Falando E Escrevendo Noeli Flor, 2018-10-25 Poesias cotidianas é a própria forma de arte, sendo aquilo que comove e desperta sentimentos. Se a poesia lhe aflora à pele, entre e fique a vontade, em seu sentido figurado,

A música popular no romance brasileiro José Ramos Tinhorão, 1992 No fim da década de 1930, com o rádio e o disco difundidos praticamente por todas as regiões do país, alterava-se em profundidade o modo de produção, fruição e circulação da música popular no Brasil. Com ouvido apurado, faro verdadeiramente detetivesco e julgamento implacável, o historiador e crítico musical José Ramos Tinhorão finaliza neste volume seu monumental painel sobre A música popular no romance brasileiro, do Romantismo até os nossos dias. Revelando uma capacidade única para relacionar um número sem precedentes de informações, Tinhorão criou quase uma suma da memória musical de nosso povo. Para tanto, o autor percorre diferentes ambientes regionais, do Nordeste a São Paulo, dos subúrbios à Zona Sul carioca, inventariando obras, estilos, romancistas, personagens, cantores e compositores, registrando as mínimas variações entre a letra original das canções e sua notação escrita. O resultado é um compêndio de valor inestimável sobre a vida brasileira, com tudo o que esta comporta de humor, de invenção e alegria, mas também de impostura, impropriedade e preconceitos de classe.

My Sweet Orange Tree José Mauro de Vasconcelos, 2018-01-04 A worldwide classic of children's literature - a moving, life-affirming childhood story, finally available in English again Meet Zezé - Brazil's naughtiest and most loveable boy, his talent for mischief matched only by his great kindness. When he grows up he wants to be a 'poet with a bow-tie' but for now he entertains himself playing pranks on the residents of his family's poor Rio de Janeiro neighbourhood and inventing friends to play with. That is, until he meets a real friend, and his life begins to change... *My Sweet Orange Tree* is a worldwide classic of children's literature - never out of print in Brazil since it was first published in 1968, it has also been translated into an astonishing number of languages and won the hearts of millions of young readers from Korea to turkey, Poland to Thailand and in many other countries too. José Mauro de Vasconcelos (1920-84) was a Brazilian writer who worked as a sparring partner for boxers, a labourer on a banana farm, and a fisherman before he started writing at the age of 22. He is most famous for his autobiographical novel *My Sweet Orange Tree*, which tells the story of his own childhood in Rio de Janeiro.

The Book of Disquiet Fernando Pessoa,2017-08-17 Written over the course of Fernando Pessoa's life, The Book of Disquiet was first published in 1982, pieced together from the thousands of individual manuscript pages left behind after his death in 1935. Now this fragmentary modernist masterpiece appears in a major new edition that unites Margaret Jull Costa's celebrated translation with previously missing texts, presented for the first time in order of composition and accompanied by facsimiles of the original manuscript. A mosaic of dreams and a hymn to the streets and cafés of 1930s Lisbon, The Book of Disquiet is an extraordinary record of the inner life of one of the century's most important writers.

The Little Prince Antoine de Saint-Exupéry,2024-11-08 Beschreibung I ask the indulgence of the children who may read this book for dedicating it to a grown-up. I have a serious reason: he is the best friend I have in the world. I have another reason: this grown-up understands everything, even books about children. I have a third reason: he lives in France where he is hungry and cold. He needs cheering up. If all these reasons are not enough, I will dedicate the book to the child from whom this grown-up grew. All grown-ups were once children-- although few of them remember it. And so I correct my dedication: To Leon Werth when he was a little boy Once when I was six years old I saw a magnificent picture in a book, called True Stories from Nature, about the primeval forest. It was a picture of a boa constrictor in the act of swallowing an animal. Here is a copy of the drawing. In the book it said: Boa constrictors swallow their prey whole, without chewing it.

After that they are not able to move, and they sleep through the six months that they need for digestion.

Discipline and Punish Michel Foucault, 2012-04-18 A brilliant work from the most influential philosopher since Sartre. In this indispensable work, a brilliant thinker suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

The Power of Habit Charles Duhigg, 2012-02-28 NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

Bulletproof Marriage - English Edition Renato & Cristiane Cardoso,2015-01-13 Marriage was God's idea. He decided that man and woman should be one flesh. Furthermore, the Bible says God is love . Unfortunately, many couples never learned to love each other. A feeling, passion or some other influence brought them together, but they never learned how to study or explore each other, or discover what makes them happy. When you do not know another person it is impossible to love them because you do not know what pleases or annoys them, their dreams and struggles, or how they think. In such ignorance, you will make many mistakes in your relationship and so cause many problems. These problems will cause you to withdraw, even though you are married and were in love at one time. If you have been wondering: Do I still love my husband/wife Did I marry the wrong person Why is my partner so cold to me Why do we love each other but can't stay together? How can I make sure my marriage lasts? How can I live with a person who is so difficult? Why do our problems go away, but then come back worse than before? Is my marriage always going to be about hardships, or will I find happiness one

day? Cheer up! You will learn how to love intelligently and how to be happy with your spouse, even if he (or she) acts like King Kong.
