Motherless Daughters Hope Edelman, 2018-09-06 Ask any woman whose mother has died, and she will tell you that she is irrevocably altered, as deeply changed by her mother's death as she was by her mother's life. Although a mother's mortality is inevitable, no book had discussed the profound, lasting and far-reaching effects of this loss - until *Motherless Daughters*, which became an instant classic. Over twenty years later, it is still the book that women of all ages look to for comfort and understanding when their mothers die, and the book that they continue to press into each other's hands. Building on interviews with hundreds of mother-loss survivors, the author's personal story of losing her mother and recent research in grief and psychology, *Motherless Daughters* reveals the shared experiences and core identity issues of motherless women. \* \* \* \* \* 'Motherless Daughters is a timeless source of consolation and information for all who grieve the death of their mother. It highlights that we bear this loss by remembering, not forgetting our mother.' JULIA SAMUEL, author of *Grief Works* 'Anyone who has lost their mother should read this remarkable, tender book, full of insight and consolation. This is one of those exceptional books that has the power to change your life.' CLOVER STROUD, author of *The Wild Other* 'Nothing has helped me make more sense of myself than *Motherless Daughters*; it's the book I go back to again and again, and find something new in it every time.' DECCA AITKENHEAD 'Intelligent, brave, consoling and wise . . . an essential and illuminating must-read for anyone who has lost a mother or loves someone who did.' CHERYL STRAYED, author of *Wild* 'This book has helped me heal my heart. Finding myself in the stories of other motherless daughters let me know I was not alone. If you have lost your mom - this book is essential.' ROSIE O'DONNELL 'Absorbing . . . insightful . . . a moving and valuable treatment of a neglected subject.' NEW YORK TIMES BOOK REVIEW

*No Death, No Fear* Thich Nhat Hanh, 2012-02-29 '(Thich Nhat Hanh) shows us the connection between personal, inner peace and peace on earth' His Holiness the Dalai Lama Thich Nhat Hanh says: 'Our biggest fear is that we will become nothing when we die. If we think that we cease to exist when we die, we have not looked very deeply at ourselves.' With his usual blend of stories, exquisite analogies and guided meditations, Thich Nhat Hanh takes the reader through the same examination of death, fear and the nature of existence that Buddhist monks and nuns have been performing in their meditations for 2500 years. The understanding of no death comes from exploding the myth of how we think we exist. Knowing how we actually exist produces the state of no fear. This is a new subject for Thich Nhat Hanh and many people will

turn to him for his help with fear and death, just as they did for his help with anger.

Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

*You Are the Mother of All Mothers* Angela Miller, 2014 Every loss mama deserves to be reminded she is the mother of all mothers.

Crossing the River Carol Smith, 2021-05-04 A powerful exploration of grief and resilience following the death of the author's son that combines memoir, reportage, and lessons in how to heal Everyone deals with grief in their own way. Helen Macdonald found solace in training a wild goshawk. Cheryl Strayed found strength in hiking the Pacific Crest Trail. For Carol Smith, a Pulitzer Prize nominated journalist struggling with the sudden death of her seven-year-old son, Christopher, the way to cross the river of sorrow was through work. In *Crossing the River*, Smith recounts how she faced down her crippling loss through reporting a series of profiles of people coping with their own intense challenges, whether a life-altering accident, injury, or diagnosis. These were stories of survival and transformation, of people facing devastating situations that changed them in unexpected ways. Smith deftly mixes the stories of these individuals and their families with her own account of how they helped her heal. General John Shalikashvili, once the most powerful member of the American military, taught Carol how to face fear with discipline and endurance. Seth, a young boy with a rare and incurable illness, shed light on the totality of her son's experiences, and in turn helps readers see that the value of a life is not measured in days. *Crossing the River* is a beautiful and profoundly moving book, an unforgettable journey through grief toward hope, and a valuable, illuminating read for anyone coping with loss.

**Letters from Motherless Daughters** Hope Edelman,2014-04-08 After a mother's death, a daughter embarks on a personal journey of grief and healing. Hope Edelman shared her journey in *Motherless Daughters*; afterward, she received letters from motherless women all over the world who felt compelled to share their own stories of mother loss. Comforted by the shared experiences that appeared in the book, they wanted to hear more from women like them. *Letters from Motherless Daughters* was created to fulfill that request, and now, in this updated edition, Hope compiles letters received over the two decades since the publication of her New York Times bestseller. In their own voices, these daughters--ranging in age from thirteen to seventy-eight--share their journeys of mourning and regeneration. Beginning with the initial period of adjustment and acceptance, covering the first years after a mother's death, and describing lives shaped by loss more than twenty years later, these letters reflect the challenges and triumphs motherless girls and women face over time. The words of these brave women illustrate the profound pain, astounding strength, and personal growth inherent in living through the loss of a mother--without ever outliving the need for her.

