What Made Maddy Run Kate Fagan, 2017-08-01 The heartbreaking story of college athlete Madison Holleran, whose life and death by suicide reveal the struggle of young people suffering from mental illness today in this #1 New York Times Sports and Fitness bestseller. If you scrolled through the Instagram feed of 19-year-old Maddy Holleran, you would see a perfect life: a freshman at an Ivy League school, recruited for the track team, who was also beautiful, popular, and fiercely intelligent. This was a girl who succeeded at everything she tried, and who was only getting started. But when Maddy began her long-awaited college career, her parents noticed something changed. Previously indefatigable Maddy became withdrawn, and her thoughts centered on how she could change her life. In spite of thousands of hours of practice and study, she contemplated transferring from the school that had once been her dream. When Maddy's dad, Jim, dropped her off for the first day of spring semester, she held him a second longer than usual. That would be the last time Jim would see his daughter. *What Made Maddy Run* began as a piece that Kate Fagan, a columnist for *espnW*, wrote about Maddy's life. What started as a profile of a successful young athlete whose life ended in suicide became so much larger when Fagan started to hear from other college athletes also struggling with mental illness. This is the story of Maddy Holleran's life, and her struggle with depression, which also reveals the mounting pressures young people -- and college athletes in particular -- face to be perfect, especially in an age of relentless connectivity and social media saturation.

Notes on Grief Chimamanda Ngozi Adichie, 2021-05-11 From the globally acclaimed, best-selling novelist and author of *We Should All Be Feminists*, a timely and deeply personal account of the loss of her father: “With raw eloquence, *Notes on Grief* ... captures the bewildering messiness of loss in a society that requires serenity, when you’d rather just scream. Grief is impolite ... Adichie’s words put welcome, authentic voice to this most universal of emotions, which is also one of the most universally avoided” (The Washington Post). *Notes on Grief* is an exquisite work of meditation, remembrance, and hope, written in the wake of Chimamanda Ngozi Adichie's beloved father’s death in the summer of 2020. As the COVID-19 pandemic raged around the world, and kept Adichie and her family members separated from one another, her father succumbed unexpectedly to complications of kidney failure. Expanding on her original *New Yorker* piece, Adichie shares how this loss shook her to her core. She writes about being one of the millions of people grieving this year; about the familial and cultural dimensions of grief and also about the loneliness and anger that are unavoidable in it. With signature precision of language, and glittering, devastating detail on the page—and never without touches of rich, honest humor—Adichie weaves together her own experience of her father’s death with threads of his life story, from his remarkable survival during the Biafran war, through a long career as a statistics professor, into the days of the pandemic in which he’d stay connected with his children and grandchildren over video chat from the family home in Abba, Nigeria. In the compact format of *We Should All Be Feminists* and *Dear Ijeawele*, Adichie delivers a gem of a book—a book that fundamentally connects us to one another as it probes one of the most universal human experiences. *Notes on Grief* is a book for this moment—a work readers will treasure and share now more than ever—and yet will prove durable and timeless, an indispensable addition to Adichie's canon.

At seventeen she’s already lost more than most people do in a lifetime. But she’s learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don’t have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie’s heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her nothing, and has taken so much, and the journey she undergoes to put herself back together.
