This Light Between Us: A Novel of World War II Andrew Fukuda, 2020-01-07 Winner of the American Library Association's Asian/Pacific American Award for Literature For readers of *The Librarian Of Auschwitz*, *This Light Between Us* is a powerfully affecting story of World War II about the unlikeliest of pen pals—a Japanese American boy and a French Jewish girl—as they fight to maintain hope in a time of war. “I remember visiting Manzanar and standing in the windswept plains where over ten thousand internees were once imprisoned, their voices cut off. I remember how much I wanted to write a story that did right by them. Hopefully this book delivers.”—Andrew Fukuda In 1935, ten-year-old Alex Maki from Bainbridge Island, Washington is disgusted when he’s forced to become pen pals with Charlie Lévy of Paris, France—a girl. He thought she was a boy. In spite of Alex’s reluctance, their letters continue to fly across the Atlantic—and along with them, the shared hopes and dreams of friendship. Until the Japanese attack on Pearl Harbor and the growing Nazi persecution of Jews force them to confront the darkest aspects of human nature. From the desolation of an internment camp on the plains of Manzanar to the horrors of Auschwitz and the devastation of European battlefields, the only thing they can hold onto are the memories of their letters. But nothing can dispel the light between them. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Light Between Us Katie Khan, 2018-08-09 ‘A will they, won’t they tale with a jaw-dropping twist at its heart’ Sunday Express Perfect for fans of *Sliding Doors*. Thea and Isaac have always been friends, despite his constant jokes, despite her stubborn belief in time travel . . . despite the distance between them. The Light Between Worlds Laura E. Weymouth, 2018-10-23 What happens when you return to the real world after being in a fantastical one like Narnia? This YA debut by Laura E. Weymouth is perfect for fans of Melissa Albert’s *The Hazel Wood* and Lev Grossman’s *The Magicians*. Six years ago, sisters Evelyn and Philippa Hapwell were swept away to a strange and beautiful kingdom called the Woodlands, where they lived for years. But ever since they returned to their lives in post-WWII England, they have struggled to adjust. Ev desperately wants to return to the Woodlands, and Philippa just wants to move on. When Ev goes missing, Philippa must confront the depth of her sister’s despair and the painful truths they’ve been running from. As the weeks unfold, Philippa wonders if Ev truly did find a way home, or if the weight of their worlds pulled her under. Walking the line between where fantasy and reality meet, this lyrical and magical novel is, above all else, an exploration of loss and healing, and what it means to find where you belong.

Signs Laura Lynne Jackson, 2019-06-18 NEW YORK TIMES BESTSELLER • A renowned psychic medium teaches us how to recognize and interpret the life-changing messages from loved ones and spirit guides on the Other Side. “A collection of incredible stories . . . that speak to the universe’s endless capacity for magical moments.”—goop Laura Lynne Jackson is a psychic medium and the author of the New York Times bestseller *The Light Between Us*. She possesses an incredible gift: the ability to communicate with loved ones who have passed, convey messages of love and healing, and impart a greater understanding of our interconnectedness. Though her abilities are exceptional, they are not unique, and that is the message

at the core of this book. Understanding “the secret language of the universe” is a gift available to all. As we learn to ask for and recognize signs from the other side, we will start to find meaning where before there was only confusion, and see light in the darkness. We may decide to change paths, push toward love, pursue joy, and engage with life in a whole new way. In *Signs*, Jackson is able to bring the mystical into the everyday. She relates stories of people who have experienced uncanny revelations and instances of unexplained synchronicity, as well as others drawn from her own experience. There’s the lost child who appears to his mother as a deer that approaches her unhesitatingly at a highway rest stop; the name written on a dollar bill that lets a terrified wife know that her husband will be okay; the Elvis Presley song that arrives at the exact moment of Jackson’s own father’s passing; and many others. This is a book that is inspiring and practical, deeply comforting and wonderfully motivational, in asking us to see beyond ourselves to a more magnificent universal design.

