Confessions of an 83-Year-Old Sage Helene Hadsell, 2021-11-08 Join Helene Hadsell each day as she has breakfast, goes about her morning routine, and regales you, dear reader, with her serious, silly, and sermonish observations about the GLAD-SAD-MAD of life in her third book of wit and wisdom. She shares her secrets in a vibrant, warm, and folksy manner, unique only to her. GLAD - Helene was grateful for every moment her life held. All of them. She was GLAD she was blessed to experience all the ups, down, and all arounds. SAD - Helene didn't like to dwell in the SAD of life, but she knew it was unavoidable on this human journey. She focused on learning from any lesson that brought with it sorrow. MAD - Helene wasn't interested in existing. She wanted to LIVE. Have adventures. Savor every moment of her life. She was fighting MAD when and if anyone tried to take that away from her. Messengers and miracles. Self-awareness and soul contracts. Points to ponder and past lives. Thought forms and telepathy. Synchronicity and sermons. Yes! Helene had experienced all of these antics and more! In the 80+ years, she was in a physical body on planet earth, she had one daring adventure after another.

The Rose Labyrinth Titania Hardie, 2013-05-09 Before his death in 1609, the brilliant Elizabethan spy and astrologer John Dee hid his most astonishing secrets, trusting his descendants would one day bring them to light. That time has come.

In 2003, Will Stafford inherits a strange legacy from his mother: a key and an ancient script with an enigmatic note. Intrigued, he travels Europe seeking answers to Dee's riddles, unaware that someone is following every move. Back in London, Lucy King becomes entangled in Will's cryptic labyrinth. As its mysterious twists take her from France to New York, and from literature to myth, in search of its hidden treasure, she has never been closer to the truth, nor in graver danger.

Falling Through The Earth Danielle Trussoni, 2015-11-05 From her father, Danielle Trussoni learned the importance of rock and roll, how to avoid the cops and never to shy away from a fight. Growing up, she was fascinated by the stories he told of his adventures as a tunnel rat in Vietnam, where he risked his life crawling head-first into holes to search for American POW's held underground. Ultimately, Danielle came to realize that when the man she adored drank too much, beat up strangers or mistreated her mother, it was because the war inside his head would never be over. And eventually, when her mother and siblings walked away and washed their hands of Dan Trussoni, Danielle did not. As Danielle trails her father through nights of drinking, scores of wild girlfriends and years of bad dreams, a vivid and poignant portrait of a father-daughter relationship emerges. Theirs is a love story filled with anger, stubbornness, outrageous behaviour and battle scars that never completely heal. 'Trussoni has taken an extended trip to hell and come back with treasures from that drunken, burning, broken place. She writes of the effects of war without a hint of self-pity, with surprising humour, disarming candor, a hard-won wisdom and with uncannily sure-footed prose. Even if this book were not urgently important and devastatingly timely, I'd still urge you to read it for the sheer triumph of the author's gift' Alexandra Fuller, author of *Don't Let's Go to the Dogs Tonight* 'A salient and timely reminder that a war's victims aren't limited to those in uniform nor demarcated by geography. This is an important and harrowing story' Anthony Swofford, author of *Jarhead* 'Powerful and revealing. . . Wry, witty and unsentimental. [Trussoni] writes with high intelligence . . . and a fathomless interest in the aftershocks of war' Sunday Times

MAN'S YEARNING FOR IMMORTALITY 37 that melancholy can throw at a man, to tell him that he is at the end of his nature, or that there is no future state to come, unto which this seems progressive, and otherwise made in

vain. Let any religion offer itself that can supply these proofs in the shape of scientific facts, and the established system will be driven to the alternative of fortifying its dogmas with such facts, or of passing out of the reverence and affection of Christendom. Many a Christian divine has been forced to acknowledge that there is no authentic source whence the assurance of a future state could have been derived by man. How could then such a belief have stood for countless ages, were it not that among all nations, whether civilized or savage, man has been allowed the demonstrative proof? Is not the very existence of such a belief an evidence that thinking philosopher and unreasoning savage have both been compelled to acknowledge the testimony of their senses? That if, in isolated instances, spectral illusion may have resulted from physical causes, on the other hand, in thousands of instances, apparitions of persons have held converse with several individuals at once, who saw and heard them collectively, and could not all have been diseased in mind? The greatest thinkers of Greece and Rome regarded such matters as demonstrated facts. They distinguished the apparitions by the names of manes, anima and umbra: the manes descending after the decease of the individual into the Underworld; the anima, or pure spirit, ascending to heaven; and the restless umbra (earth-bound spirit) hovering about its tomb, because the attraction of matter and love of its earthly body prevailed in it and prevented its ascension to higher regions....

The Source of Miracles Kathleen McGowan,2012-12-11 On Easter Sunday 2007 the Los Angeles Times reported that

two billion people worldwide - nearly a third of the planet's population - were united by one powerful common denominator: The Lord's Prayer. The Lord's Prayer is now, as it was when Jesus taught it to his disciples, the incorruptible formula for personal and global transformation. Kathleen McGowan tells how she came to discover the prayer's transformative power by learning the secret of the Rose with Six Petals-a mosaic window in the Cathedral of Notre Dame. Each petal represents a different teaching found within The Lord's Prayer and is the map to discovering the real secret of how to have the life you truly desire. The book is divided into seven chapters, each representing a primary teaching related to lines in the prayer: faith, surrender, service, abundance, forgiveness, obstacles, and love. Within each chapter are a series of questions designed to make you dig deep into your heart and soul. Relating her story and using the rose formula, McGowan offers readers a unique blueprint to transform their own lives through the power of The Lord's Prayer.
