UP AMERICA! Each day brings shocking new revelations of the depth and breadth of the corruption of the Biden family. From China to Ukraine to Moscow to Iraq to Kazakhstan to Costa Rica to Florida to Romania and stops in between the Biden family has been in enriching itself by trading off the public offices and power accumulated by its mastermind: Joe Biden. The corruption of our own, elected leaders is the crux of America's difficulties. United States laws do not prevent politicians, and even Presidents(!), from using their families to take bribes and payoffs before, during, and after they serve us in public office. New York Times bestselling author Dick Morris is a winning presidential strategist and the man Time magazine dubbed "the most influential private citizen in America." In his new book, CORRUPT: The Biden Family's Dark Money, Morris lays-out the case against the Biden family and years of corruption and grift at the expense of taxpayers and the security of the United States. Since 2016, Dick Morris has

been a behind-the-scenes adviser to Donald Trump, playing a key role in Trump's surprise 2016 win. And now, as the 2024 elections approaches, President Biden's corruption — and that of his family — are emerging as key issues, and Morris argues President Trump MUST win in 2024 to clean-up the dangerous cancer that has taken-over the White House and is endangering the security of the United States and the world. Stronger ethics laws embracing all the opportunities for theft that a big family offers are a partial answer. But the real answer is to stop electing weak people who succumb to easy-money around the world and especially to Chinese entreaties to office. There is no room for corruption at the top of our government and according to Morris, there is NO excuse for not electing Donald J. Trump in 2024 to clean it up. "Within these pages, both Joe Biden and Communist China are revealed to be extreme dangers to an American nation now threatened from within by a variety of cultural, social, and economic crises largely of Biden's making and threatened from without by an authoritarian and fascist regime now engaged in the most rapid military buildup of a fascist regime since World War II — even as this Communist Chinese regime aligns itself ever more closely with America's other major existential threats in Russia, Iran, North Korea." — Peter Navarro

*The Political Economy of Plea Bargaining* Robert Schehr, 2024-12-10 The Political Economy of Plea Bargaining provides the political, economic, and cultural context for understanding the evolution of plea bargaining as a juridical technology implemented to ensure the efficient administration of violations of criminal law. Across two parts, this book contends that the confluence of political, economic, and cultural factors necessary to enhance the legal preservation of the slave system and white supremacy spatiotemporally coincided with burgeoning Northern industrial capitalism and the liberty of contract doctrine, and that each was contextualized within hegemonic liberal republican ideology out of which grew the implementation of an efficient technology of juridical control achieving normative legal status - plea bargaining. It argues that, as with their predecessors, contemporary actors operating within the criminal legal system and who are responsible for administering plea bargaining are perpetuating a system reproducing a steering mechanism that historically constitutes a through line from Reconstruction to the present day. Following Von Mises, these actors serve as useful innocents, modern-day confused and misguided sympathizers. They are juridical actors who inherited and are perpetuating a system of conflict resolution that serves to maintain a form of social control uniquely situated to historically relevant political, economic, and cultural power in the United States. The Political Economy of Plea Bargaining will be important reading for legal and social science academics researching and practicing within the field of criminal law and procedure. It will also act as a valuable guide to the debates surrounding plea bargaining for students with a keen interest in criminal law.

*The Anti-Globalist Manifesto* Jerome R. Corsi, 2024-08-13 In his new book, The Anti-Globalist Manifesto: Ending the War on Humanity, bestselling author Jerome Corsi puts out a call for action to reverse the totalitarian goals of the New World Order globalists. Corsi addresses that these demons are well advanced in their planned "One World Government" takeover