Light Between Us Vincent Peters, Teneues Publishing, 2014-09-30 How can a photographer of internationally known stars create iconic portraits that linger in the memory--especially since these actors have already been photographed and filmed millions of times? Vincent Peters--who has been working since 1995 for magazines such as *Vogue* and *GQ* and fashion brands including Dior, Louis Vuitton, and Yves Saint Laurent--relies entirely on the classic art of portrait photography for his pictures. Focusing on small gestures and subtle productions instead of prominent poses, he ensures that his subjects do not disappear into the backdrop and that their faces are the focal point. Emma Watson's features are lent a tragic note with white makeup. Annie Lennox appears like a stern missionary in a suit and fedora. Photographs of stars such as David Beckham and Christian Bale are markedly masculine. Even more intimate are the images that Peters has taken in private surroundings, like when he accompanied Monica Bellucci during her second pregnancy. His sophisticated lighting has the most impact in his black-and-white photos, bestowing them with a breathtaking cinematic quality. Each book is individually signed and comes in a handmade clamshell box containing a portfolio with one signed and numbered photoprint - Cindy Crawford **SELLING POINTS**: * The virtuoso images of one of the most in-demand fashion photographer, now assembled in one volume for the first time * Sensitive portraits of international stars including Kim Basinger, Cameron Diaz, Scarlett

Johansson, John Malkovich, Charlize Theron, and many others * Proceeds from this book benefit the Family Justice Center of the Protection Against Violence department at Berlin's Charite hospital * Also available as Collector's Edition - Limited Edition of 100 copies, clamshell box (45x54 cm), and portfolio with one signed and numbered photoprint. 150 colour and duotone photographs

Was he meant to be the last? Lucy is faced with a life-altering choice. But before she can make her decision, she must start her story—their story—at the very beginning. Lucy and Gabe meet as seniors at Columbia University on a day that changes both of their lives forever. Together, they decide they want their lives to mean something, to matter. When they meet again a year later, it seems fated—perhaps they'll find life's meaning in each other. But then Gabe becomes a photojournalist assigned to the Middle East and Lucy pursues a career in New York. What follows is a thirteen-year journey of dreams, desires, jealousies, betrayals, and, ultimately, of love. Was it fate that brought them together? Is it choice that has kept them away? This Thing Between Us Gus Moreno, 2021-10-12 A surreal excursion into heartache and horror narrated by a man undone by grief . . . Along with allusions to Rod Serling and *The Exorcist*, there are shades of H. P. Lovecraft, Stephen King, zombie literature and, at least once, *A Hitchhiker’s Guide to the Galaxy* . . . You don't want to read this book right before bed. —Sarah Lyall, *The New York Times Book Review* “This intense cosmic horror with a touch of Mexican American folklore is incredibly creepy and moving.” —Margaret Kingsbury, *BuzzFeed* It was Vera’s idea to buy the *Itza*. The “world’s most advanced smart speaker!” didn’t interest Thiago, but Vera thought it would be a bit of fun for them amidst all the strange occurrences happening in the condo. It made things worse. The cold spots and scratching in the walls were weird enough, but peculiar packages started showing up at the house—who ordered industrial lye? Then there was the eerie music at odd hours, Thiago waking up to *Itza* projecting light shows in an empty room. It was funny and strange right up until Vera was killed, and Thiago’s world became unbearable. Pundits and politicians all looking to turn his wife’s death into a symbol for their own agendas. A barrage of texts from her well-meaning friends about letting go and moving on. Waking to the sound of *Itza* talking softly to someone in the living room . . . The only thing left to do was get far away from Chicago. Away from everything and everyone. A secluded cabin in Colorado seemed like the perfect place to hole up with his crushing grief. But

soon Thiago realizes there is no escape—not from his guilt, not from his simmering rage, and not from the evil hunting him, feeding on his grief, determined to make its way into this world. A bold, original horror novel about grief, loneliness and the oppressive intimacy of technology, *This Thing Between Us* marks the arrival of a spectacular new talent.
