

# Gospel Of John Commentary

## Jean Calvin

The Gospel according to John D. A. Carson, 1990-12-20 In this solid evangelical commentary on John's Gospel, a respected Scripture expositor makes clear the flow of the text, engages a small but representative part of the massive secondary literature on John, shows how the Fourth Gospel contributes to biblical and systematic theology, and offers a consistent exposition of John as an evangelistic Gospel. The comprehensive introduction treats such matters as the authenticity, authorship, purpose, and structure of the Gospel.

**John** Robert Charles Sproul, 2019 In John, the second volume in the St. Andrew's Expository Commentary series, Dr. Sproul deals with major themes in his easily understandable style. Readers will find invaluable insights into the goals John had in writing his Gospel, the background for Jesus' time, and the meanings of some of John's most difficult passages. This introduction to the Gospel of John is packed with insights and exhortations that will draw the reader closer to the Savior and encourage him or her to a greater depth of love and devotion to Him.

**The Gospel of John** Frederick Dale Bruner, 2012-02-22 The author of a much-loved two volume Matthew commentary (1990) that he greatly revised and expanded fourteen years later, Frederick Dale Bruner now offers The Gospel of John: A Commentary -- more rich fruit of his lifetime of study and teaching. Rather than relying primarily on recent scholarship, Bruner honors and draws from the church's major John commentators throughout history, including Augustine, Chrysostom, Aquinas, Luther, Calvin, Bultmann, Barrett, and many more. Alongside this historical interpretation is Bruner's own contemporary interpretation, which incorporates a lucid translation of the text, references to recent scholarship, and his pastoral application of the Gospel to present-day experience. Like Bruner's other work, this commentary is rich in biblical insights, broadly historical, and deeply theological. Here is what Eugene Peterson said about Bruner's earlier work on Matthew: This is the kind of commentary I most want -- a theological wrestling with Scripture. Frederick Dale Bruner grapples with the text not only as a technical exegete (although he does that very well) but as a church theologian, caring passionately about what these words tell us about God and ourselves. His Matthew commentary is in the grand traditions of Augustine, Calvin, and Luther -- expansive and leisurely, loving the text, the people in it, and the Christians who read it. The same could well be said about the present John commentary, which promises to be another invaluable resource for pastors, teachers, and laypeople alike.

*The Gospel of John* J. Ramsey Michaels, 2010-09-23 This new commentary part of Eerdmans's acclaimed NICNT series gives primary attention to John's gospel in its present form rather than the sources or traditions behind it. J. Ramsey Michaels assumes that the John who authored the book is someone very close to Jesus and, therefore, that the gospel is a testimony to events that actually happened in the life of Jesus. Yet Michaels does not ignore the literary character of the gospel of John or its theological contribution to the larger Christian community from its own time to the present day. Through a detailed verse-by-verse commentary, Michaels reveals how the gospel of the disciple whom Jesus loved is a unified composition, intertwined with the synoptics, yet drawing on material none of them cover.

*Commentary on the Gospel of John* Theodore of Mopsuestia, 2010-03-26 Theodore of Mopsuestia serves as one of the most important exemplars of Antiochene exegesis of his generation. While charges of heterodoxy against Theodore may not be entirely justified, there remains an apparent dualism in his Christology that should be critically viewed in light of the later Chalcedonian formula. With this caution, there still remains much that is valuable for contemporary readers, whether preachers, students or lay people interested in the early church's understanding of the Gospel of John. Here for the first time is a complete English translation of this valuable work, ably translated by Marco Conti and edited by Joel C. Elowsky.