aimed at establishing an atheistic utopia that will have no respect for traditional human rights. Comfortable that their transhuman aspirations are achievable, the Malthusian elite is waging a war on humanity that embraces global depopulation as a means of preventing Earth's abundant natural resources for themselves. Tracing this dystopian nightmare back to the assassination of President John F. Kennedy on November 23, 1963, as the day the deep state went rogue in a conspiracy involving the CIA, the Pentagon, the State Department, and the Department of Justice to affect a coup d'état that would allow the military industrial complex to go to war in Vietnam, the deep state has created an ongoing Truman Show—a series of never-ending psychological operations designed to induce citizens worldwide to surrender freedoms to government in return for security. With the premise that the globalist elite uses systems of mass manipulation and social engineering to induce the world's population to accept the implementation of the reforms it has already decided to implement, Corsi sets a detailed plan for organizing global resistance against the subversives who now sit at the top of the institutions or world government and finance. The Anti-Globalist Manifesto is a call to action to restore God to our lives, as those of us fighting for a return to personal freedoms and limited government, ending the war on humanity and driving once and for all time the New World Order globalists back to Hell where they belong.

The Coming Storm Gabriel Gatehouse,2024-09-05 “Gabriel Gatehouse is a brilliant spelunker of the rabbit holes of American political culture. A spellbinding storyteller and reader of the runes of the strange times we live in.” - Louis Theroux Is this how democracy dies? The Coming Storm is Gabriel Gatehouse’s brilliant exploration of how conspiracy theories are tearing America apart. It’s a story that takes you down a rabbit hole - one that both the US as a nation and he as a journalist fell through - to unpack an epochal shift in political culture that starts in the earliest years of the Clinton administration and reached a crescendo on 6 January 2021 with the storming of the US Capitol. But that event wasn’t the wild finale of a chaotic Trump presidency many hoped for - it was only the beginning. A compelling mix of research and reportage, The Coming Storm gets under the skin of these conspiracy theories to show us a radical new kind of politics emerging, a movement that has coalesced around a loose alliance of tech bros, internet trolls and white supremacists. At a perilous moment in the history of American democracy, Gatehouse tells us some dark truths about our present, and provides clues about our future. The Coming Storm marks the debut of a major new voice in political journalism.

**Borderless by Design** Troy E. Nehls,2024-01-09 In his previous book The Big Fraud, Congressman Troy Nehls exposed the deep corruption perpetrated by the Democrats in the 2020 election. Now, in Borderless by Design, he examines what’s really happening with the Biden administration’s destruction of America’s southern border. The Democrats and their deep-state supporters want to cement permanent political power in Washington, DC. Having turned their backs on their traditional voters (middle-class, blue-collar Americans), the Democrats have a desperate need to replenish their voter base. That’s why the Biden administration, purposely acting against the Constitution and our country’s laws, is flooding our border with

illegals. Regardless of the harm done to America and to illegals themselves, Democrats consider the power grab worth the “collateral damage.” If that weren’t bad enough, the Democrats’ open-border policies also aid and abet those who are trying to destroy America—from George Soros and “Davos Man” to China and the Mexican drug cartels.

**War on Woke** Alan Dershowitz,2024-03-19 In *War on Woke: Why the New McCarthyism Is More Dangerous Than the Old*, Alan Dershowitz—#1 New York Times bestselling author and one of America’s most respected legal scholars—warns of the danger to the future of civil liberties and equality in America. Alan Dershowitz has been called “one of the most prominent and consistent defenders of civil liberties in America” by Politico and “the nation’s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights” by Newsweek. *War on Woke* exposes new McCarthyite tendencies and tactics of academia, the media, and the business community, especially high tech, that promote closed-minded intolerance. Dershowitz explains that the new woke McCarthyism challenges the basic tenets of the classic liberal (in the traditional sense) state: Freedom of expression; due process; presumption of innocence, right to counsel, equal application of the law; tolerance and respect for differing viewpoints, and that these bedrock principles are rejected by McCarthyite extremists on both the hard left and the hard right. Analyzing the impact of this new woke McCarthyism through the relentless attempts to “get” Trump, the attention on the Bidens, and even its international manifestation relative to anti-Semitism, Israel, and the world, Dershowitz investigates the role of media and asks whether the US Supreme Court can constrain this growing threat as new woke McCarthyism becomes mainstream Americanism—especially as the current generation of students and young professionals become our political, media, business, educational, religious, and “influencer” leaders.

