Anita Brookner

Look At Me Anita Brookner,2016-09-27 'Once a thing is known it can never be unknown.' By day Frances Hinton works in a medical library, by night she haunts the room of a West London mansion flat. Everything changes, however, when she is adopted by charming Nick and his dazzling wife Alix. They draw her into their tight circle of friends. Suddenly, Frances' life is full and ripe with new engagements. But too late, Frances realises that she may be only a play thing, to be picked up and discarded once used. And that just one act in defiance of Alix's wishes could see her lose everything . . .

Look at Me! Niki Daly,1986 Little Josh is ignored by his sister and her friend as they play, until he interests them in a game he creates.

Hotel Du Lac Anita Brookner,2012-07-25 BOOKER PRIZE WINNER • When romance writer Edith Hope's life begins to resemble the plots of her own novels, she flees to Switzerland, where the quiet luxury of the Hotel du Lac promises to restore her to her senses. Brookner's most absorbing novel ... wryly realistic ... graceful and attractive. —Anne Tyler, The New York Times Book Review But instead of peace and rest, Edith finds herself sequestered at the hotel with an assortment of love's casualties and exiles. She also attracts the attention of a worldly man determined to release her unused capacity for mischief and pleasure. Beautifully observed, witheringly funny, Hotel du Lac is Brookner at her most stylish and potently subversive. In the novel that won her the Booker Prize and established her international reputation, Anita Brookner finds a new vocabulary for framing the eternal question Why love?

The Debut Anita Brookner,2018-06-12 An “almost flawless novel” (People) about a quiet scholar who is convinced that her life has been ruined by literature and that she must make a new start in life. Since childhood, Ruth Weiss had been escaping from life into books, and from the attentions of her eccentric parents into the gentler warmth and company of friends and lovers. Now at forty years old, an academic devoted to the study of Balzac, she believes that literature has ruined her life and that she must once again, make a fresh start. “Lively, filled with gentle humor” (Miami Herald) this is an elegant and wry novel that will stay with you long after the final page is turned.

Providence Anita Brookner,2012-08-08 Kitty Maule longs to be totally unreasonable, totally unfair, very demanding, and very beautiful. She is instead clever, reticent, self-possessed, and striking. For years, Kitty has been tactfully courting her colleague Maurice Bishop, a detached, elegant English professor. Now, running out of patience, Kitty's amorous pursuit takes

her from rancorous academic committee rooms and lecture halls to French cathedrals and Parisian rooming houses, from sittings with her dress-making grandmother to seances with a grandmotherly psychic. Touching, funny, and stylistically breathtaking, *Providence* is a brightly polished gem of romantic comedy.

Understanding Anita Brookner Cheryl Alexander Malcolm, 2002 Alexander (American studies and literature, U. of Gdansk, Poland), who has written about other Jewish authors, explores the bleak worldview of a British novelist from a Polish-Jewish background. She analyzes Brookner's zoom-in portrayal of her protagonists' faith in a better world despite exile, loneliness, and acceptance of authority and a class system, in 19 short novels from *The Debut* (1981) to *Undue Influence* (1999). Strangers Anita Brookner, 2009-06-16 Literary master Anita Brookner's elegant style is manifest on every page of her brilliant new novel. Beautifully crafted and emotionally evocative, *Strangers* portrays the magic and depth of real life, telling the rich story of an ordinary man whose unexpected longings, doubts, and fears are universal. Paul Sturgis is resigned to his bachelorhood and the quietude of his London flat. He occasionally pays obliging visits to his nearest living relative, Helena, his cousin's widow and a doyenne of decorum who, like Paul, bears a tacit loneliness. To avoid the impolite complications of turning down Helena's Christmas invitation, Paul sets off for a holiday in Venice, where he meets Mrs. Vicky Gardner. Younger than Paul by several decades, the intriguing and lovely woman is in the midst of a divorce and at a crossroads in her life. Upon his return to England, a former girlfriend, Sarah, reenters Paul's life. These two women reroute Paul's introspections and spark a transformation within him. Paul's steady and preferred isolation now conflicts with the stark realization of his aloneness and his need for companionship in even the smallest degree. This awareness brings with it a torrent of feelings—reassessing his Venetian journey, desiring change, and fearing death. Ultimately, his discoveries about himself will lead Paul to make a shocking decision about his life. From the Hardcover edition.

