Sticky, Sexy, Sad Treena Orchard,2024-03-01 Lifelong luddite Treena Orchard was a newly sober woman coming off a much-needed break from relationships, reluctantly taking the digital plunge by downloading a dating app. Instead of the fun, easy experiences advertised on swiping platforms, she discovered endless upkeep, ghosting, fleeting moments of sexual connection, and a steady flow of misogyny. In *Sticky, Sexy, Sad*, Orchard uses her skills as both an anthropologist who studies sexuality and a sex-positive feminist to explore what it feels like to want love while also resisting the addictive pull of platforms designed to make us swipe-dependent. She asks important questions for those searching for love in the modern era: What are the social and human impacts of using dating apps? How can we maintain our integrity and warm-blooded desire for intimacy while swiping? Can we resist some of the problematic aspects of swipe culture? Is love on dating apps even possible? Revealing how dating apps are powerful social and sexual technologies that are radically transforming sexuality, relationships, and how we think about ourselves, this remarkable book cracks the code of modern romance. Told with humor and vulnerability, *Sticky, Sexy, Sad* is a riveting and inspiring guide to staying true to ourselves amid the digitization of love in the twenty-first century.