**The Long Goodbye** Meghan O'Rourke,2011-04-14 Anguished, beautifully written... *The Long Goodbye* is an elegiac depiction of drama as old as life. -- The New York Times Book Review From one of America's foremost young literary voices, a transcendent portrait of the unbearable anguish of grief and the enduring power of familial love. What does it mean to mourn today, in a culture that has largely set aside rituals that acknowledge grief? After her mother died of cancer at the age of fifty-five, Meghan O'Rourke found that nothing had prepared her for the intensity of her sorrow. In the first anguished days, she began to create a record of her interior life as a mourner, trying to capture the paradox of grief--its monumental agony and microscopic intimacies--an endeavor that ultimately bloomed into a profound look at how caring for her mother during her illness changed and strengthened their bond. O'Rourke's story is one of a life gone off the rails, of how watching her mother's illness--and separating from her husband--left her fundamentally altered. But it is also one of resilience, as she observes her family persevere even in the face of immeasurable loss. With lyricism and unswerving candor, *The Long Goodbye* conveys the fleeting moments of joy that make up a life, and the way memory can lead us out of the jagged darkness of loss. Effortlessly blending research and reflection, the personal and the universal, it is not only an exceptional memoir, but a necessary one.

**Mom and Me and Mom** Maya Angelou,2013-03-26 'In the first decade of the twentieth century, it was not a good time to be born black, or woman, in America.' So begins this stunning portrait of Vivian Baxter Johnson: the first black woman officer in the Merchant Marines, purveyor of a gambling business and rooming house, and mother to Maya Angelou, beloved and bestselling author of *I KNOW WHY THE CAGED BIRD SINGS*. 'A brilliant writer, a fierce friend and a truly phenomenal woman' BARACK OBAMA Anyone who's read the classic, *I Know Why the Caged Bird Sings*, knows Maya Angelou was raised by her paternal grandmother in Stamps, Arkansas. In *Mom and Me and Mom*, Angelou details what brought her mother to

send her away and unearths the well of emotions Angelou experienced long afterward as a result. While Angelou's first six autobiographies reveal about her out in the world, influencing and learning from statesmen and cultural icons, her final autobiography and conclusion to the series, *Mom and Me and Mom*, shares the intimate, emotional story about her own family. 'She moved through the world with unshakeable calm, confidence and a fierce grace . . . She will always be the rainbow in my clouds' OPRAH WINFREY 'She was important in so many ways. She launched African American women writing in the United States. She was generous to a fault. She had nineteen talents - used ten. And was a real original. There is no duplicate' TONI MORRISON

Motherless Mothers Hope Edelman,2008-12-13 Edelman illuminates the transformative power of understanding mother loss [and] offers essential wisdom. — Library Journal When Hope Edelman, author of the New York Times bestseller *Motherless Daughters*, became a parent, she found herself revisiting the loss of her mother in ways she had never anticipated. Now the mother of two young girls, Edelman set out to learn how the loss of a mother to death or abandonment can affect the ways women raise their own children. In *Motherless Mothers*, Edelman uses her own story as a prism to reveal the unique anxieties and desires that these women experience as they raise their children without the help of a living maternal guide. In an impeccably researched, luminously written book enriched by the voices of the mothers themselves—and filled with practical insight and advice from experienced professionals—she examines their parenting choices, their triumphs, and their fears, and offers motherless mothers the guidance and support they want and need.

**Without You** Anthony Rapp,2006-10-31 Anthony Rapp's first audition for the workshop production of *Rent* begins a journey that takes him all the way to Broadway as the star of the Tony and Pulitzer Prize-winning musical, experiencing tragedy, loss, and enlightenment along the way. When *Rent*'s brilliant young creator, Jonathan Larson, dies suddenly of an aneurysm the night before the show's first performance, Anthony and the rest of the cast are devastated and open the show that night only to friends and family, performing a tribute to their dear friend and gifted artist. Shortly thereafter, Anthony's mom receives a devastating cancer diagnosis and during the Anthony's first year on Broadway as Mark in *Rent*, he makes frequent trips to visit her, hoping for her to come to terms with his being gay, as he comes to terms with her impending death. With atmospheric, nostalgic flashbacks to his childhood in small-town Joliet, Illinois, he shares his first experiences discovering his sexuality, the tension it created with his mother, and his struggle into adulthood to gain her acceptance. This is a beautiful, haunting memoir of the world of theatre, the love of son for his mother, sexual awakening, and maturity won at far too early an age.