Brief Lives Anita Brookner, 2016-05-19 'I never liked her, nor did she like me; strange, then, how we managed to keep up a sort of friendship for so long.' Fay Langdon has relinquished her singing career to marry Owen, a highly successful solicitor. At one of their dinner parties Fay meets the glamorous, self-obsessed Julia and is destined to join the handful of acolytes who provide Julia with ammunition for her merciless scorn and disapprobation. As the years pass and Fay and Julia's lives grow empty of purpose, they are drawn together by their fear of age and isolation. Yet a mutual mistrust continues to exist between them until Fay is driven to one last heroic act.

Fraud Anita Brookner, 2016-05-19 'Oh, she'll turn up all right. Somewhere or other. Trouble is, we won't know where to look.' Slowly, almost imperceptibly, Anna Durrant's acquaintances realize that Anna has gone missing. Normally so reliable, so helpful, she has neglected what duties remain to her after the death of her mother and taken flight. Lawrence Halliday, the family doctor, trapped in a trying marriage to the predatory Vickie, is the first to notice Anna's disappearance. Mrs

Marsh, a critical friend of Anna's mother, had hoped that her arrogant son Nick might take an interest in Anna, but he is seeking greater sophistication and worldliness. And as for Anna herself, she has not so much disappeared as ceased to exist as the woman they all thought they knew.

Latecomers Anita Brookner, 2012-08-01 A novel about the 50-year friendship of two dissimilar German refugees brought over to England as children from Nazi Germany. Their friendship becomes a funny yet touching model for the ways in which human beings come to terms with the tragedy of living.

Brief Lives Anita Brookner, 1991 Brookner again shows herself to be the consummate observer of social nuance in this deeply felt chronicle of an unlikely friendship between the flamboyant, ego-centric Julia and modest, self-effacing Fay, the narrator. Thrust together by their husbands' business partnership and by their sharing of a guilty secret, these two women form an intense and intimate bond that highlights their uneasy compromises with each other -- and with life itself.

Altered States Anita Brookner, 2016-05-19 'I was foolish enough to think that I was strong enough, and cheerful enough by nature, to avoid unhappiness. I was not yet old enough to see that I was in error.' Alan Sherwood is a cautious, solitary London solicitor who finds himself obsessed by his glamorous cousin Sarah. But Sarah is self-seeking and predatory and their short-lived affair leaves Alan desolate. He finds distraction in Angela, a homely, needy acquaintance of Sarah and they drift into marriage. Alan, however, is haunted by his memories of Sarah, and, attempting to recapture the wordless passion of their time together, he arranges a final meeting. It is an act of betrayal that changes his life for ever.

A Start in Life Anita Brookner, 2018-03-27 Anita Brookner's first novel, available as a Penguin Essential for the first time. 'Dr Weiss, at forty, knew that her life had been ruined by literature.' Ruth Weiss, an academic, is beautiful, intelligent and lonely. Studying the heroines of Balzac in order to discover where her own childhood and adult life has gone awry, she seeks not salvation but enlightenment. Yet in revisiting her London upbringing, her friendships and doomed Parisian love affairs, she wonders if perhaps there might not be a chance for a new start in life . . .

Family and Friends Anita Brookner, 2012-08-08 In an ambitious departure from her usual form, Anita Brookner expands her canvas in Family and Friends to create a richly textured novel about the life of a wealthy Jewish family in London, focusing on the generation that came to maturity between the two World Wars. Presiding over the Dorn household is the formidable Sofka, an elegant and circumspect widow who watches as her four children find their way into adulthood. Frederick, the sybaritic eldest son, escapes to the comforts of the Riviera while stern, dutiful Alfred runs the family business and burns with unrealized longings; Betty—pleasure-loving, vain, and selfish—makes her ambitious way from Paris to Hollywood, leaving her dreamy, passive sister Mimi to languish at home. A brilliant social novel of lost innocence and the complex nature of family bonds, Family and Friends meticulously portrays the emotional cost of everyday life.

