Blink of an Eye William S. Cohen,2024-07-02 It is America's worst nightmare: A nuclear bomb destroys a major city. Thousands of Americans are dead and many more will die from radiation poisoning. Threats promising more attacks spread through the media. Panic has broken out in many cities. How could American intelligence have failed to detect a nuclear device? Who is responsible for the blast? Sean Falcone, national security advisor, is tasked with identifying and tracking down the attackers. Powerful forces within the Capital point the finger at Iran. But appearances are always deceiving, and never more so than when millions of innocent people may die for a crime they did not commit. With the potential to incite the entire Muslim world against America and bring the world to the brink of Armageddon, Falcone discovers an astonishing secret hidden deep within the upper echelons of Washington's elite...but why should the President—or the American people—believe him? Pulling from years of international affairs and defense planning experience, the former Secretary of Defense under Bill Clinton creates a sweeping, all-too-real political thriller. Blink Malcolm Gladwell,2007-04-03 From the #1 bestselling author of *The Bomber Mafia*, the landmark book that has revolutionized the way we understand leadership and decision making. In his breakthrough bestseller *The Tipping Point*, Malcolm Gladwell redefined how we understand the world around us. Now, in *Blink*, he revolutionizes the way we understand the world within. *Blink* is a book about how we think without thinking, about choices that seem to be made in an instant--in the blink of an eye--that actually aren't as simple as they seem. Why are some people brilliant decision makers, while others are consistently inept? Why do some people follow their instincts and win, while others end up stumbling into error? How do our brains really work--in the office, in the classroom, in the kitchen, and in the bedroom? And why are the best decisions often those that are impossible to explain to others? In *Blink* we meet the psychologist who has learned to predict whether a marriage will last, based on a few minutes of observing a couple; the tennis coach who knows when a player will double-fault before the racket even makes contact with the ball; the antiquities experts who recognize a fake at a glance. Here, too, are great failures of blink: the election of Warren Harding; New Coke; and the shooting of Amadou Diallo by police. *Blink* reveals that great decision makers aren't those who process the most information or spend the most time

deliberating, but those who have perfected the art of thin-slicing--filtering the very few factors that matter from an overwhelming number of variables.

Blink of an Eye Louisa Scarr, 2022-05-19 Five friends meet. Only four come home. On Christmas morning, DS Robin Butler has no plans to celebrate. He'll be glad to get back to work - a wish that comes true sooner than he anticipates. A dog walker at a local beach has discovered five unresponsive people strewn across the shingle. By the time Robin arrives, one is pronounced dead, and the other four are being treated in hospital. DC Freya West is less than pleased when the romantic day with her boyfriend is scuppered, but duty calls. As she and Butler speak to those involved, it's clear something is being left unsaid. They claim they are friends, and that they don't know how one of the group was killed. But why are they so cagey? A cold case investigation unlocks some answers about the history between the beach-going gang, yet they're tight-lipped about what prompted them to meet on Christmas Eve. Butler and West are getting nowhere, and their partnership is about to face another test. When Freya wants to come clean about events in her past, it's not just her neck on the line, but Robin's too. Can their relationship survive if their pact of silence is broken? The thrilling new instalment from policing's most dauntless duo. Perfect for fans of Cara Hunter, Jane Casey and Susie Steiner. Praise for *Blink of an Eye* 'A thrilling and unusual mystery, spiced with sadness, masterfully unspooling past secrets into present danger. Butler and West would make high quality Sunday night network television.' Dominic Nolan, author of *Vine Street* 'Butler and West are fast becoming my favourite detective partnership... Addictive reading!' Alison Belsham, author of *The Tattoo Thief* 'The untangling of the long-held web of lies from *The Five* was expertly done... the story telling seems so effortlessly easy, and before you know it, you're chapters in and can't stop.' Fliss Chester, author of *A Dangerous Goodbye* 'Blink of an Eye is a blindingly brilliant return to the Butler and West series, with a tight-knit and claustrophobic friendship group at the core of its mystery. The chemistry between detectives Freya and Robin is the absolute star of the show - the twists and turns of their partnership will leave you desperate for more. Cannot recommend this series enough!' Heather Critchlow 'I've just raced through *Blink of an Eye* and couldn't put it down. A Christmas Day body found on a beach, and a suspicious group of old friends... What's not to love! Tense, brilliant plotting and the perfect duo.' Rachael Blok, author of *The Fall* 'A punchy and pacy police procedural with heart.' In the Blink of an Eye Jesse Blackadder, 2019-03-19 Absolutely captivating....This is a masterpiece of women's fiction.—Booklist (starred review) Absorbing....Fast-moving but emotionally resonant. —Kirkus reviews *In the Blink of an Eye* is award-winning author Jesse Blackadder's deeply emotional drama that explores a family's path to forgiveness and redemption in the aftermath of a tragedy. The Brennans—parents, Finn and Bridget, and their sons, Jarrah and Toby—have made a sea change, from chilly Hobart, Tasmania, to subtropical Murwillumbah, New South Wales. Feeling like foreigners in this land of sun and surf, they're still adjusting to work, school, and life in a sprawling purple clapboard house, when one morning, tragedy strikes. In the devastating aftermath, the questions fly. What really happened? And who's to blame? Determined to protect his family, Finn finds himself under the police and media spotlight. Guilty and enraged, Bridget spends nights hunting answers in the last place imaginable. Jarrah—his innocence lost—faces a sudden and frightening adulthood where nothing is certain. *In the Blink of an Eye* is a haunting, redemptive story about forgiveness and hope.

With his mind as cognitive and as active as it had always been, his body became his painful prison. IN THE BLINK OF AN EYE is Hasso's moving and life-affirming memoir. At 42 Hasso had to come to terms with a life 'locked in', being dependent on others for every breath, but worst of all, losing his most precious of possessions: his voice.