**The Dead Moms Club** Kate Spencer,2017-11-21 Kate Spencer lost her mom to cancer when she was 27. In *The Dead Moms Club*, she walks readers through her experience of stumbling through grief and loss, and helps them to get through it, too. This isn't a weepy, sentimental story, but rather a frank, up-front look at what it means to go through gruesome grief and

come out on the other side. An empathetic read, *The Dead Moms Club* covers how losing her mother changed nearly everything in her life: both men and women readers who have lost parents or experienced grief of this magnitude will be comforted and consoled. Spencer even concludes each chapter with a cheeky but useful tip for readers (like the *It's None of Your Business Card* to copy and hand out to nosy strangers asking about your passed loved one).

*a mother's cry a mother's celebration* Neena Verma,2016-09-20 Each of us has a Hero's Journey. We heed calls once in a while that take us far beyond what we know of us. There are trials, tribulations, death, grief and a maze of emotions. The crippling is particularly severe when one loses a child. Those chosen to live in this dark abyss know how agonizing it is. Yet, there is a transcendent light beyond grief, one that glows our path and rekindles our faith. We are blessed with grace, before and after grief. We receive a way to let our 'cry' invoke 'celebration' of the life, before death comes calling. We come to kindle 'Presence' in the void of absence. Being able to live our pain creates a sacred shared space for our lament and love, leaving us humbler, wiser and stronger. Ever wondered, what is your way of avowing the confluence of life and death ! I invoke you to join my quest and discover your own truth. I invoke you to the story of my transcendental pilgrimage from annihilation to awakening. I have received my story from a world beyond worlds. I share it with you. Come ... sing with me my poem and prayer.

*Things I Wish I Knew Before My Mom Died* Ty Alexander,2017-08-27 Coping With Loss The grieving process: Ty Alexander of Gorgeous in Grey is one of the top bloggers today. She has a tremendous personal connection with her readers. This is never more apparent than when she speaks about her mother. The pain of loss is universal. Yet, we all grieve differently. For Alexander, the grieving process is one that she lives with day-to-day. Learning from her pain, Alexander connects with her readers on a deeply emotional level in her debut book, *Things I Wish I Knew before My Mom Died: Coping with Loss Every Day*. From grief counseling to sharing insightful true stories, Alexander offers comfort, reassurance, and hope in the face of sorrow. Coping with loss: In her early 20's reality smacked Ty in the face. She was ill equipped to deal with the emotional and intellectual rollercoaster of dealing with her mom's illness. Through her own trial and error, she found a way to be a caregiver, patient advocate, researcher, and a grieving daughter. She wrote *Things I Wish I Knew before My Mom Died: Coping with Loss Every Day* to help others find the "best" way to cope and move on, however one personally decides what that means. Mourning and remembrance: In the chapters of this soul-touching book, mourners will find meaning and wisdom in grieving and the love that will always remain. Each chapter is a study and lesson in coping with loss:

- Chapter 1: We've been duped, everyone dies!
- Chapter 2: The truth about my moderately dysfunctional family
- Chapter 3: The Art Of Losing
- Chapter 4: The how of grieving
- Chapter 5: How to be obsessively grateful
- Chapter 6: Dear Mama

*Call Me By My True Names* Thich Nhat Hanh,2022-11-08 THE THICH NHAT HANH POETRY COLLECTION: Over 50 inspiring poems from the world-renowned Zen monk, peace activist, and author of *The Miracle of Mindfulness*. " . . . the

antidote to our modern pain and sorrows. His books help me be more human, more me than I was before.” —Ocean Vuong, author of *On Earth We’re Briefly Gorgeous* Though he is best known for his groundbreaking and accessible works on applying mindfulness to everyday life, Thich Nhat Hanh is also a distinguished poet and Nobel Peace Prize nominee. This stunning poetry collection explores these lesser-known facets of Nhat Hanh’s life, revealing not only his path to becoming a Zen meditation teacher but his skill as a poet, his achievements as a peace activist, and his experiences as a young refugee. Through more than 50 poems spanning several decades, Nhat Hanh reveals the stories of his past—from his childhood in war-torn Vietnam to the beginnings of his own spiritual journey—and shares his ideas on how we can come together to create a more peaceful, compassionate world. Uplifting, insightful, and profound, *Call Me By My True Names* is at once an exquisite work of poetry and a portrait of one of the world’s greatest Zen masters and peacemakers.

