

Cert Iii Health Service Assistant

Kathryn Austin,Geoff Arnott

Health Services Assistance Kathryn Austin,Geoff Arnott,2017-11-24 Achieve high standards in patient-focused care. Health Services Assistance provides complete coverage of core and elective units for assisting in nursing work in acute care. Exercises throughout the text provide students with the means to self-assess and extend their skills and knowledge. Foundation skills are developed early, underpinning understanding of the specialist acute care chapters that follow. Students are encouraged to reflect and contextualise their learning and to practise techniques in small groups. Activities break up the material so information is easier to retain. Self-check, extension activities and discussion questions can be incorporated into an institution's assessment strategy. Health Services Assistance is structured by competency for HLT33115 Certificate III in Health Services Assistance, supporting nursing in acute care, and is packed with specific cases and examples, as well as including additional content on palliative care and mental health. Each chapter addresses a competency, with a volume of learning that underpins the assessment requirements. The book is structured so that elements and criteria are communicated by the section headings. Teach following the qualification structure, using the print book, eBook or LMS integration.

Health Services Assistance Kathryn Austin,2020-06-18 Achieve high standards in patient-focused care. Health Services Assistance provides complete coverage of core and elective units for assisting in nursing work in acute care. Exercises throughout the text provide students with the means to self-assess and extend their skills and knowledge. Foundation skills are developed early, underpinning understanding of the specialist acute care chapters that follow. Students are encouraged to reflect and contextualise their learning and to practise techniques in small groups. Activities break up the material so information is easier to retain. Self-check, extension activities and discussion questions can be incorporated into an institution's assessment strategy. Health Services Assistance is structured by competency for HLT33115 Certificate III in Health Services Assistance, supporting nursing in acute care, and is packed with specific cases and examples, as well as including additional content on palliative care and mental health. The book is structured so that elements and criteria are communicated by the section headings. Teach following the qualification structure, using the print book, eBook or LMS integration.

Health Services Assistance Kathryn Austin,2023-06-01 This market-leading text supports the beginning learner by describing the knowledge and skills required to work towards a Certificate III in Health Services Assistance (Assisting in

Nursing Work in Acute Care). Each chapter identifies the scope of practice and range of activities that can be undertaken when working in an Acute Care setting. The skills and knowledge required for the effective delivery of care, with examples, are detailed throughout the text, with the capacity for the learner to self-assess and to use knowledge learnt through the 'Apply your knowledge' feature at the end of each chapter. Health Services Assistance is the only comprehensive, local standalone text that directly aligns to the qualification HLT33115. Additional NEW units in this third edition extend the core to align with the Certificate III Allied Health Assistant requirement, for a mixed cohort. Using this text enables students to meet high standards of patient-focused care and provides teachers and facilitators with tools to support students throughout their learning journey.