**Hard Right: The GOP’s Drift Toward Extremism** Mona Charen,2023-06-27 As a Republican, Mona Charen hardly recognizes her own party anymore. The party’s focus has shifted from policy to provocation. Over time, many mainstream Republicans have embraced extremist views that were once reserved for the fringes—challenging free and fair elections, praising demagogues, encouraging conspiracies, and abandoning basic respect and decency. The Republican Party crashed through the floor of decency when Donald J. Trump was nominated as the party’s candidate in the 2016 presidential election. Since then, it has continued to find new lows in conspiracism, cynicism, stoked outrage, falsehoods, and finally, insurrection. In this collection of syndicated columns since 2016, Ms. Charen, a long-time political analyst, calls out the Republican Party for drifting far from its principles, offering sharp criticism and level-headed advice. Charen’s journey has taken her to distrust of excessive partisanship on all sides and a renewed urgency about confirming the values and traditions of small-l liberal democracy.

*U.S. Democracy in Danger* Adebowale Akande,2023-10-19 Historically, Donald Trump will be remembered as the first American president to be impeached twice and indicted. He fed the grotesque myth that the election was stolen and

summoned his supporters to storm Congress on 6 January 2021 in a bid to thwart the certification of Joe Biden's U.S. presidential election victory. This volume vividly recounts the dramatic narrative of the January 6 Coup in America and how close we came to losing U.S. democracy. For anyone seeking a comprehensive and multidisciplinary global overview of democracy, an astute analysis of the forces that drive the dominance of the (neo)liberal paradigm of the last decades should look no further than this volume. Yet the volume takes the issue further by vigorously documenting the decline of the U.S. treaty process (America's dysfunctional diplomacy and the doctrine of unpredictability). There is an urgent need for a massive infusion of strategic support for democracy in the United States. Because come 2024 or thereafter an unfinished work might drag American democracy to a dangerous inflection point. Trump (who has a complete hold on the Republican party, still has a stranglehold on the MAGA base no matter what he does, was instrumental to the breaking of U.S. diplomacy. Undermining the democratic legitimacy of International Law adversely affected U.S. foreign policy. Some federal and lower courts in the judiciary of the United States pose a real threat to Americans' democracy as well. To that end, when 'the principle of truth' loses its relevance and meaning as benchmarks for appraisals and decisions, and becomes a harmful tool for willful propaganda. Everybody should be worried about U.S. democracy. A real crisis is coming! U.S. Democracy is at a breaking point. Like a giant modern mirror standing behind democracy itself, this book is a citizen's guide to saving U.S. Democracy. Expertly drawn on global and regional examples and current literature, the volume closes a gap in the multidisciplinary field. Quite useful as a valuable resource as it helps us understand the shifting Trump agenda in diverse areas. Essential reference across a range of subjects, bringing together contributions from scholars, and policymakers alike. This extraordinarily well-researched and practically crafted, culture-inclusive text could not be more relevant or timelier. It is a must for everyone. This volume will help to shape the political landscape of the 21st century and will remain a vital source of inspiration for modern-day scholars and political activists.

**Indictment** Brant J. Moore, 2021-08-30 Calling someone a traitor requires evidence—something that Donald J. Trump has provided ample amounts of to the world. Brant J. Moore, a former lifelong Republican, financial contributor, and operative, picks apart Trump's presidency in this damning account of his legacy. Chapters can be viewed as the individual elements of an indictment of the former commander-in-chief. The author examines Trump's mendacity, incompetence, and attacks on the rule of law that culminated in the Jan. 6, 2021, storming of the United States Capitol by an angry mob. He also calls out Trump's drift toward authoritarianism, his refusal to transfer power, and traitorous acts. Even after the death of a fellow Republican and war hero, Sen. John McCain, it's reported that Trump told senior staff, "We're not going to support that loser's funeral." When he saw flags lowered to half-staff, he became enraged. Get a good look at a wealthy, spoiled brat who can't grasp the true meaning of service or patriotism and find out why we must scorn the Republican Party until it abandons Trump in *Indictment*.