Late Migrations Margaret Renkl, 2019-07-09 From the New York Times columnist, a portrait of a family and the cycles of joy and grief that mark the natural world: “Has the makings of an American classic.” —Ann Patchett Growing up in Alabama, Margaret Renkl was a devoted reader, an explorer of riverbeds and red-dirt roads, and a fiercely loved daughter. Here, in brief essays, she traces a tender and honest portrait of her complicated parents—her exuberant, creative mother; her steady, supportive father—and of the bittersweet moments that accompany a child’s transition to caregiver. And here, braided into the overall narrative, Renkl offers observations on the world surrounding her suburban Nashville home. Ringing with rapture and heartache, these essays convey the dignity of bluebirds and rat snakes, monarch butterflies and native bees. As these two threads haunt and harmonize with each other, Renkl suggests that there is astonishment to be found in common things: in what seems ordinary, in what we all share. For in both worlds—the natural one and our own—“the shadow side of love is always loss, and grief is only love’s own twin.” Gorgeously illustrated by the author’s brother, Billy Renkl, *Late Migrations* is an assured and memorable debut. “Magnificent . . . Readers will savor each page and the many gems of wisdom they contain.” —Publishers Weekly (starred review)

*For One More Day International Edition* Mitch Albom, 2007-04-01 This is the story of Charley, a child of divorce who is always forced to choose between his mother and his father. He grows into a man and starts a family of his own. But one fateful weekend, he leaves his mother to secretly be with his father—and she dies while he is gone. This haunts him for years. It unravels his own young family. It leads him to depression and drunkenness. One night, he decides to take his life. But somewhere between this world and the next, he encounters his mother again, in their hometown, and gets to spend one last day with her—the day he missed and always wished he’d had. He asks the questions many of us yearn to ask, the questions we never ask while our parents are alive. By the end of this magical day, Charley discovers how little he really knew about his mother, the secret of how her love saved their family, and how deeply he wants the second chance to save his own.

**Notes on Grief** Chimamanda Ngozi Adichie, 2021-05-11 From the globally acclaimed, best-selling novelist and author of

We Should All Be Feminists, a timely and deeply personal account of the loss of her father: “With raw eloquence, Notes on Grief ... captures the bewildering messiness of loss in a society that requires serenity, when you’d rather just scream. Grief is impolite ... Adichie’s words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided” (The Washington Post). Notes on Grief is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father’s death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original New Yorker piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father’s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he’d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of We Should All Be Feminists and Dear Ijeawele, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. Notes on Grief is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

**The Last Days of Judas Iscariot** Stephen Adly Guirgis, 2005-12-27 From one of our most admired playwrights, an ambitious, complicated and often laugh-out-loud religious debate (Toby Zinman, The Philadelphia Inquirer) Set in a time-bending, seriocomically imagined world between Heaven and Hell, The Last Days of Judas Iscariot is a philosophical meditation on the conflict between divine mercy and human free will that takes a close look at the eternal damnation of the Bible's most notorious sinner. This latest work from the author of Our Lady of 121st Street shares many of the traits that have made Mr. Guirgis a playwright to reckon with in recent years: a fierce and questioning mind that refuses to settle for glib answers, a gift for identifying with life's losers and an unforced eloquence that finds the poetry in lowdown street talk. [Guirgis brings to the play] a stirring sense of Christian existential pain, which wonders at the paradoxes of faith (Ben Brantley, The New York Times).

The Rainbow Comes and Goes Anderson Cooper, Gloria Vanderbilt, 2016-04-05 A touching and intimate correspondence between Anderson Cooper and his mother, Gloria Vanderbilt, offering timeless wisdom and a revealing glimpse into their lives Though Anderson Cooper has always considered himself close to his mother, his intensely busy career as a journalist for CNN and CBS affords him little time to spend with her. After she suffers a brief but serious illness at the age of ninety-one,

they resolve to change their relationship by beginning a year-long conversation unlike any they had ever had before. The result is a correspondence of surprising honesty and depth in which they discuss their lives, the things that matter to them, and what they still want to learn about each other. Both a son's love letter to his mother and an unconventional mom's life lessons for her grown son, *The Rainbow Comes and Goes* offers a rare window into their close relationship and fascinating life stories, including their tragedies and triumphs. In these often humorous and moving exchanges, they share their most private thoughts and the hard-earned truths they've learned along the way. In their words their distinctive personalities shine through—Anderson's journalistic outlook on the world is a sharp contrast to his mother's idealism and unwavering optimism. An appealing memoir with inspirational advice, *The Rainbow Comes and Goes* is a beautiful and affectionate celebration of the universal bond between a parent and a child, and a thoughtful reflection on life, reminding us of the precious insight that remains to be shared, no matter our age.