A Private View Anita Brookner, 2012-08-15 Brookner explores the complications that arise when one solitary man comes

up against a woman who seems determined to invade his solitude. George Bland is an aging bachelor whose existence has been virtually a mirror image of his name--up until now. For into George's life walks Katy Gibb, young, abrasively self-assured, who incites in George the most alarming feelings.

Visitors Anita Brookner, 2012-07-25 The extraordinary Anita Brookner gives us a brilliant novel about age and awakening. In *Visitors*, Brookner explores what happens when a woman's quiet resignation to fate is challenged by the arrogance of youth. Dorothea May is most at ease in the company of strangers -- so when she is prevailed upon to take in a young man in town for a family wedding, her carefully constructed, solitary world is thrown into disarray. As the wedding approaches, old family secrets surface and conflicts erupt between the generations. Dorothea's fragile façade of peaceful acceptance is pierced, forcing her to face in a new way both her past and her future. Exquisite writing, richly drawn characters, and penetrating perceptions about people are featured in another superb novel from this acclaimed and award-winning writer.

A Misalliance Anita Brookner, 2012-08-01 After twenty years of marriage Blanche Vernon is alone; abandoned by her husband Bertie for a childishly demanding computer expert named Mousie. While Blanche finds this turn of events baffling, she feels that Bertie must have left her because of her overly sensible demeanor. Yet many of their mutual friends disagree. In fact, Blanche has come to be regarded as undeniably eccentric--making elliptical remarks that no one knows how to read, and chatting at great length about characters in fiction. She resolutely fills her unwanted hours with activities, maintaining her excellent appearance, drinking increasingly more wine, and, in an attempt to turn her energy to good works, becoming severely enmeshed in the life of a disordered young family.

A Friend from England Anita Brookner, 2012-07-25 In one of her most delicate and suspenseful novels to date, Anita Brookner brings us an exquisite story of friendship and duty. Rachel Kennedy and Oscar Livingston were not precisely friends or family. Rachel had been acquainted with Oscar for some time, first as her father's accountant, and then as her own. Part owner of a London bookshop, Rachel is thoroughly independent and somewhat distant, determinedly restrained in her feelings for others, but above all responsible. And it is this trait that leads Oscar and his wife Dorrie to seek out Rachel as a mentor for their twenty-seven-year-old daughter, Heather. Yet when Heather seems poised to make an unsuitable romantic decision, Rachel decides to speak out and intervene, causing an unwitting and devastating insight.

The Rules of Engagement Anita Brookner, 2007-12-18 Elizabeth and Betsy had been school friends in 1950s London. Elizabeth, prudent and introspective, values social propriety. Betsy, raised by a spinster aunt, is open, trusting, and desperate for affection. After growing up and going their separate ways, the two women reconnect later in life. Elizabeth has married kind but tedious Digby, while Betsy is still searching for love and belonging. In this deeply perceptive story, Anita Brookner brilliantly charts the resilience of a friendship tested by alienation and by jealousy over a man who seems to offer the promise of escape.

A Closed Eye Anita Brookner, 2016-05-19 'Without warning, it seemed, she had become a married woman.' Naive and undemanding, Harriet Lytton expects very little of life and that is what she receives. Married to a respectable man old enough to be her father, Harriet's only taste of passion comes when she meets Jack Peckham, the unruly, attractive husband of her friend Tessa. Tessa and Harriet have for many years been bound together by their childhood friendship and the imposed alliance of their two daughters, Imogen and Lizzie. But events conspire to shatter the gentle rhythm of Harriet's life. Tragically restrained by her own cautious choices, she faces the cruellest losses of all: those of hope and desire.
