Religion, Social Memory and Conflict Sandra Milena Rios Oyola,2015-06-13 This book studies how religion influences the way people in Colombia remember a massacre of 79 civilians that occurred in a Catholic church in 2002. It analyses how strategies of memorialisation are part of religious peacebuilding initiatives that aim to resist and denounce crimes against human, ethnic, cultural and economic rights.

Mapping Youth Religiosity in Santiago de Chile Catalina Cerda-Planas,2023-04-28 This research aimed to generate more complex knowledge regarding youth religiosity in Santiago de Chile. Following Van der Ven's proposal, an empirical-theological study was developed, guided by three main questions: How is youth religiosity in Santiago today configured? What personal and social factors influence it? And what contributions does this knowledge bring to theological and pastoral reflection? Using a Mixed Method (qual-QUAN) five dimensions were explored: beliefs, events of contact, practices, consequences in daily life, and groups of reference. The results were a valuable contribution to the available knowledge and theological reflection in dialogue with lived religion.

The Spirit of Sonship John Kingsley Alley,2015-08-18 The spirit of sonship is an apostolic grace which brings about the spiritual maturity of the believer, the revival of apostolic Christianity, and ultimately, the maturity of the church in preparation for the coming of Christ. This important book reveals that the values and heart attitudes of what we may call the spirit of sonship is the very nature and essence of authentic apostolic New Testament Christianity. You will discover a fresh approach to understanding and walking in grace, through relationships. The subject is huge, and wonderful; the whole of the Scriptures and all of salvation history must now be seen in the light of sonship and its implications.

Walking Wisely Charles Stanley,2006-05 Dr. Stanley teaches how to apply God's wisdom to finances, relationships with others, physical health, and day-to-day duties. This significant volume presents a way of living that embodies wisdom from above.

The Heart of the Gospel Charles Haddon Spurgeon, 1886

Christus Vivit Pope Francis, 2019-04-04 To young Christians of the world, Pope Francis has a message for you: Christ is alive, and he wants you to be alive! In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on Young People, The Faith, and Vocational Discernment. Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us.

Caminemos con Jesu Roberto S. Goizueta, 1995-01-01 While the growth in both numbers and influence of Hispanics in North American Catholicism and Protestantism has been commented on widely, up until now there has been no systematic

attempt to define a Hispanic theology. Roberto Goizueta, a Cuban-American theologian, aware that Hispanic and Latino can be terms imposed artificially on diverse peoples, finds a common link in the Spanish language and in a shared culture. Central to this culture is the experience of exile, of being a people at the margins of a society, who must find and make their way together. Central also is faith, and its grounding in this experience of being in exile. In delineating the very particular nature and worldview of Hispanic/Latino theology, *Caminemos con Jesus* challenges both traditional Euro-American theologies and modern Western epistemological assumptions. It examines the implications of this theological method for the Church and the academy, as well as for the future of the Latino community and North American society. *Caminemos con Jesus* provides lessons in discipleship for non-Hispanics and Hispanics alike, for students of contemporary theology, and all those engaged in pastoral and church-based work.

The Jewish Gospel of John Eli Lizorkin-Eyzenberg, 2016-01-06 The Jewish Gospel of John is not, by any standard, another book on Jesus of Nazareth written from a Jewish perspective. It is an invitation to the reader to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective. The Jesus that will emerge will provoke to rethink most of what you knew about this gospel. The book is a well-rounded verse-by-verse illustrated rethinking of the fourth gospel. Here is the catch: instead of reading it, as if it was written for 21 century Gentile Christians, the book interprets it as if it was written for the first-century peoples of ancient Israel. The book proves what Krister Stendahl stated long time ago: Our vision is often more abstracted by what we think we know than by our lack of knowledge. Other than challenging the long-held interpretations of well-known stories, the author with the skill of an experienced tour guide, takes us to a seat within those who most probably heard this gospel read in the late first century. Such exploration of variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel. A genuine apologetic is one that is true to the texts and the history, akin to the speeches of a defense attorney with integrity. Using the best of contemporary scholarship in first-century Judaic history and contributing much of his own, Dr. Eli Lizorkin-Eyzenberg has demonstrated that the Gospel of John is not an anti-Jewish, but a thoroughly Jewish book. Daniel Boyarin, Hermann P. and Sophia Taubman Professor of Talmudic Culture, University of California, Berkeley Dr. Lizorkin-Eyzenberg places the text of John's Gospel in its authentic context by examining the Dead Sea Scrolls, Philo, rabbinic literature, and suggesting innovative explanations for the nomenclature, 'the Jews.' His fresh analysis is sure to stir meaningful debate. His creative approach will make an enduring contribution to the discipline of New Testament studies. Brad Young, Professor of Biblical Literature in Judeo-Christian Studies, Oral Roberts University For some time, research on the Gospels has suffered from stagnation, and there is a feeling that there is not much new that one can say. In light of this, Dr. Eli Lizorkin-Eyzenberg's new commentary on the Gospel of John, with its original outlook on the identity of the original audience and the issues at stake, is extremely refreshing. Ishay Rosen-Zvi, Head of the Talmud and Late Antiquity

Department, Tel-Aviv University.

The Story of Redemption Ellen G. White,2002 Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.