**John 1:1-7:1** William C. Weinrich, 2015 The commentary fully affirms the divine inspiration, inerrancy, and authority of Scripture as it emphasizes 'that which promotes Christ' in each pericope. Authors are sensitive to the rich treasury of language, imagery, and themes found throughout Scripture, including such dialectics as Law and Gospel, sin and grace, death and new life, folly and wisdom, demon possession and the arrival of the kingdom of God in Christ. Careful attention is given to the original Hebrew, Aramaic, or Greek. Further light is shed on the text from archaeology, history, and extrabiblical literature. Finally, Scripture's message is applied to the ongoing life of the church in terms of ministry, worship, proclamation of the Word, Baptism, the Lord's Supper, confession of the faith--all in joyful anticipation of the life of the world to come. -- Inside cover

*1, 2, 3 John - Comfort and Counsel for a Church in Crisis* W. Hall Harris, W. Hall Harris, III, 2003

**The Gospel According to John** D. A. Carson, 1991 This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

**The Gospel of John** Jerome H. Neyrey, 2007 This highly accessible 2007 commentary brings readers into the cultural world of the gospel.

**The Gospel of John**, 1964

**A Commentary**, 1958

The Gospel According to John, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

John Jean Calvin, 1994 This Crossway Classic Commentary capsulizes the basics of the faith, including Christ's nature and the profound meaning of His presence and works on earth.

*The Gospel of John* Elmer L. Towns, 2002 This commentary brings to life John's ultimate purpose for his gospel: that his readers will believe the life and death of the Son of God and receive eternal life. Part of the 21st Century Premillennial New Testament Commentary Series.

**The Past from God's Perspective** Scott Gambrill Sinclair, 2004 Attempts to demonstrate that a critical scholar can affirm that the books of the New Testament are true and relevant. This book offers a commentary on John's Gospel.

*John*, 2007

*A Commentary on the Gospel of John* Johannes Beutler, 2017 New Testament scholar Johannes Beutler brings together a lifetime of study and reflection in this acclaimed commentary, first published in German in 2013 and now available to English-speaking audiences for the first time. Moving through the Gospel of John with a careful and critical eye, Beutler engages the relevant primary and secondary sources; summarizes the existing discussion; and presents syntactic, semantic, and pragmatic analyses of the text. As he meticulously examines the Fourth Gospel, Beutler pays special attention to the influence of Old Testament and Early Jewish traditions, to the overall structure of the Gospel of John, and to evidence suggesting a later stratum of contextualized re-readings in the composition of the Gospel. Bold, literary, and theological, this volume represents a landmark work of German biblical scholarship.

The Gospel of John Barnabas Lindars, 1981

**John** Rodney A. Whitacre, 1999-01-01 The Gospel of John declares its purpose clearly - these are written that you may believe that Jesus is the Christ, the Son of God, and that by believing you may have life in his name. Thus it fulfills a dual function, encouraging believers and providing them with evidences for proclaiming that Jesus is God's Messiah, the divine,

incarnate Son of God. In this pastorally oriented commentary, readers will find an introduction with background material concerning authorship, date and purpose, as well as a summary of important theological themes. A passage-by-passage exposition follows that focuses on understanding what John had to say to his original readers in order to see its relevance for the church today. Students, pastors, Bible teachers and everyone who wants to understand the message of John for the church will benefit from this resource.

The book delves into Gospel Of John Commentary . Gospel Of John Commentary is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Gospel Of John Commentary , encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
  - Chapter 1: Introduction to Gospel Of John Commentary
  - Chapter 2: Essential Elements of Gospel Of John Commentary
  - Chapter 3: Gospel Of John Commentary in Everyday Life
  - Chapter 4: Gospel Of John Commentary in Specific Contexts
  - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Gospel Of John Commentary . This chapter will explore what Gospel Of John Commentary is, why Gospel Of John Commentary is vital, and how to effectively learn about Gospel Of John Commentary .
3. In chapter 2, the author will delve into the foundational concepts of Gospel Of John Commentary . This chapter will elucidate the essential principles that must be understood to grasp Gospel Of John Commentary in its entirety.
4. In chapter 3, the author will examine the practical applications of Gospel Of John Commentary in daily life. The third chapter will showcase real-world examples of how Gospel Of John Commentary can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Gospel Of John Commentary in specific contexts. This chapter will explore how Gospel Of John Commentary is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Gospel Of John Commentary . The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Gospel Of John Commentary .
