**Change of Heart** Jude Deveraux, 2014-10-21 Two childhood playmates grow into more than just friends in #1 New York Times bestselling author Jude Deveraux’s full-length romantic novel based on her short story of the same name. In the hugely popular, New York Times bestseller *A Holiday of Love*, Jude Deveraux wrote a novella about two kids playing matchmakers—Eli and Chelsea, best friends who were determined to find true love for Eli’s bighearted mother. But what happens when these ambitious children grow up? What exactly made Eli’s mother, Miranda, fall in love with Frank all those years ago? And how does that affect their future together? Eli and Chelsea lost touch with each other over the years, until Eli

bought a house in his father's hometown of Edilean, Virginia, and invited Chelsea for a visit. She had her own life, and was certain that a childhood friendship couldn't be anything more, but she went nonetheless—and found herself quite unprepared for the changes she saw in Eli. And neither of them were prepared to run into a mystery, with a family that needed to be rescued. Now, just like when they were children, they must join together to straighten out a very big problem. The question is what happens after the mystery is solved; they are very different people—so can they stay together? Combining love and passion with sweet, unexpected twists, and shedding new light on Miranda and Frank's relationship, *Change of Heart* is an unforgettable addition to Deveraux's classic bestselling novels.

It's high time I visit and see the magic of Sorrel Falls for myself. Timothy Redfern is a long-time resident of Sorrel Falls and owner of the local bakery Le Panier. There's a vulnerability about him that makes me want to hold him close and protect him from whatever past he clearly hasn't healed from. Are either of us capable of finding the romance we've each been running from for so long? The second book in the Sorrel Falls Romance series, enjoy *Change of Heart* as part of the series or as a standalone novella. *Change of Heart* is a 25k word, low angst romance novella with plenty of HEA.

Our Missing Hearts Celeste Ng,2022-10-04 'It's impossible not to be moved' Stephen King 'Stunning...this novel will break your heart and fire up your courage' Mail on Sunday The New York Times bestseller, a deeply heart-wrenching novel about the unbreakable love between a mother and child and a TIMES BEST PAPERBACK OF APRIL 2023 Twelve-year-old Bird Gardner lives a quiet existence with his loving father, a former linguist who now shelves books in a university library. His mother Margaret, a Chinese American poet, left without a trace when he was nine years old. He doesn't know what happened to her-only that her books have been banned-and he resents that she cared more about her work than about him. Then one day, Bird receives a mysterious letter containing only a cryptic drawing, and soon he is pulled into a quest to find her. His journey will take him back to the many folktales she poured into his head as a child, through the ranks of an underground network of heroic librarians, and finally to New York City, where he will finally learn the truth about what happened to his mother, and what the future holds for them both. *Our Missing Hearts* is an old story made new, of the ways supposedly civilized communities can ignore the most searing injustice. It's about the lessons and legacies we pass on to our children, and the power of art to create change.

*Change of Heart* Lama Shenpen Drolma, 2022-10 Chagdud Tulku, a beloved Tibetan Rinpoche (precious one) who died in 2002, offers wisdom on becoming a bodhisattva, or spiritual warrior of compassion. His student, Lama Shenpen Drolma, has edited this collection from a variety of talks and training seminars Tulku gave during the last 14 years of his life. All individuals, Tulku believed, can benefit from Bodhisattva Peace Training, his system of teaching others to understand human interconnectedness and alleviate suffering. Tulku explores ways to develop equanimity, transform an angry heart, awaken compassion, understand the root causes of suffering, contemplate impermanence and purify oneself from within. Most of the book adopts a question-and-answer format, with dialogue taken from transcripts of Tulku's real training seminars. This give-and-take is an inherent part of the book's success in illuminating difficult teachings and placing them into some kind of practical context. In the anger chapter, for example, the students challenge Tulku to unpack his statements that anger is never useful or that there is no such thing as the right to be angry. One student, an advocate for battered women, believes that abused persons can and should become angry about their circumstances, and that anger can be a catalyst to change. Tulku answers that anger is a fleeting response that cannot be depended upon to change unjust situations, and in fact usually compounds them. There is some repetition of ideas throughout the book, but considering its origin in Tulku's unedited talks,

it coheres very well as a seamless whole.
